Description :

Photographer Barbara Mensch's rediscovered photo archives and interview tapes capture symbolic transformations of Lower Manhattan. Many of these images are published here for the first time. The photographs evoke the passage of time by dividing the images into three parts: the 19th century, the early 20th century, and the new millennium and beyond. There were images of floods and other calamities, catastrophes in Lower Manhattan culminating with 9/11. These photos captured what had been, what no longer exists. They served as my visual timeline. What did the passage of the many decades reveal to me? What dynamics were in my images of the same streets I repeatedly

The Falling Off Place:

The Falling Off Place S. P. Moran, 2003-06 The Falling Off Place is a humorous look at what part chance and fate play in life As the story unfolds a disparate group of characters sets out each member on a vital quest Chauncy Rutherford eccentric millionaire maker of canine contraceptives seeks asylum Gogee Yackamoto World War II Japanese soldier stranded on the remote Pacific island of Karamabang seeks relief Terri Lee Buns erstwhile cub reporter seeks Chauncy Rutherford Eddie Dyslinski overweight weather balloon manufacturer seeks his brother's killer Bruce Beauchamp deranged nozzle genius seeks revenge and then there are the snake woman who seeks her next meal and the wondrous karamas birds native to Karamabang who seek the Great Karama Follow their journeys as they glide about The Falling Off Place each locked in a personal mission yet all inextricably linked to one another's fate

A Falling-Off Place Barbara G. Mensch, 2023-09-05 Photographer Barbara Mensch's rediscovered photo archives and interview tapes capture symbolic transformations of Lower Manhattan Many of these images are published here for the first time The photographs evoke the passage of time by dividing the images into three parts the 1980s the 1990s and the new millennium 2000 and beyond The photographer shares with the viewer I would shoot ruins of buildings the demolition of famous waterfront saloons ancient alleyways and in some cases nineteenth century buildings destroyed by mysterious fires There were images of floods and other calamities catastrophes in Lower Manhattan culminating with 9 11 These photos captured what had been what no longer exists They served as my visual timeline What did the passage of the many decades reveal to me What dynamics were in my images of the same streets I repeatedly walked for years The author's images from the Fulton Fish Market in the 1980s document the generations of immigrants and their children pursuing a gritty American Dream next to the Brooklyn Bridge Photos from the 1990s present images of floods and fires that paralyzed the area juxtaposed with continued bulldozing to clear the way for luxury housing Politics reshaped Manhattan's skyline by encouraging new commercial shopping food and restaurant destinations This restructuring marked the beginning of the end of downtown's blue collar origins and white collar replacements challenging us to ask What was lost The seminal event of the 2000s September 11 2001 reinforced downtown's rebirth as the global economic engine with no room for the past Also included in this section is an interview with an insider privy to the Mafia leadership of the Fulton Fish Market during Mayor Rudolph Giuliani's opportunistic crusade against them in the 1980s Dan Barry Pulitzer Prize winning journalist offers a poetic and insightful tribute to the artist and photographer Definitions falling off suggests a decline in quality or quantity falling off suggests the passage of time or changes over time falling off suggests a detachment an alternative path to a questionable destination falling off suggests a separation falling off suggests something that comes to pass
