

# The English Civil War

**Conrad Russell**

## **The English Civil War:**

*The English Civil Wars* Blair Worden, 2009-11-19 A brilliant appraisal of the Civil War and its long term consequences by an acclaimed historian The political upheaval of the mid seventeenth century has no parallel in English history Other events have changed the occupancy and the powers of the throne but the conflict of 1640 60 was more dramatic the monarchy and the House of Lords were abolished to be replaced by a republic and military rule In this wonderfully readable account Blair Worden explores the events of this period and their origins the war between King and Parliament the execution of Charles I Cromwell s rule and the Restoration while aiming to reveal something more elusive the motivations of contemporaries on both sides and the concerns of later generations

**The English Civil War** Maurice Ashley, 1922 [A Brief History of the English Civil Wars](#) John Miller, 2009 The English Civil War is one of the most hotly contested areas of English History Amid dramatic accounts of the key battles and confrontations the author explores what triggered the initial conflict between crown and parliament and how this was played out in England Scotland and Ireland in the lead up to war

[The English Civil War](#) Diane Purkiss, 2009-03-25 In this compelling history of the violent struggle between the monarchy and Parliament that tore apart seventeenth century England a rising star among British historians sheds new light on the people who fought and died through those tumultuous years Drawing on exciting new sources including letters memoirs ballads plays illustrations and even cookbooks Diane Purkiss creates a rich and nuanced portrait of this turbulent era The English Civil War s dramatic consequences rejecting the divine right monarchy in favor of parliamentary rule continue to influence our lives and in this colorful narrative Purkiss vividly brings to life the history that changed the course of Western government

**The English Civil War, 1642-1651** Philip J. Haythornthwaite, 1983 **The English Civil War** Martyn Bennett, 2009-11-02 This comprehensive work of reference gives full consideration to the whole conflict including its Welsh Scottish and Irish dimensions Entries include biographies of the key personalities key events battles military institutions of the conflict the run up to the conflict the wars themselves and the aftermath From the St Giles riots in Edinburgh in 1637 to the restoration of Charles II on May 8 1660 this book provides all the facts and figures that an armchair general would ever need

**English Civil War** Hourly History, 2016-10-24 English Civil War In 1642 King Charles I and the elected Parliament of England went to war over the future of the Stuart kingdom Over the next nine years three Civil Wars would be fought devastating the populations of England Scotland and Ireland and claiming a death toll of an estimated 800 000 people including King Charles I himself Inside you will read about Reasons to go to War The First English Civil War Choose Your Side The First English Civil War The War Begins The First English Civil War The War Spreads The First English Civil War A New Model Army The Second Civil War The Third Civil War With the authority of the monarchy the freedom of Parliament and the power of religion at stake the English Civil Wars decided the future of the Great Britain and influenced the future of politics around the world

*The Causes of the English Civil War* A. Hughes, 1998-12-14 The causes of the English civil war have provoked fierce

controversy amongst historians ever since the seventeenth century The period is still one which matters to people one over which they take sides Such an enormous amount of work is published on the civil war that it is impossible for non specialists to keep up with debates hence the value of this synthesis This book is intended as a guide and introduction to this massive outpouring of scholarship including discussion of revisionist and post revisionist work It is a vigorous overview which seeks to focus sharply on original recent approaches It examines English developments in a broader British and European context and explores current debates on the nature of the political process and the divisions over religion and politics Finally it analyses controversial attempts to set the civil war in a social context and to connect social change to broad cultural cleavages in England

The English Civil War Peter Young, Richard Holmes, 1974 *The English Civil War* Peter Gaunt, 2014-05-09 Sir God hath taken away your eldest son by a cannon shot It brake his leg We were necessitated to have it cut off whereof he died In one of the most famous and moving letters of the Civil War Oliver Cromwell told his brother in law that on 2 July 1644 Parliament had won an emphatic victory over a Royalist army commanded by King Charles I's nephew Prince Rupert on rolling moorland west of York But that battle Marston Moor had also slain his own nephew the recipient's firstborn In this vividly narrated history of the deadly conflict that engulfed the nation during the 1640s Peter Gaunt shows that with the exception of World War I the death rate was higher than any other contest in which Britain has participated Numerous towns and villages were garrisoned attacked damaged or wrecked The landscape was profoundly altered Yet amidst all the blood and killing the fighting was also a catalyst for profound social change and innovation Charting major battles raids and engagements the author uses rich contemporary accounts to explore the life changing experience of war for those involved whether musketeers at Cheriton dragoons at Edgehill or Cromwell's disciplined Ironsides at Naseby 1645

**The English Civil War and after, 1642-1658** R.H. Parry, 1970-06-04 Examining the complex issues of the Great Rebellion of the seventeenth century this title offers a fresh distillation of important scholarship on the Civil War and its aftermath *The English Civil War in 100 Facts* Andrew Lacey, 2017-07-15 Discover the history behind the facts *Soldiers and Strangers* Mark Stoyle, 2005-01-01 The Civil War fought between Charles I and his Parliament is one of the most momentous conflicts in English history This book provides a wholly new perspective by revealing the extent to which the struggle possessed an ethnic dimension and the impact of that on the forging of English national identity Stoyle reveals the acute fear of foreign invasion that gripped England after 1640 when the insular English were placed on the brink of what they perceived as a national emergency Stoyle sets the creation of the New Model Army within that context arguing that its appearance represented the culmination of a campaign by Oliver Cromwell and others to forge a purely English military instrument one purged of the foreign soldiers who had been so prominent in earlier Parliamentary armies This self consciously English army eventually succeeded in wresting back control of the kingdom by defeating the king's forces re conquering Cornwall and Wales and expelling all foreign agents **The English Civil War** James Hobson, 2019-03-30 Have

you ever found yourself watching a show or reading a novel and wondering what life was really like in the Civil War Did the war really split families Was Charles I just too stupid to be King Did Cromwell really hate the monarchy and did Parliament actually ban Christmas In this book you ll find fast and fun answers to all your secret questions about this remarkable period of British history Find out about people s lives and how the Civil War affected them Learn about the role of women and if they merely stayed at home and suffered and if Cromwell really was always miserable James Hobson brings to life the tumultuous and unprecedented period of history that is known as the Civil War An unfussy yet accurate history each chapter presents a controversy in itself and sets about dispelling commonly held myths about the Civil War

*Remembering the English Civil Wars* Lloyd Bowen, Mark Stoye, 2021-10-17 *Remembering the English Civil Wars* is the first collection of essays to explore how the bloody struggle which took place between the supporters of king and parliament during the 1640s was viewed in retrospect The English Civil Wars were perhaps the most calamitous series of conflicts in the country s recorded history Over the past twenty years there has been a surge of interest in the way that the Civil Wars were remembered by the men women and children who were unfortunate enough to live through them The essays brought together in this book not only provide a clear and accessible introduction to this fast developing field of study but also bring together the voices of a diverse group of scholars who are working at its cutting edge Through the investigation of a broad but closely interrelated range of topics including elite popular urban and local memories of the wars as well as the relationships between civil war memory and ceremony material culture and concepts of space and place the essays contained in this volume demonstrate with exceptional vividness and clarity how the people of England and Wales continued to be haunted by the ghosts of the mid century conflict throughout the decades which followed The book will be essential reading for all students of the English Civil Wars Stuart Britain and the history of memory

The Causes of the English Civil War Ann Hughes, 1998-12-14 This book is intended as a guide and introduction to recent scholarship on the causes of the English civil war It examines English developments in a broader British and European context and explores current debates on the nature of the political process and the divisions over religion and politics It then analyses renewed attempts to set the civil war in a social context and to connect social change to broad cultural cleavages in England The author also provides her own positive interpretation which takes account of the valuable insights of revisionist approaches but concludes that long term ideological divisions and tensions arising from social change were crucial in causing the civil war

The Outbreak of the English Civil War Anthony Fletcher, 1981

**The Origins of the English Civil War** Conrad Russell, 1973 This volume in the Problems in Focus series provides a concise summary of arguments about the causes of the English Civil War and of the present state of historical research in this field The nine contributors experts in the subject they write on cover such issues as whether there was any economic clash between the two sides in the Civil War whether they represented two conflicting cultures whether the issues involved were European or purely English whether there is any connection between Puritanism and revolution and what was

involved in the fear of Popery In many areas this integrated collection of original studies breaks new ground and brings the student up to date with current research much of it published here for the first time It concentrates on central themes of debate for which clarification is most useful to students Though primarily intended for historians its treatment of social and cultural factors makes it useful to interdisciplinary studies and to students of literature and society in the seventeenth century

*The Impact of the English Civil War on the Economy of London, 1642-50* Ben Coates, 2004 The Impact of the English Civil War on the Economy of London 1642 50 examines every sector of London s economy as it changed during the English Civil War It also looks closely at the impact of war on the major pillars of the London economy namely London s role in external and internal trade and manufacturing in London When the war broke out London s economy was diverse and dynamic closely connected through commercial networks with the rest of England and with Europe Asia and North America As such it was vulnerable to hostile acts by supporters of the king both those at large in the country and those within the capital

The English Civil War 1640-1649 Martyn Bennett, 2014-05-12 The English Civil War 1642 53 is one of the most crucial periods in British history Martyn Bennett introduces the reader to the main debates surrounding the Civil War which continue to be debated by historians He considers the repercussions both on government and religion of Parliament s failure to secure stability after the Royalist defeat in 1646 and argues that this opened the way for far more radical reforms The book deals with the military campaigns in all four nations placing the war in its full British and Irish context

## **The English Civil War** Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change.
