Willbanks, 2004 Drawing upon both archival research and his own military experiences in Vietnam Willbanks focuses on military operations from 1969 through 1975 He begins by analyzing the events that led to a change in U S strategy in 1969 and the subsequent initiation of Vietnamization He then critiques the implementation of that policy and the combat performance of the South Vietnamese army ARVN which finally collapsed in 1975 **Vietnam** George Donelson Moss, 2016-07-01 This book provides a comprehensive narrative history of U S involvement in Southeast Asia from 1942 to 1975 with a concluding section that traces U S Vietnam relations from the end of the war in 1975 to the present Unlike most general histories of U S involvement in Vietnam which are either conventional diplomatic or military histories this volume synthesizes the perspectives to explore both dimensions of the struggle in greater depth elucidating more of the complexities of the U S Vietnam entanglement It explains why Americans tried so hard for so long to stop the spread of Communism into Indochina and why they failed Key topics The Fall of Saigon The End as Prelude Vietnam A Place and A People The Elephant and the Tiger An Experiment in Nation Building Raising the Stakes Going to War The Chain of Thunders The Year of the Monkey A War to End a War The End of the Tunnel Market For anyone curious to know about the long American involvement in Southeast Asia 1942 1975 **First In, Last Out** John D Howard, 2023-06-14 A Vietnam veteran recounts his experience through two tours of duty early in the conflict and then in its final stages Fresh out of West Point John Howard arrived for his first tour in Vietnam in 1965 the first full year of escalation when U S troop levels increased dramatically from 23 000 to 184 000 When Howard returned for a second tour in 1972 troop strength stood at 24 000 and would dwindle to a mere fifty the following year He thus participated in the very early and very late stages of American military involvement in the Vietnam War Howard s two tours the first as a platoon commander and member of an elite counter guerrilla force and the second as a senior advisor to the South Vietnamese provide a fascinating lens through which to view not only one soldier s experience in Vietnam but also the country s **A Tangled Web** William P. Bundy, 1999-06-04 An authoritative historical assessment of american foreign policy in a crucial postwar decade William Bundy s magisterial book focuses on the controversial record of Richard Nixon s and Henry Kissinger s often overpraised foreign policy of 1969 to 1973 an era that has rightly been described as the hinge on which the last half of the century turned Bundy s principled clear eyed assessment in effect pulls together all the major issues and events of the thirty year span from the 1940s to the end of the Vietnam War and makes it clear just how dangerous the consequences of Nixon and Kissinger s deceptive modus operandi were *An Enormous Crime*

Bill Hendon, Elizabeth A. Stewart, 2008-10-14 THE NEW YORK TIMES BESTSELLER An Enormous Crime is nothing less than shocking Based on thousands of pages of public and previously classified documents it makes an utterly convincing case that when the American government withdrew its forces from Vietnam it knowingly abandoned hundreds of POWs to their fate The product of twenty five years of research by former Congressman Bill Hendon and attorney Elizabeth A Stewart this book brilliantly reveals the reasons why these American soldiers and airmen were held back by the North Vietnamese at Operation Homecoming in 1973 what these brave men have endured and how administration after administration of their own government has turned its back on them This authoritative expos is based on open source documents and reports and thousands of declassified intelligence reports and satellite imagery as well as author interviews and personal experience An Enormous Crime is a singular work telling a story unlike any other in our history ugly harrowing and true Why South Vietnam Fell Anthony James Joes, 2014-10-16 Between 1954 and 1963 President Ngo Dinh Diem against great odds but with U S assistance built a functioning South Vietnamese state But gravely misled by American journalists in Saigon the U S embassy in league with second tier members of the State Department urged certain South Vietnamese generals to stage a coup against Diem resulting in his brutal murder Despite the instability after Diem s murder the South Vietnamese Army performed well during the 1968 Tet Offensive and the 1972 Easter Offensive In proportion to population South Vietnamese Army losses were much greater than American losses Nevertheless the American media ignored South Vietnamese sacrifices and completely misrepresented the consequences of the Tet Offensive The disastrous peace agreement the U S forced on the South Vietnamese in 1973 made continuing American support vital But Congress began to slash aid to South Vietnam so that its soldiers had to fight on with dwindling supplies of fuel ammunition and medicine Under these circumstances the South Vietnamese attempted to regroup their army into the provinces around Saigon an effort that ended in disaster The final chapter reflects on the meaning of the conflict and the tragedy that abandonment by Washington and conquest by Hanoi brought upon the South Vietnamese people An Appendix presents a strategy for preserving a South Vietnamese state with the commitment of a relatively small number of U S forces **Gunfighter Nation** Richard Slotkin, 2024-01-23 National Book Award Finalist The impressive conclusion to the magisterial trilogy on the mythology of violence in American history Film Quarterly The myth of the Western frontier which assumes that whites conquest of Native Americans and the taming of the wilderness were preordained means to a progressive civilized society is embedded in our national psyche U S troops called Vietnam Indian country President John Kennedy invoked New Frontier symbolism to seek support for counterinsurgency abroad In an absorbing valuable scholarly study the author traces the pervasiveness of frontier mythology in American consciousness from 1890 Dime novels and detective stories adapted the myth to portray gallant heroes repressing strikers immigrants and dissidents Completing a trilogy begun with Regeneration Through Violence and The Fatal Environment Slotkin unmasks frontier mythmaking in novels and Hollywood movies The myth s emphasis on use of force over

social solutions has had a destructive impact he shows Publishers Weekly Stirring Breaks new ground in its careful explication of the continuing dynamic between politics and myth myth and popular culture The New York Times A subtle and wide ranging examination how America s fascination with the frontier has affected its culture and politics Intellectual history at its most stimulating teeming with insights into American violence politics class and race Kirkus Reviews **The Vietnam Experience** Kevin Hillstrom,Laurie Collier Hillstrom,1998-02-24 A collection of essays that discuss the literary works that helped chronicle America s involvement in the Vietnam War includes information on what inspired the work plot summaries and critical essays on the work Crosswinds Earl H. Tilford, Jr.,Earl H. Tilford,2008-12-19 Tilford exposes the generals tunnel vision He demolishes the myth that the 1972 Christmas bombing brought Hanoi to its knees His controversial thesis is that the bombing of the North and the interdiction campaign against the Ho Chi Minh Trail were in no way decisive and that USAF leadership obtusely failed to perceive that North Vietnam an agricultural nation was simply not susceptible to strategic bombing Publishers Weekly hard hitting study on the failure of American air power in the Vietnam War The acute intellectual content of the book and the author s engaging writing style make the book easy to recommend Armed Forces Journal International **The American Experience in Vietnam** The Editors of Boston Publishing Company,2014-11-01 The landmark Pulitzer Prize nominated bestselling illustrated history updated for the fiftieth anniversary of the Vietnam War When it was originally published the twenty five volume Vietnam Experience offered the definitive historical perspectives of the Vietnam War from some of the best rising authors on the conflict This new and reimagined edition updates the war on the fifty years that have passed since the war s initiation The official successor to the Pulitzer Prize nominated set The American Experience in Vietnam combines the best serious historical writing about the Vietnam War with new never before published photos and perspectives New content includes social cultural and military analysis a view of post 1980s Vietnam and contextualizing discussion of US involvement in the Persian Gulf Iraq and Afghanistan Even if you own the original The American Experience in Vietnam is a necessary addition for any modern Vietnam War enthusiast Praise for The American Experience in Vietnam The heart of the book is a well written objectively presented history of the war that includes a lot of military history Vietnam Veterans of America Encyclopedia of the Vietnam War [3 Volumes] Spencer Tucker,1998-09-18 The largest and most comprehensive study to date of one of the longest and most divisive conflicts in U S history ABC CLIO presents the largest and most comprehensive study to date of the wars in Vietnam This authoritative three volume masterwork details early U S involvement in Vietnam and brings Vietnamese history to the present with discussions of the Socialist Republic of Vietnam from 1975 through 1997 Students and researchers will find that this comprehensive work includes more coverage of diverse topics and more information on individual Vietnamese and American participants and earlier relevant periods in Vietnamese history than any other encyclopedia of its kind Over 900 A Z entries with extensive cross references after each entry Biographies of key Vietnamese and American participants 200 primary source documents
