The False Prophet Evil Architect Of The New World Order:

God-Man And It Just Had to Be Dr. Tony G. Minyard, 2024-04-30 This book took some great thought to write but And It Just Had to Be is paramount to everything that Christianity stands for The work of Jesus Christ His death and resurrection is crucial to our faith The key factor is the oneness of Christ in us This book highlights the factor of what Christ really did for us to appease the wrath of God The choice is freewill The truth is we have been translated from darkness to light We are all sinners saved by the grace of God but we have to accept this gift to have eternal life However if you reject this gift then the wrath of God is on you my friend There were elements that were very personal that happened during my rebellious years in unbelief and it happens to many people It's sad but it does right Trust me learn from my mistakes please repent really quick You don't know what the price is I talk about surrender being the first step to accepting Jesus as Lord and Savior Salvation is a onetime event if it's genuine but throughout your life it's an everyday deal the real one Sometimes we ride the fence and think everything is A OK but it s not Please have intimacy with God He loves us very much The Christian life ends when we re at the Judgment Seat of Christ I hope no one appears at the Great White Throne Judgment I covered many topics in this book to illustrate biblical concepts for you to grasp the truth This is very serious stuff in the eyes of God The purpose of this book is for you to make the right choice repent or not Remember God believes in you You might be in that rebellious life but just surrender back to God Advancing the Watch Kirk Wesselink, 2010-02 Daniel 12 9 10 instructs us that the wise of only one generation will be able to fully understand end times prophecies That final generation must come to this understanding in order to be properly prepared and motivated for what they will need to endure It is imperative that our eschatology be both biblical and contemporary For as we draw nearer and nearer To The end times greater clarity in understanding apocalyptic prophecies should come In Advancing the Watch Pastor Kirk Wesselink presents a groundbreaking look at prophecy rooted in a thoroughly consistent conservative exposition of relative Bible passages He maintains the dispensational pre tribulational and pre millennial foundation but honestly challenges their traditional view of many prophetic texts The reader is carefully instructed in how to avoid prophetic pitfalls through a straightforward primer on interpretive rules for prophecy and key foundational principles. The work builds on research stretching back over one hundred years but is willing to engage in constructive demolition to advance the Church's prophecy watch A new generation will be challenged trained and encouraged with a powerful up to the minute look at the fullness of God's prophetic Word by Advancing the Watch Kirk Wesselink has been a pastor for twenty four years and has established two new churches in New Mexico He is a graduate of Cedarville University and Grand Rapids Baptist Seminary He has preached across much of the country as well as internationally in conferences camps and ministry seminars Paperbound Books in Print 1995 Reed Reference Publishing, R5 ference Reed, 1995-12 Russia and Ukraina. Nothing is as it seems Cinzia Palmacci, 2024-03-20 I wanted to title this book Russia and Ukraine Nothing is as it seems because of this crisis which

involves two Eastern European territories so much tormented and threatened you will never have a clear and truthful picture especially by the mainstream media In truth in addition to the official narrative and compliant with the single thought to which the mainstream has always accustomed us it is there something in the history of these two territories involved in the crisis that escapes even to large networks The key to everything is the story Few know that current Ukraine was the ancient kingdom of Khazaria because the history of the people Kazaro was deliberately erased from the news so that it would not appear in any history textbook And there s a reason From the Khazar people descends the Zionism which even from a genetic point of view has nothing to do with lineage Jewish native of Palestine The Zionists have become the rulers of the world through methods that are questionable to say the least They are the masters of finance world and political and media power belongs to them pharmaceutical and military Zionists are the architects of the most unbridled globalism of which the Great Reset or Great Reset is the most hateful expression and controversial They are behind the most repressive and cruel ideologies in history communism Bolshevism Nazism etc But in this historical context increasingly tumultuous world a part of the global axis of power has become through the diabolical plan implemented by the Zionists and cherished for centuries The hatred of the West that orbits and serves American interests has identified an enemy Russia Dragon Beneath the Purple and Scarlet Mask Edward O'Neal Bowen, 2025-01-28 Something in our world has gone terribly awry leaving many wondering what on earth is going on The fact is over recent decades as the world slept spiritually a subtle metaphysical shift has taken place in societies spanning the globe altering both human and planetary behavior This paradigm shift has left in its wake a planet in peril filled with hostility volatility excessive immorality and erratic weather patterns disrupting even the current world order Across the globe we now witness a pervasive godless culture of idolatry materialism human greed incivility senseless violence wars tribalism gender inequality racial disparity and political correctness These have all but stifled civil discourse thereby accelerating the systematic deterioration of traditional cultural and social norms Toss in a volatile global economy along with corrupt human institutions of church and state and what we have left is a world system of operation teetering on the brink of catastrophic collapse What we are now experiencing is a prophesied process of social moral political planetary and socio economic disorder With every spinning news cycle we are given a constant sobering reminder of Earth's new reality and an eschatological foretaste of that which now emerges before our very eyes Perhaps you too have sensed this radical sea change in today s uncertain and ever evolving world Certainly you are not alone in this observation For most people today s world is but a mere shadow of the place we experienced as children and were hoping to be a part of as adults Suffice it to say our world is currently undergoing a major transformation a rebirth of sorts as it makes ready for the prophesied inauguration and global occupation of Earth's final despot ruler the prince of darkness himself called the Antichrist So what does this all mean for today s world Where does one turn for credible answers and helpful instruction In a world filled with mendacity truth is oftentimes lost in a world of spin making it difficult if not altogether impossible to

differentiate between what s real and what s not Yet if truth is what you seek then Dragon Beneath the Purple and Scarlet Mask was written specifically with you in mind Come now and learn the truth behind the unprecedented and unpredictable times in which we now live Indeed you are most blessed For many prophets and righteous people from ancient times desired to see what your eyes are about to see and did not see it and to hear what your ears are about to hear and did not hear it
