

The Ethos of Restoration Comedy

BEN ROSS SCHNEIDER, JR.

The Ethos Of Restoration Comedy

Murray Roston

The Ethos Of Restoration Comedy:

The Ethos of Restoration Comedy Ben Ross Schneider, 1971 *The Ethos of Restoration Comedy* Ben Ross Schneider (Jr.), 1971 **Restoration Comedy** Edward Burns, 1987-07-28 What is Restoration comedy What pleasure does it offer its audience and what significance does it find in exploring that pleasure Edward Burns here provides a new account of the origins and nature of Restoration comedy as a distinct genre The book enlarges the usual focus with a wider range of writers than the conventional ossified canon taking in a revaluation of many rarely studied dramatists a reconsideration of pastoral and the instatement of women writers as major contributors to the culture of the age It offers a substantial and original interpretation of one of the most intriguing of seventeenth century literature forms *Critics, Values, and Restoration Comedy* John T. Harwood, 1982 Granting that literature delights Harwood addresses the moral questions that have been hotly debated by critics for the 300 years since Restoration comedy flourished In what way does literature teach How do beliefs about its effects on audiences shape critics responses to and judgment of literature Harwood begins with a survey of the major rhetorical strategies by which many critics transform themselves at least momentarily and perhaps unconsciously into moralists when they deal with restoration comedy Then he places various moral responses in a broader critical context by analyzing ways in which critics have traditionally handled aesthetic problems which inevitably entail an ethical assessment of literature Third he analyzes the moral dimensions of four controversial Restoration comedies William Wycherley's *Country Wife* Edward Ravenscroft's *London Cuckolds* Thomas Otway's *Souldiers Fortune* and Thomas Shadwell's *Squire of Alsatia*

The Ethos of Drama Robert L. King, 2010-04-26 A groundbreaking approach to drama criticism [The Cambridge Companion to English Restoration Theatre](#) Deborah Payne Fisk, 2000-05-11 Fourteen specially commissioned essays provide essential information about staging playwrights themes and genres in the drama of the Restoration **Oscar Wilde's Society Plays** Michael Y. Bennett, 2016-01-12 As the first collection of essays about Oscar Wilde's comedies the contributors re evaluate Oscar Wilde's society plays as comedies of manners to see whether this is actually an apt way to read Wilde's most emblematic plays Focusing on both the context and the texts the collection locates Wilde both in his social and literary contexts **Perspectives on Restoration Drama** Susan J. Owen, 2002 This book introduces students to drama from the Restoration of Charles II in 1660 to the early 18th Century Susan Owen offers representative coverage of new forms of drama in this period and of ways in which old forms are altered Her study covers heroic drama comedy tragedy tragicomedy and Shakespeare adaptations by focusing on specific dramatic highlights and giving close reading of particular plays

Theory and Tradition in Eighteenth-century Studies Richard B. Schwartz, 1990 This is a collection of nine essays by senior scholars Donald Greene Morris R Brownell Richard B Schwartz Howard D Weinbrot Maximillian Novak J Paul Hunter John H Middendorf Shirley Strum Kenny and Gwin J Kolb They draw from their own experiences as students and scholars to assess the past and present position of theory in eighteenth century studies and to discuss the important areas of scholarship

that remain relatively unexplored often proposing specific projects Some essays are controversial all are lively and personal The essays evolved from a 1987 conference held at Georgetown University the first such conference to examine the state of eighteenth century literary studies in fifteen years John Dryden David J. Latt, Samuel Holt Monk, 1976-04-12 John Dryden was first published in 1976 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions This annotated bibliography represents a comprehensive updating of Samuel Holt Monk's earlier work also published by the University of Minnesota Press John Dryden A List of Critical Studies Published from 1895 to 1948 out of print Since the publication of that earlier bibliography the number of studies devoted to Dryden has more than tripled and thus this new bibliography is essential for scholars of Dryden or related aspects of seventeenth and eighteenth century English literature This volume contains four times as many entries as the earlier volume and there is an extensive introduction by Professor Latt which surveys the historical shifts in critical opinion of Dryden The new volume incorporates all of the listings contained in the first one The entries include works that focus directly on Dryden those that discuss Dryden's works in the context of other writers and those that investigate material of general importance to Dryden studies Dissertations from American German English and French universities are included Complete bibliographic information is provided for virtually every entry The listings are grouped in nine categories and there is an additional section which covers festschriften and other collections of essays Works of exceptional value and those which develop new points of view are so designated The publishing history of each item is included along with the standard bibliographic information The index includes topical as well as author entries Coyness and Crime in Restoration Comedy Peggy Thompson, 2012 Coyness and Crime examines the extraordinary focus on feminine coyness in forty English comedies by ten diverse playwrights of the late seventeenth century In contexts ranging from reaffirmations of church and king to emerging interests in liberty and novelty these plays consistently reveal women caught in an ironic and nearly intractable convergence of objectification and culpability that allows them little innocent sexual agency this is both the source and the legacy of coyness in Restoration comedy English Drama Richard W. Bevis, 2014-06-06 What were the causes of Restoration drama's licentiousness How did the elegantly turned comedy of Congreve become the pointed satire of Fielding And how did Sheridan and Goldsmith reshape the materials they inherited In the first account of the entire period for more than a decade Richard Bevis argues that none of these questions can be answered without an understanding of Augustan and Georgian history The years between 1660 and 1789 saw considerable political and social upheaval which is reflected in the eclectic array of dramatic forms that is Georgian theatre's essential characteristic **Theatre and Culture in Early Modern England, 1650-1737** Catie Gill, 2017-03-02 Framed by the publication of Leviathan and the 1713 Licensing Act this collection provides analysis of both canonical and non canonical texts within the scope of an eighty year period of theatre history allowing for definition and assessment that uncouples

Restoration drama from eighteenth century drama Individual essays demonstrate the significant contrasts between the theatre of different decades and the context of performance paying special attention to the literary innovation and socio political changes that contributed to the evolution of drama Exploring the developments in both tragedy and comedy and in literary production specific topics include the playwright s relationship to the monarch women writers connection to the audience the changing market for plays and the rise of the bourgeoisie This collection also examines aspects of gender and class through the exploration of women s impact on performance and production masculinity and libertinism master servant relationships and dramatic representations of the coffee house Accompanied by a list of Spanish English plays and a chronology of monarch s reigns and significant changes in theatre history From Leviathan to Licensing Act is a valuable tool for scholars of Restoration and eighteenth century performance providing groundwork for future research and investigation

The Comic Mode in English Literature Murray Roston,2011-10-27 An introductory guide to comedy in English literature that systematically applies comic theory to a wide range of texts from Chaucer to Bridget Jones s Diary

Comedy, an Annotated Bibliography of Theory and Criticism James E. Evans,1987 No descriptive material is available for this title *Imaginary Plots and Political Realities in the Plays of William Congreve* Maximillian E.

Novak,2020-06-30 William Congreve was deeply involved in the events of his turbulent times That involvement reveals itself in works which have sometimes been regarded as entirely unengaged with the realities of his society This book attempts to read Congreve s plays and his novella Incognita against the political and social upheaval of the period initiated by the rebellion of 1688 A strong supporter of the new world ushered in by William III and Mary Congreve fought against the reactionary politics of the Jacobite opposition **Thomas Durfey and Restoration Drama** John McVeagh,2017-03-02

Though once a favourite of no fewer than four English monarchs Restoration playwright Thomas Durfey has long been neglected by scholars In his own day he had a lowly reputation in the world of polite letters before his death his plays had more or less ceased to be produced his serious poems had died long before that and even his songs were soon thought of as common property or folk songs In this new study author John McVeagh re examines Durfey s literary output finding merit and interest where it has long been presumed that none existed and restoring Durfey to his proper place in late 17th and early 18th century literature Durfey s creative lifetime spanned the entire Restoration period and continued into and beyond the reign of Queen Anne McVeagh s book studies his continuing ability to adapt to shifts in taste fashion and personnel in the world of the theatre It examines in detail his numerous experiments in new kinds of dramatic writing both responding to and influencing the conditions of theatrical and artistic production Among the topics covered are Durfey s attempts to feminize Restoration comedy his political satires in drama in the late Stuart years his anticipations of sentimental comedy his search for a new language for lower class tragedy and his musical dramatic experimentations in the 1680s and 1690s focusing particularly on his collaborative work with Matthew Locke Samuel Ackroyde John Eccles Daniel and Henry Purcell and other

composers In addition the author discusses Dufey s numerous satiric narrative and other poems and relates his writings to their social political and cultural contexts The book includes a performance record listing the plays by performance date The record includes such information if known as where it was performed by what company cast list to whom it was dedicated a brief description of the prologue and epilogue when it was published what music it contained and details of any revivals

Three Restoration Comedies George Etherege, William Congreve, William Wycherley, 2005-11-24 After the restoration of King Charles II to the British throne in 1660 dramatists experienced new freedom in an age that broke from the strict morality of puritan rule and in which elegance and wit became the chief virtues Irreverent licentious and cynical the three plays collected here hold up a mirror to this dazzling era and satirize the gulf between appearances and reality In Etherege s *The Man of Mode* 1676 the womanizing Dorimant meets his match when he falls in love with the unpretentious Harriet while Wycherley s *The Country Wife* c 1675 depicts the rakish Horner who fakes impotence to fool trusting husbands into giving him easy access to their wives And in Congreve s *Love for Love* 1695 the extravagant Valentine can only win his beloved Angelica if he loses his inheritance

French and Russian in Imperial Russia Derek Offord, 2015-06-29 This is the second of two companion volumes which examine language use and language attitudes in eighteenth and nineteenth century Russia focusing on the transitional period from the Enlightenment to the age of Pushkin Set against the background of the rapid transformation of Russia into a major European power the two volumes of *French and Russian in Imperial Russia* consider the functions of multilingualism and the use of French as a prestige language among the elite as well as the benefits of Franco Russian bilingualism and the anxieties to which it gave rise This second volume *Language Attitudes and Identity* explores the impact of French on Russian language attitudes especially among the literary community It examines the ways in which perceptions of Russian francophonie helped to shape social political and cultural identity as Russia began to seek space of its own in the European cultural landscape In the process it investigates approaches to translation journalistic debate about language literary representation of devotees of French social practice and fashion and manifestations of linguistic purism and patriotism A comprehensive and original contribution to the multidisciplinary study of language the two volumes address from a historical viewpoint subjects of relevance to sociolinguists especially bilingualism and multilingualism social and cultural historians social and national identity linguistic and cultural borrowing Slavists the relationship of Russian and western culture and students of the European Enlightenment Neo Classicism Romanticism and cultural nationalism

Gender, Theatre, and the Origins of Criticism Marcie Frank, 2002-11-28 In *Gender Theatre and the Origins of Criticism* Marcie Frank explores the theoretical and literary legacy of John Dryden to a number of prominent women writers of the time Frank examines the pre eminence of gender sexuality and the theatre in Dryden s critical texts that are predominantly rewritings of the work of his own literary precursors Ben Jonson Shakespeare and Milton She proposes that Dryden develops a native literary tradition that is passed on as an inheritance to his heirs Aphra Behn

Catharine Trotter and Delarivier Manley as well as their male contemporaries Frank describes the development of criticism in the transition from a court sponsored theatrical culture to one oriented toward a consuming public with very different attitudes to gender and sexuality This study also sets out to trace the historical origins of certain aspects of current criticism the practices of paraphrase critical self consciousness and performativity

If you ally craving such a referred **The Ethos Of Restoration Comedy** book that will provide you worth, acquire the totally best seller from us currently from several preferred authors. If you desire to humorous books, lots of novels, tale, jokes, and more fictions collections are afterward launched, from best seller to one of the most current released.
