Slipping Through the Cracks Zachary Breitenbach, 2021-04-02 Would a good God allow some people to be lost to hell due to the bad luck of their circumstances such as never hearing the Christian gospel Do some who are lost slip through the cracks i e they would have freely chosen to be saved if only God had placed them into different circumstances After surveying and responding to other significant objections within the so called soteriological problem of evil this groundbreaking new work identifies the above as the most difficult soteriological challenge for Christian theism and explores it in great depth Finding William Lane Craig s famous solution to this problem insightful but ultimately inadequate the book proposes an alternative solution that upholds Christian exclusivism the view that one must hear and respond to the gospel to be saved and is both biblically consistent and philosophically plausible It offers an intriguing possibility for how God might ensure that all

people have an opportunity to be saved and that none who are lost slip through the cracks in a way that is inconsistent with God's goodness Additionally the book reveals how its response to this soteriological problem has much value for addressing key aspects of the broader problem of evil **Great Is the Lord** Ron Highfield, 2008-08-15 In keeping with the classic Christian tradition Great Is the Lord sets out the doctrine of God in a way that illumines the mind moves the heart and stirs the soul to praise the triune God Ron Highfield introduces students ministers and others to the traditional doctrine of God held by the majority of the church from the second to the twentieth century God is triune loving merciful gracious patient wise one simple omnipotent omniscient eternal omnipresent immutable impassible and glorious Irenically challenging open theism and process theology Highfield shows that the classical doctrine of God actually preserves our confidence in God s love and his liberating action better than its opponents do This traditional doctrine Highfield argues grounds our dignity and freedom in the center of reality the trinitarian life of God Highfield's work maintains the highest intellectual standards throughout even as it offers a true theology for the praise of God **Christian Beliefs, Revised Edition** Wayne A. Grudem, 2022-02-01 Learn the Teachings of the Bible that Every Christian Must Know Now Revised and Updated Over 300 000 Copies Sold Not every Christian needs to go to seminary but there are certain teachings of the Bible that every Christian should know Whether you re a relatively new believer in Jesus or a mature Christian looking for a better understanding of basics of the faith Christian Beliefs is for you This readable guide to twenty basic Christian beliefs condenses Wayne Grudem s award winning book Systematic Theology prized by pastors and teachers everywhere He and his son pastor Elliot Grudem have boiled down the essentials of theology for everyday Christians and made them both clear and applicable to life Each brief chapter concludes with questions for personal review or group discussion In this revised and updated edition of Christian Beliefs you will learn about The Bible and its authority for our lives The characteristics of God The importance of prayer Angels and the reality of spiritual warfare What it means that we are created in the image of God What God has done for us in Christ The purpose of the church What will happen when Christ returns The biblical understanding of heaven And much more Christian Beliefs is the ideal book for every Christian who wants a solid foundation for understanding the most basic and essential teachings of the Bible Loving God through the Truth, Second Edition Mark Kim, 2023-05-25 The word theology is often construed by many as referring to a very dry and academic discipline only reserved for the professional clergy and seminary professors Many lay Christians in the church are intimidated by the subject and feel it to be a tedious intellectual exercise that is of no use for their spiritual growth and mission of the church In an attempt to address this concern Mark Kim presents here an introductory systematic theology that deals with the core doctrinal topics of Christianity that is accessible for the average layperson The work will engage heavily with Scripture and the voices of the past and present who have contributed to the total theological voice of the church at large In this second edition of the work there is included an extra chapter on the doctrine of the Christian life As pointed out in the first edition of the work theology

should foremost be practical in its results and application The author addresses this concern by including a new chapter discussing the nature of the Christian life and how Christians should live in the world The Naked Christ Dan Le,2012-08-22 The cross of Christ is undeniably central to the Christian faith But how can the cruelty and brutality of a two thousand year old Roman cross touch base with a hedonistic world that has been so desensitized towards violence Within the postmodern setting of a body obsessed culture Christianity urgently requires an innovative and stimulating way of understanding the cross and its atoning significance At the heart of this book is the Naked Christ an emblem through which the author draws on the rich resources of the Christian tradition in its portrayal of the cross He explores how the metaphors of nakedness and clothing can encapsulate aspects of atonement and enable them to be understood within a variety of contemporary contexts The Naked Christ is a useful resource for anyone seeking fresh ways to express what the cross of hand in Hand Randy Alcorn, 2014-10-14 A careful guide through Scripture hand in Christ means to contemporary culture Hand shows us why God's sovereignty and meaningful human choice work together in a beautiful way If God is sovereign how can I be free to choose But if God is not sovereign how can he be God Is it possible to reconcile God's sovereignty with human choice This is one of the most perplexing theological questions It s also one of the most personal In hand in Hand Randy Alcorn says that the traditional approach to this debate has often diminished our trust in God and his purposes Instead of making a one sided argument from select verses Alcorn examines the question in light of all Scripture By exploring what the whole Bible says about divine sovereignty and human choice hand in Hand helps us Carefully and honestly examine the different views on this issue Gain a deeper understanding of God Appreciate God's design in providing us the freedom of meaningful choice See the value in better understanding what we cannot fully understand Learn how to communicate about the issue in clear and compassionate ways More fully experience the unity Christ intends for his Church Includes small group Traditional Worship in Russian-speaking Churches Leonid Mikhovich, 2025-02-28 There is an acute discussion questions lack of a theology of worship in Baptist Russian speaking contexts with the ramifications of the Tsarist and later Soviet persecution limiting its development even to this day While there is now opportunity to do so developing a theology of worship in the local context is imperative Filling this gap Dr Leonid Mikhovich considers the historical religious and political contexts that have influenced Russian speaking worship Drawing examples from the Baptist movement in Belarus Dr Mikhovich analyzes its various influences and explores conflict arising between local and foreign traditions within the process of adopting some Western structures for the Eastern situation The results prompt reflection on the different expressions of worship and the underlying convictions present in respective cultural contexts while also offering counsel for dealing with tensions between liturgical practices and authoritative voices in the Baptist tradition As the first of its kind worship and church history scholars will find this comprehensive study into traditional Russian speaking worship invaluable for understanding its historical theological and cultural perspectives and essential for mapping its future Philippians.

100 Answers to Ouestions from the Neighborhoods Tim Wallingford, 2016-12-29 100 Answers to Ouestions from the Neighborhoods Personal Evangelism Done Jesus Style Companion Study Guide is a modern day application of Jesus and the apostles strategy to fulfill the Great Commission In just 30 years their evangelistic method was bearing fruit and growing throughout the whole world Colossians 1 6 Did you know Jesus walked over 3 000 miles through neighborhoods throughout Palestine In Matthew 10 Jesus commanded his disciples to go into a neighborhood find a worthy person and stay at their home From there they went out and met the neighbors The disciples then showed love to those they met by meeting any physical need's Only then would they share Gods love story the gospel of Christ This was also Jesus personal strategy Today most evangelistic plans involve attracting the neighbors into the church Churches do this with events dynamic worship services and quality programs for every member of the family Many churches do this well but sadly the American church is in decline Less than 20% of Americans now regularly attend church In 1990 20 4% attended church In 2000 the percentage dropped to 18 7% By the year 2050 if the church doesn't change it is estimated church attendance will drop to 11 7% This can be reversed if we adopt the evangelistic strategy used by Jesus and the apostles This book gives you a detailed breakdown of the gospel the apostle Peter presented on the Day of Pentecost that ended with 3 000 baptisms in one day The book will also show you how Luke the author or Acts packaged the never changing gospel to ten different types of neighborsthe hurting religious spiritualist seeker fanatic good person abuser skeptic misinformed and pleasure seeker This book and its training manual identify over one hundred questions about spiritual matters and help you have the answers your neighbors need to The Holy Spirit Jack Cottrell, 2006 Transforming Neighborhoods a Life at a Time Tim hear Wallingford, 2016-08-11 This book is a modern application of the apostles strategy to fulfill the Great Commission Jesus walked over 3 000 miles through neighborhoods throughout Palestine Jesus commanded his disciples to go into a neighborhood find a worthy person stay with them and meet the neighbors The disciples first showed love to them by meeting physical need's Only then would they share Gods love story the gospel of Christ Today most churches focus on attracting the neighbors into the church but this is not working Less than 20% of Americans now regularly attend church and by 2050 if the church doesn't change it is estimated attendance will drop to 11 7% This can be reversed if we adopt Jesus evangelistic strategy This book shows how Luke packaged the never changing gospel for ten different types of neighborsthe hurting religious spiritualist seeker fanatic good person abuser skeptic misinformed and pleasure seeker This book and its training manual give answers to over one hundred questions about spiritual matters Perspectives on Election Chad Brand, 2006-11-01 Five church scholars from varying denominational backgrounds discuss five basic common beliefs about spiritual election that have developed throughout history with the goal of determining which is most scripturally sound

Power From On High Jack Cottrell, 2007 The person and work of the Holy Spirit is a neglected study in many churches Some Christians think that the subject is so deep and mysterious that it is futile to study it Others hesitate to emphasize the study of the Holy Spirit since some religious groups hold such extreme views regarding Him Still it is encouraging to see many Christians making a serious study of the Bible's teaching on the Holy Spirit Dr Jack Cottrell with his leave no stone unturned approach to studying Scripture has completed the research for us tas he examines the many concepts and characteristics of the Holy Spirit Power From On High What the Bible Says About the Holy Spirit has 11 chapters and 503 pages Jack Cottrell was long time Professor of Theology at Cincinnati Christian University He received his BA ThB Cincinnati Bible College and Seminary BA University of Cincinnati MDiv Westminster Theological Seminary PhD Princeton Theological Saved by Grace through Faith or Saved by Decree? Geoffrey D. Robinson, 2022-04-07 This work addresses a topic of interest to many people who are seeking to better understand the Christian doctrine of salvation soteriology It is written to provide a systematic biblical and theological critique of a particularly popular perspective of this doctrine that has seen something of a resurgence in recent years namely Calvinism The book is structured around the so called five points of Calvinism commonly referred to by the acronym TULIP Total depravity Unconditional election Limited atonement Irresistible grace and Perseverance of the saints Following an initial chapter outlining the historical development of the doctrine each of the five points are examined in subsequent chapters Each point is described in the words of prominent Calvinist scholars key biblical texts purporting to support the doctrine carefully evaluated and a series of theological issues related to the point are The Faith Once for All Cyrus David Foss, 1887 **Sheppard versus Bennett. The Bible doctrine** raised and discussed of the Real Presence, what it is not, and what it is: being the substance of two sermons preached at St. David's, **Barnsbury** James ORMISTON, 1872 **Bible Doctrine** Daniel Kauffman, 1914 All the Doctrines of the Bible Herbert Lockyer, 1964 His systemized study and analysis of the major Bible doctrines provides for readers Dr Lockyer's approach to understanding doctrines in logical sequence This method of biblical presentation can and should lead to a valuable comprehension of the Christian faith
