Yagnam and Other Stories Kālīpaṭṇaṃ Rāmārāvu, 2006 **The Old Man in a State House & Other Stories** Tanure Ojaide, 2012 The Old Man in a State House and Other Stories is a literary canvas which captures the restless matrix that is today's Africa the corruptive influence of a corrosive oil economy environmental degradation wealth and hubris love and more Tanure Ojaide has published sixteen collections of poetry a memoir three novels two short story collections and scholarly works He has numerous literary prizes and is currently the Frank Porter Graham Professor of Africana Studies at the University of North Carolina at Charlotte The Noonday Cemetery and Other Stories Gustaw Herling-Grudziński, 2003 Selected by The Los Angeles Times Book Review as one of the Ten Best Fiction Books of 2003 **The Box Social and Other Stories** James Reaney, 1996 The Box Social Other Stories gathers together nine of James Reaney's short fictions written in the 40s and early 50s and never previously collected in book form The collection takes its title from a short piece the author originally published in the University College Undergrad and which provoked a firestorm of eight hundred angry letters from subscribers when it was republished nationally in the New Liberty in the late 40s It also thwarted the young author's designs on the editorship of the Undergrad because of his clear moral unsuitability for such an august position This is doubtful because the Undergrad eventually came to be edited thirty years later by PQL publisher Tim Inkster The Box Social is remarkable not only that it introduced the theme of date rape to Canadian literature some thirty years before the phrase was coined but also that it is told from Sylvia's point of view and yet again that it ends with one of the quietest lines of literary vitriol imaginable I hated you so much she said softly If Alice Munro has put the sexually awakening female under glass in Lives of Girls and Women then The Box Social could just as easily have been titled Lives of Boys and Men In The Bully the brutality of what passes for etiquette in secondary school is contrasted with the simpler life of the farm personified in Noreen who drops grain in the shape of letters to feed her chickens so that when the hens ate the grain they were forced to spell out Noreen's initials or to form a cross and circle There were just enough hens to make this rather an interesting game Sometimes I know Noreen spelled out whole sentences in this way a letter or two each night and I often wondered to whom she was writing up in the sky The Bully was included in The New Oxford Book of Canadian Short Stories edited by Margaret Atwood and Robert Weaver The young Margaret Atwood first encountered The Bully as an undergraduate She read the story oddly enough in an anthology edited by Robert Weaver and the experience was apparently seminal to her own development as a writer of fiction **The Raid and Other Stories** graf Leo Tolstoy, 1999 This collection of Tolstoy's stories includes Sevastopol Two Hussars Albert What Men Live By Master and Man How Much Land Does a Man Need The Death of Ivan Ilych The Three Hermits and the title piece The Clown of White Field & Other Stories Mona Verma, 2017 The Clown

of White Fields is a collection of 7 stories set in various parts of the world and a common thread of mysticism unites them. They are stories about children and people from small places who have a secret each. The enchanted world they live in, they are possessed by magic and the illusory world of dreams. Be it Anatoly's special powers or Siom's hatred for his step mother Oddvar's shame of poverty Azec's magical circus or Ravana's soul wanderings, they all brave the oddities as time affords them clarity and strength. The book attempts to bring back the lost era of storytelling with illusory and mystical undertones that a child's innocence craves for.
