**The Works: The expedition of Humphry Clinker** Tobias Smollett,1908 **The Expedition of Humphry Clinker, By Tobias Smollett (World's Classics)** Tobias George Smollett,2016-06-20 The Expedition of Humphry Clinker was the last of the picaresque novels of Tobias Smollett published in London on 17 June 1771 just three months before Smollett s death and is considered by many to be his best and funniest work It is an epistolary novel presented in the form of letters written by six characters Matthew Bramble a Welsh Squire his sister Tabitha their niece Lydia and nephew Jeremy Melford Tabitha s maid Winifred Jenkins and Lydia s suitor Wilson uch of the comedy arises from differences in the descriptions of the same events by the participants Attributions of motives and descriptions of behaviour show wild variation and reveal much about the character of the teller The setting amidst the high society spa towns and seaside resorts of the 18th century provides his characters with many opportunities for satirical observations on English life and manners The author s travels in Scotland France and Italy helped provide inspiration for the plot Matthew Bramble his family and servants are traveling through England and Scotland Although the primary motivation for the expedition is to restore the health of the gouty Matthew Bramble each member of the family uses the excursion to achieve their ends Leaving from Bramble s estate Brambleton Hall in the south western corner of England the family passes through many cities making extended or significant stops at Gloucester Bath London Harrogate Scarborough and Edinburgh The splenetic patriarch Matthew Bramble visits various natural spas to alleviate his health problems and he corresponds primarily with his physician Dr Lewis Through his letters and those of Jeremy it is revealed that Bramble is misanthropic and something of a hypochondriac Despite his frequent complaints he is generally reasonable and extremely charitable to the people he meets

on his travels as well as to his servants and wards back at home His letters introduce and ridicule significant eighteenth century concerns such as medicine the growth of urban life class the growth of the periodical press and the public sphere His growing disillusionment at the changing moral and social landscape of England embodies his traditionalist perspective and reveals the absurdities of contemporary culture His sister Tabitha Bramble is a foolish and cantankerous spinster who uses the expedition as an excuse to search for a husband Through her correspondence with Mrs Gwyllim the house keeper at Brambleton Hall Tabitha reveals her selfishness and lack of generosity towards servants and the impoverished Her social pretensions are rendered all the more comical by her frequent misunderstandings misuse of common idioms and atrocious spelling Tabitha s servant Winifred or Win Jenkins also corresponds with the servants at Brambleton Hall As the only correspondent not related to Matthew Bramble Ms Jenkins offers a sympathetic and humorous perspective on the family and their travels As a comic foil to Tabitha Bramble Win Jenkins shares many of her misspellings and malapropisms but demonstrates considerably more common sense and intuition in her observation of the family At London she becomes infatuated with Humphry Clinker and Methodism both Bramble s nephew Jeremy Melford is a young man looking for amusement Corresponding primarily with Sir Watkin Phillips of Jesus College Oxford Jery also reflects upon issues of city life class and the growing public sphere but often with a more progressive perspective than that of his rather traditional uncle Despite his generously democratic views and his astute perceptions of the hypocrisy and absurdity of others he is as revealed through Bramble s letters hot headed and prone to rash anger and impulsive defenses of perceived slights to his family honor especially when it relates to his sister s interest in a stage actor below her status
