 Chapter 3 The First Judgment The World Prior To Adam There may have been many judgments upon the earth since its beginning millions or billions of years ago however the present commentary will deal only with the last tens of thousands of years of earth s existence In Genesis 1 2 the verses written by Moses as author of the Genesis account portray an earth that was veiled in darkness so that its form could not be discerned The earth at that time was covered with water ice high above the mountain tops so that it gave the appearance of being a dark revolving sphere of frozen water Table 2 God s spirit is described as hovering over this revolving ball of water and brooding over the sad condition of this dark void planet God did not create a dark and dismal planet at the beginning because God does not create darkness in fact darkness is incompatible with His existence and presence So what had happened that God viewed Gen 1 2 such a decrepit state of the world Does scripture attempt to explain this phenomenon or does the inspired word of God remain silent on this issue It was first proposed as a theory by the Scotsman Thomas Chalmers in the early 19th century that a gap in time existed between Genesis 1 1 and Genesis 1 2 This gap in time would encompass a ruin reconstruction theme and the existence of pre Adamic living beings Obviously a huge catastrophic event would have had to occur to produce this decadent state of the world The gap concept was later popularized by mention in the margin notes of the Scofield Reference Bible      **Herald of Gospel Liberty** Elias Smith,1916      **NIrV, The Story for Children Bible** Max Lucado,Randy Frazee,Karen Davis Hill,2012-12-25 The Story for Children Bible NIrV is a large print Bible for children age six to nine with 32 beautiful full color pictures highlighting eight important Bible stories with Scripture reference The stories end with God s Message sharing with children God s great love for us Each message was written by beloved pastor and bestselling author Max Lucado along with Randy Frazee and Karen Davis Hill Features include 32 pages of full color Bible story illustrations Large print 12 point type for easy reading Book introductions Dictionary concordance to explain key Bible words 8 pages of full color maps to show where Bible events happened Presentation page for personalization and gift giving Bible passages written at a third grade reading level
