The Realization Book* Janet McClure,Lillian Harben,1997-06-01 What is a realization It is bringing together making real and understanding where you are now with respect to a certain area of your life usually a certain large area in your life Suddenly something that you didn t see or understand previously becomes crystal clear especially to the mental body If you recognize that you create your own life from your beliefs about yourself and this book is based on that premise then you know also that you can change your life improve it by changing the beliefs that are not serving you well Usually however to make a complete change it is necessary to recognize or realize more than just mentally Your emotional body s beliefs and needs must be met The emotional body needs to feel supported as you change this pattern The emotional works through feelings and symbols but its conclusions are just as valid just as meaningful and even more powerful than the mental conclusions In this book I Vywamus have given many possible causes of a lot of undesirable or unclear circumstances that you may be mirroring in your life You can read the sections and see if they seem to apply to what you are mirroring into your life from your beliefs If you are

manifesting into your life in a way that is not clear then reading this book may give you a light bulb or a realization that you are holding a specific erroneous belief **Shining the Light III** Robert Shapiro, Arthur Fanning, Robert Meyer, 1996-06-01
