## **The Exploding Mystery Of Prayer:**

The Exploding Mystery of Prayer Helen Smith Shoemaker, 1980      **The Mysteries of Prayer** DAVID JEAN ALAIN MUTAMBA, 2011-08-03 The apostles asked Jesus to teach them how to pray like John had taught his disciples We all think we know already how to pray therefore teaching about prayer is not necessary Everyone knows how to pray Why would there still be a need to teach us how to pray Well there is indeed a need to be instructed how to Prayer seems a simple thing to do but actually it is one of the most complex things to do It is a science If we are not aware of the laws of prayer God does not answer nothing happens and all become quite complicated The capacity to pray along with knowledge is what we have that is most precious You may not have a vast knowledge you may not know all the secrets of the Bible however there is at least one thing that you can do and that is to pray Now if prayer is the first gift you have received then take precious care of this gift You must take good care of it because it has the capacity to save you in times of trouble This book will change your approach toward prayer and will introduce you in an era of answered prayers like never before if you apply these instructions In this book you will realize how heaven can be so near to us A book for all the lovers of prayer      **The Living Church** ,1945

Paradoxes, Mysteries, Riddles, Enigmas, and Comfort for Christians Gerald C. Primm, 2002-05. Several years ago I republished the rare Spurgeon book *The Mourner's Comforter*. The printing sold out in a very short time. I have plans to reprint that book again soon. The success of that book has had much to do with my undertaking this new reprint of some of Spurgeon's sermons on comfort and encouragement. It is especially suitable for persons who struggle with depression. Spurgeon was considered by many in his day as the greatest living preacher of the gospel. Since his death in 1892 his works have been reprinted by many publishers. His primary work was a sixty three volume set of more than 3 000 sermons. Pilgrim Publications has reprinted the complete set of sermons with a separate index of the Scripture texts and sermon titles making it relatively easy to find material on almost any subject. These sermons have also been recorded on a CD ROM disk by the Ages Digital Library. It has been one of the great pleasures of my life to select, arrange and edit the material in this book. The editing has been confined primarily to spelling, example, labour to labor, etc. Some additions have been made such as adding the first names of persons not as familiar to the public today. Some time references have been eliminated. For instance, statements such as "I spoke to you on Thursday last week" have been removed as being irrelevant to the message. In some cases I have substituted a new word for one that is not familiarly used today. Ship or boat was substituted for barque, etc. However, sentence structure has been left as originally written and care has been taken not to change the meaning of any statements or doctrines expounded by Mr Spurgeon. Gerald C Primm, editor.
