The Face And Mind Of Ireland:

The Face & Mind of Ireland Arland Ussher,1950 **The Face and Mind of Ireland** Arland Ussher,1949 **The Government and Politics of Ireland** Basil Chubb,2014-06-17 The third edition of Government and Politics in Ireland has been updated to take account of the political developments that have taken place in Ireland between 1981 and 1991 Amongst the topics covered are political parties pressure groups the government and the Dail and local government **Louis MacNeice and the Irish Poetry of his Time** Tom Walker,2015-09-17 This study focuses on Louis MacNeice's creative and critical engagement with other Irish poets during his lifetime It draws on extensive archival research to uncover the previously unrecognised extent of the poet's contact with Irish literary mores and networks Poetic dialogues with contemporaries including F R Higgins John Hewitt W R Rodgers Austin Clarke Patrick Kavanagh John Montague and Richard Murphy are traced against the persistent rhetoric of cultural and geographical attachment at large in Irish poetry and criticism during the period These comparative readings are framed by accounts of MacNeice's complex relationship with the oeuvre of W B Yeats which forms a meta narrative to MacNeice's broader engagement with Irish poetry Yeats is shown to have been MacNeice's contemporary in the 1930s reading and reacting to the younger poet's work just as MacNeice read and reacted to the older poet's work But the ongoing challenge of the intellectual and formal complexity of Yeats's poetry also provided a means through which MacNeice across his whole career dialectically developed various modes through which to confront modernity's cultural political and philosophical challenges This book offers new and revisionary perspectives on MacNeice's work and its relationship to Ireland's literary traditions as well as making an innovative contribution to the history of Irish literature and anglophone poetry in the twentieth century *THE FACE AND MIND OF IRELAND.
