The Ex John Lutz, 2005-09-27 What Deirdre wants Deirdre gets no matter who has to die **The Ex-Debutante** Linda Francis Lee, 2008-04-01 When Carlisle Wainwright Cushing left her native Texas to start a new life in Boston she had no regrets The former Texas debutante who never felt at home in her Southern skin had found liberation or so she thought Until the day she gets an urgent call from her mother reporting that one the Symphony Association Debutante Ball which Carlisle's family has sponsored for years is about to be called off Two her mother's divorce has the whole town talking And three the family's good name is at stake and Carlisle is the only one who can fix it all So Carlisle takes a leave of absence from her law firm and goes to Texas to help Her fiancé who has no idea she's an heiress can't know that she's organizing the ball handling the dramas of the girls involved settling her mother's suit and coming face to face with the true love of her life whom she ran out on when she left Texas Her trip home challenges Carlisle's sense of herself and brings the pieces of her past together so that when she finally re-meets the man of her dreams she's in a perfect place to tempt fate **The Ex-Prisoner's Dilemma** Andrea M. Leverentz, 2014-03-20 When a woman leaves prison she enters a world of competing messages and conflicting advice Staff from prison friends family members workers at halfway houses and treatment programs all have something to say about who she is who she should be and what she should do The Ex Prisoner's Dilemma offers an in-depth firsthand look at how the former prisoner manages messages about returning to the community Over the course of a year Andrea Leverentz conducted repeated interviews with forty-nine women as they adjusted to life outside of prison and worked to construct new ideas of themselves as former prisoners and as mothers daughters sisters romantic partners friends students and workers Listening to these women along with their family members friends and co-workers Leverentz pieces together the narratives they have created to explain their past records and guide their future behavior She traces where these narratives came from and how they were shaped by factors such as gender race maternal status age and experiences in prison halfway houses and twelve-step programs factors that in turn shaped the women's expectations for themselves and others' expectations of them The women's stories form a powerful picture of the complex complicated human experience behind dry statistics and policy statements regarding prisoner reentry into society for women how the experience is different for men and the influence society plays With its unique view of how society's mixed messages play out in ex-prisoners' lived realities The Ex Prisoner's Dilemma shows the complexity of these women's experiences within the broad context of the war on drugs and mass incarceration in America It offers invaluable lessons for helping such women successfully rejoin society **The Ex-Wives' Guide to Divorce** Holiday Miller, Valerie Shepherd, 2016-08-16 Witnessing a woman go through divorce is like watching a tornado tear up a trailer park Not only is someone losing their home and life as they know it but for most women it seems to go down with some extra drama thrown in the mix This is where the advice of authors Holiday Miller and Valerie Shepherd two experts in all things divorce comes in handy Their unique friendship began after they had both married and divorced the

same man The Ex Wives Guide to Divorce was born from this friendship with the goal to ease women s fears save them money and give them a road map of what lies ahead It will motivate women to get their head out of the sand and build their future dream sand castle by themselves sans Prince Charming Divorce is painful heartbreaking and pretty miserable for everyone involved While men tend to champion the process most women collapse and become emotionally distracted Miller and Shepherd s experience is while the husband is gathering ammunition with his high paid attorney the wife is frantic and disorganized most likely spending her energy on the phone with her best friend or sister instead of preparing herself for the battle ahead This helpful guide teaches women how to manage the business of divorce in a focused realistic and organized manner Miller and Shepherd aren t lawyers or psychologists but they ve experienced the process first hand and offer advice on how to build a support system and come out ahead This book charges women to put their big girl panties on and maintain a tenacious spirit while preparing and organizing for their divorce The Ex-Wife's Survival Guide Debby Holt,2010-06-15
