where trauma is ritualized power is mythologized and repetition becomes a form of control Sinister Forces challenges readers to become more conscious to think critically investigate deeply and reclaim our understanding of history from the shadows Sinister Forces--A Warm Gun Peter Levenda,2011 The roots of coincidence and conspiracy in American politics crime and culture are investigated in this second volume of a three part set that exposes new connections between religion political conspiracy terrorism and occultism Not a work of speculative history this expos is founded on primary source material and historical documents and provides strange parallels between supernatural forces such as shaminism ritual magic and cult practices and contemporary interrogation techniques such as those used by the CIA under the general rubric of MK ULTRA Fascinating details on Nixon and the Dark Tower the Assassin cult and more recent Islamic terrorism and the bizarre themes that run through American history from its discovery by Columbus to the political assassinations of the 1960s are revealed *Sinister Forces* Peter Levenda,2011 *Why Did Yahweh and His Son Yahshuah Say What They Said?* Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions *Transhumanism* David Livingstone,2015-09-02 Transhumanism is a recent movement that extols man s right to shape his own evolution by maximizing the use of scientific technologies to enhance human physical and intellectual potential While the name is new the idea has long been a popular theme of science fiction featured in such films as 2001 A Space Odyssey Blade Runner the Terminator series and more recently The Matrix Limitless Her and Transcendence However as its adherents hint at in their own publications transhumanism is an occult project rooted in Rosicrucianism and Freemasonry and derived from the Kabbalah which asserts that humanity is evolving intellectually towards a point in time when man will become God Modeled on the medieval legend of the Golem and Frankenstein they believe man will be able to create life itself in the form of living machines or artificial intelligence Spearheaded by the Cybernetics Group the project resulted in both the development of the

modern computer and MK Ultra the CIA's mind control program MK Ultra promoted the mind expanding potential of psychedelic drugs to shape the counterculture of the 1960s based on the notion that the shamans of ancient times used psychoactive substances equated with the apple of the Tree of Knowledge And as revealed in the movie Lucy through the use of smart drugs and what transhumanists call mind uploading man will be able to merge with the Internet which is envisioned as the end point of Kabbalistic evolution the formation of a collective consciousness or Global Brain That awaited moment is what Ray Kurzweil a director of engineering at Google refers to as The Singularity By accumulating the total of human knowledge and providing access to every aspect of human activity the Internet will supposedly achieve omniscience becoming the God of occultism or the Masonic All Seeing Eye of the reverse side of the American dollar bill *My Cosmic Trigger* Matt Vaughn,2024-07-11 High strangeness denotes happenings so uncanny they are deemed utterly absurd It involves the intersection of multiple paranormal phenomena revealing an eerie undergirding of reality MY COSMIC TRIGGER is a deep dive into the subject covering its history theories and notable researchers analyzing mechanisms behind this cosmic enigma The author's personal experiences provide a penetrating understanding of the phenomenon by demonstrating how and why extramundane weirdness manifests on a personal level helping people navigate their own synchromystic initiation with a sense of clarity fostering a constructive relationship with odd occurrences not a destabilizing one and enabling readers to successfully pull their own cosmic trigger *A Certain Arrogance* George Michael Evica,2011-02-01 Providing the first global cultural context for the assassination of John F Kennedy this investigation into how United States intelligence agencies and other entities manipulated liberal religious groups and educational institutions for ideological political and economic gain during the Cold War exposes numerous previously misunderstood political operations Including assassinations these projects include those facilitated by Allen Dulles John Foster Dulles the U S State Department the Office of Strategic Services and its successor the CIA and other individuals and groups Focusing on the manipulations of key individuals in the American Unitarian Association the Unitarian Service Committee and the Unitarian supported Albert Schweitzer College by covert American interests during the Cold War this expos asserts that an unwitting Lee Harvey Oswald an asset and pawn of American intelligence was the ideal scapegoat in a tragically successful conspiracy to murder President Kennedy *Biblical Eschatology*: Dr. Justin G. Prock,2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960's Pastor Sheldon Emery wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are

Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book

Caught in the Crossfire Adam Gorightly,2014-09-15 Adam Gorightly offers a unique take on virtually every conspiracy of our time Erskine Payton Erskine Overnight Kerry Thornley never imagined that after starting a spoof religion in the 1950s that worshipped Eris the Greek goddess of chaos and discord that this seeming joke would unleash a torrent of actual chaos into his life in the years to follow During the late 1950s Thornley became friends with Lee Harvey Oswald when the two served together in the Marines and was actually writing a novel based on Oswald three years before John F Kennedy s assassination These connections would later cause New Orleans district attorney Jim Garrison to suspect that Thornley was one of the notorious Oswald doubles and a part of a JFK assassination plot Initially Thornley denied these allegations but later came to believe that he d been used as an unwitting pawn in the conspiracy Adam Gorightly is best known for his book on the Manson Family The Shadow Over Santa Susana Black Magic Mind Control and the Manson Family Mythos Adam has appeared as a guest on numerous radio shows such as Coast To Coast AM with Ian Punnett and Ground Zero with Clyde Lewis Television appearances include the History Channel s documentary The Manson Murders

Killing

God's Enemies: John Brook, 2017-11-03 Killing God's Enemies relates the origin history and activities of the church of Christian Identity and its violent outgrowth called the Phineas Priesthood. In doing so the book reveals the group's philosophy of hate, their methodology which is death to all blacks, Jews, homosexuals, and abortionists, and their goal which is an America ruled by white men. The church of Christian Identity is a small and obscure religious denomination. Its radical arm, the Phineas Priesthood, barely registers on the radar screens of the general public's consciousness. That is until it's too late. For the Phineas Priesthood is unlike any other priesthood. There is no seminary and no ordination. There is only one requirement: kill the enemies of God. Killing God's Enemies will tell the fantastic but true tale of how Christian Identity came to exist, where the idea of the Phineas Priesthood came from, relate the violent exploits of the Priesthood's lone warriors, and show how Anti-Semitism forms the fulcrum upon which Christian Identity pivots.

Enchanted New York Kevin Dann, 2016-03-15 A fantastical field guide to the hidden history of New York's magical past. Manhattan has a pervasive quality of glamour, a heightened sense of personality generated by a place whose cinematic, literary, and commercial celebrity lends an aura of the fantastic to even its most commonplace locales. Enchanted New York chronicles an alternate history of this magical isle. It offers a tour along Broadway focusing on times and places that illuminate a forgotten and sometimes hidden history of New York through site-specific stories of wizards, illuminati, fortune tellers, magicians, and more. Progressing up New York's central thoroughfare, this guidebook to magical Manhattan offers a history you won't find in your Lonely Planet or Fodor's guide, tracing the arc of American technological alchemies from Samuel Morse and Robert Fulton to the Manhattan Project, to Mesmeric physicians, to wonder-working Madame Blavatsky and seers Helena Roerich and Alice Bailey. Harry Houdini appears and disappears as the world's premier stage magician's feats of prestidigitation fade away to reveal a much more mysterious and meaningful marquee of magic. Unlike old world cities, New York has no ancient monuments to mark its magical adolescence. There is no local memory embedded in the landscape of celebrated witches, warlocks, gods, or goddesses, no myths of magical metamorphoses. As we follow Kevin Dann in geographical and chronological progression up Broadway from Battery Park to Inwood, each chapter provides a surprising picture of a city whose ever-changing fortunes have always been founded on magical activity.
