Human  
Rights

This event will be  
livestreamed

# The English Judge The Hamlyn Lectures

**Hazel G. Genn, Hazel Genn**

## **The English Judge The Hamlyn Lectures:**

*The English Judge* Henry Cecil, 1970      *Judging Civil Justice* Hazel G. Genn, 2010 A trenchant critique of developments in civil justice that questions modern orthodoxy and points to a downgrading of civil justice      *Fairness in Criminal Justice* Sian Elias, 2018-08-23 In the 2016 Hamlyn Lectures Chief Justice of New Zealand Dame Sian Elias critiques recent changes in criminal justice systems      *The UK and European Human Rights* Katja S Ziegler, Elizabeth Wicks, Loveday Hodson, 2015-10-22 The UK's engagement with the legal protection of human rights at a European level has been at varying stages pioneering sceptical and antagonistic The UK government media and public opinion have all at times expressed concerns about the growing influence of European human rights law particularly in the controversial contexts of prisoner voting and deportation of suspected terrorists as well as in the context of British military action abroad British politicians and judges have also however played important roles in drafting implementing and interpreting the European Convention on Human Rights Its incorporation into domestic law in the Human Rights Act 1998 intensified the ongoing debate about the UK's international and regional human rights commitments Furthermore the increasing importance of the European Union in the human rights sphere has added another layer to the relationship and highlights the complex relationships between the UK government the Westminster Parliament and judges in the UK Strasbourg and Luxembourg The book analyses the topical and contentious issue of the relationship between the UK and the European systems for the protection of human rights ECHR and EU from doctrinal contextual and comparative perspectives and explores factors that influence the relationship of the UK and European human rights      Reason Curve, Jury Competence, and the English Criminal Justice System Bethel Erastus-Obilo, 2009 Reason Curve Jury Competence and the English Criminal Justice System a cross jurisdictional and cross disciplinary book seeks to stimulate discussion and extend the debate in the area of criminal trials in light of the absence of an articulated explanation for a verdict The book traces the history and development of the jury from the Carolingian kings its advancement in the English Courts following papal intervention the impact of the Magna Carta to its general use current curtailment in England and Wales and re emergence in Continental Europe Central to the book's submission is the dictum that the jurors franchise to deliver a cryptic verdict is a matter between them and their conscience In light of human and civil rights movements the book advances arguments that a cryptic verdict may offend the principle of fair trials in criminal justice This is amplified by the presence of a developing and significant body of law that demands that decisions by public officers be accompanied by articulated pronouncements regarding the basis for their decision While the book does not contend with the sanctity of jury deliberations and recognizes the difficulties associated with reason articulation by lay assessors it argues that the jury continuum provides a fertile ground not only for articulating a verdict in light of human experiences but also for generating the reason curve which provides legitimacy for that verdict Furthermore the reason curve argues that it is entirely possible for the jury to articulate its reasons provided the Criminal Justice System makes provisions not just to

expect an explained verdict from the jury but also provides it with the necessary facilities needed for compliance Exploring research and sources in the fields of law and psychology in Europe the USA and other jurisdictions around the world this book is written for an international audience as a catalyst for the student of legal jurisprudence who has interests in the concepts of reason accountability transparency and human rights in the criminal justice system It is also written for the cognitive and behavioral psychologist with an interest in lay decision making in criminal trials In the large legal jurisdictions of the USA and Canada the right to a jury trial is enshrined in state articles As such there is less tinkering with the institution In England and Wales where Parliament is supreme and the constitution is unwritten no such right exists Consequently the government enjoys tremendous leeway in tinkering with the right to jury trial Whether or not the institution can evolve to deliver a 21st Century approach is a matter for full debate research and the march of time

*The English Legal System* David Kelly, 2017-07-14 Slapper and Kelly's *The English Legal System* explains and critically assesses how our law is made and applied Trusted by generations of academics and students this authoritative textbook clearly describes the legal rules of England and Wales and their collective influence as a sociocultural institution This latest edition of *The English Legal System* has been substantially updated Slapper Kelly can always be relied upon for accurate and reliable coverage of all of the latest developments which impact on the legal system in England and Wales Key learning features include useful chapter summaries which act as a good check point for students food for thought questions at the end of each chapter to prompt critical thinking and reflection sources for further reading and suggested websites at the end of each chapter to point students towards further learning pathways an online skills network including how to's practical examples tips advice and interactive examples of English law in action Relied upon by generations of students Slapper and Kelly's *The English Legal System* is a permanent fixture in this ever evolving subject

**The Place of the Explained Verdict in the English Criminal Justice System: Decision-making and Criminal Trials** Bethel G. A. Erastus-Obilo, 2008-10-30 Lay participation in the criminal justice process in the form of a jury is a celebrated phenomenon throughout the common law jurisdictions While not claiming credit for its origin England as the latent cradle of the modern jury disseminated this mode

**Judges on Trial** Shimon Shetreet, Sophie Turenne, 2013-10-24 This study of the English judiciary stimulates a discussion of the factors shaping judicial independence including accountability and constitutional adjudication

*The Three Paths of Justice* Neil Andrews, 2011-09-28 This book presents a concise account of the English system of civil litigation covering court proceedings in England and Wales It is an original and important study of a system which is the historical root of the US litigation system The volume offers a comprehensive and properly balanced account of the entire range of dispute resolution techniques As the first book on this subject to be published in the USA it enables American lawyers to gain an overview of the main institutions of English Civil Procedure including mediation and arbitration It will render the English system of civil justice accessible to law students in the US practitioners of law professors judges and policy makers

*Lives of the Law* Tom

Bingham, 2011-09-01 Tom Bingham 1933 2010 was the greatest judge of our time The Guardian a towering figure in modern British public life who championed the rule of law and human rights inside and outside the courtroom Lives of the Law collects Bingham's most important later writings in which he brings his distinctive engaging style to tell the story of the diverse lives of the law its life in government in business and in human wrongdoing Following on from The Business of Judging 2000 the papers collected here tackle some of the major debates in British public life over the last decade from reforming the constitution to the growth of human rights law They offer Bingham's distinctive insight on issues such as the role of the judiciary in a democracy the implementation of the Human Rights Act and the development of the rule of law in the UK and internationally Written in the accessible style that made The Rule of Law 2010 a popular success the book will be essential reading for all those working in law and an engaging inroad to understanding modern constitutional and legal debates for the general reader

**GAARs and Judicial Anti-Avoidance in Germany, the UK and the EU** Markus Seiler, 2016-06-28 GAARS the better insight into a country's tax system In a post BEPS tax world and in times of an ever increasing need for tax revenue policy makers are more willing than ever to tighten or adopt General Anti Avoidance Rules GAARs A GAAR is typically a broad principle based rule trying to establish the borderline between abuse and use of a law thereby addressing the phenomenon that as long as there have been taxes persons have been trying to reduce their tax bills This award winning book compares the GAARs and judicial anti avoidance approaches of Germany the UK and the EU It gives a deep insight into the predominant legal traditions of the Western World comprehensively analyses case law and offers unique perspectives on tax law across jurisdictions This book reveals that there is no other feature of tax law that provides a better insight into a country's tax system than its anti avoidance rules GAARs and their historical background reveal so much about judicial perspectives on taxation and legal interpretation citizens tax morale drafters inclinations for technical or principled drafting or legislators willingness to confront politically sensitive issues Understanding the role of GAARs ultimately also reveals whether they are a suitable means to counteract tax avoidance effectively The Book is the winner of the Wolfgang Gassner Wissenschaftspreis 2016

**AB Bookman's Weekly**, 1999

**A Magna Carta for all Humanity** Francesca Klug, 2015-05-08 The Magna Carta sealed in 1215 has come to stand for the rule of law curbs on executive power and the freedom to enjoy basic liberties When the Universal Declaration of Human Rights was adopted by the United Nations in 1948 it was heralded as a Magna Carta for all human kind Yet in the year in which this medieval Charter's 800th anniversary is widely celebrated the future of the UK's commitment to international human rights standards is in doubt Are universal values commendable as a benchmark by which to judge the rest of the world but unacceptable when applied at home Francesca Klug takes us on a journey through time exploring such topics as British values natural rights enlightenment values and legal rights to convey what is both distinctive and challenging about the ethic and practice of universal human rights It is only through this prism she argues that the current debate on human rights protection in the UK can be

understood This book will be of interest to students of British Politics Law Human Rights and International Relations The Office of Lord Chancellor Diana Woodhouse,2001-05-21 This book analyses the development and current position of the Lord Chancellor in his various roles The English Legal System Gary Slapper,David Kelly,2009-04-15 First Published in 2009 Routledge is an imprint of Taylor Francis an informa company **Shaping EU Law the British Way** Graham Butler,Adam Lazowski,2022-11-17 In this book leading scholars of EU law judges and practitioners unpack the judicial reasoning offered by the UK Advocates General in over forty cases at the Court of Justice which have influenced the shape of EU law The authors place the Opinions in the wider context of the EU legal order and mix praise with critique in order to determine the true contribution of the UK Advocates General before hearing the concluding reflections by the UK Advocates General themselves The role of Advocates General at the Court of Justice of the European Union remains notoriously under researched With a few notable exceptions not much ink has been spilled on analysing their contribution to the judicial discourse that emerges from the Court s Palais in Luxembourg More generally their impact on the shaping of EU law is only sporadically explored This book fills the lacunae by offering an in depth analysis of the way in which the UK Advocates General contributed to development of EU law during 47 years of the UK s membership of the EU During their terms of office Advocates General Jean Pierre Warner 1973 1981 Gordon Slynn 1981 1988 Francis Jacobs 1988 2006 and Eleanor Sharpston 2006 2020 delivered over 1400 Opinions This staggering contribution of the four individuals and their cabinets of legal secretaries was supplemented by an Opinion of a then Judge of the Court of First Instance David Edward who was called to act as an Advocate General in two joined cases in what is now the General Court With the last UK Advocate General departing from the Court of Justice in September 2020 an important era has ended With this watershed moment it is apt to take a look back and critically analyse the contribution to development of EU law made by the UK Advocates General and to elucidate the lasting impact they have had on the nature of EU law **The Common Law of Obligations** Andrew Robertson,Michael Tilbury,2016-01-28 The development of the law of obligations across the common law world has been and continues to be a story of unity and divergence Its common origins continue to exert a powerful stabilising influence carried forward by a methodology that places heavy weight on the historical foundations of legal principles Divergence is however produced by numerous factors including national and international human rights instruments local statutory regimes civil law influences regional harmonisation local circumstances and values and different political and legal cultures The essays in this collection explore the forces that produce divergence the countervailing forces that generate cohesion and consistency in the common law of obligations and the influence that the major common law jurisdictions continue to exert over one another in this area of law The chapters in this book were originally presented at the Seventh Biennial Conference on the Law of Obligations held in Hong Kong in July 2014 A second collection entitled Divergences in Private Law ISBN 9781782256601 will focus on particular departures from the common law mainstream and the causes and effects of those deviations

**Human Rights in the UK and the Influence of Foreign Jurisprudence** Hélène Tyrrell, 2018-09-20 Longlisted for the 2022 Inner Temple Main Book Prize Human Rights in the UK and the Influence of Foreign Jurisprudence represents the first major empirical study of the use of foreign jurisprudence at the UK Supreme Court This book focuses on the patterns of use and non use of rulings from foreign domestic courts in human rights cases before the UK Supreme Court Results are drawn from quantitative and qualitative research presenting data from the first eight years of Supreme Court activity The evidence includes interviews with active and former members of the senior judiciary as well as a focus group including some of the Supreme Court Judicial Assistants It is argued that foreign jurisprudence is more intimately woven into the fabric of judicial reasoning and serves a wider range of functions than the term persuasive authority might imply Foreign jurisprudence is used mainly as a heuristic device providing judges with a fresh analytical lens Foreign jurisprudence is also important when interpreting a common legislative scheme supporting dialogue between the Supreme Court and supranational courts such as the European Court of Human Rights The perspectives offered by foreign jurisprudence can also support a stronger conception of domestic human rights In these ways this book addresses a broader political question about the source of human rights in the UK

**English Law Under Two Elizabeths** John Hamilton Baker, 2021-01-28 A novel experiment in comparative legal history exploring the legal world in England during two different periods

**Rumpole and His Rivals** Peter Robson, 2025-02-15 Rumpole and His Rivals examines comic legal fiction and the role it plays in the public's understanding of the legal system The work focuses on the writings of eight lawyer authors over the past century and traces the different approaches taken in this form of comedic literature Over sixty comic legal fiction books have been published in Britain between 1924 and 2024 with the desire of their authors not only to entertain but to inform educate and create a valuable resource for anyone seeking to understand how and why the rule of law and legal profession have garnered the current reputation and level of confidence which they have

If you ally craving such a referred **The English Judge The Hamlyn Lectures** book that will come up with the money for you worth, get the unconditionally best seller from us currently from several preferred authors. If you want to humorous books, lots of novels, tale, jokes, and more fictions collections are with launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every books collections The English Judge The Hamlyn Lectures that we will totally offer. It is not as regards the costs. Its virtually what you obsession currently. This The English Judge The Hamlyn Lectures, as one of the most in action sellers here will agreed be along with the best options to review.
