Sir John A An Anecdotal Life Of John A Macdonald

Cynthia M. Smith, Jack MacLeod

Sir John A An Anecdotal Life Of John A Macdonald:

Anecdotal Life of Sir John Macdonald Emerson Bristol Biggar, 1891 Sir John A. Cynthia M. Smith, Jack MacLeod, 1989 Canada's first prime minister Sir John A MacDonald 1815 1891 had a forty seven year career in parliament that permanently shaped the course of Canadian political life MacDonald was far more than the chief architect of Confederation he was a complex eccentric man who unlike today's media groomed politicians rarely subdued his strong personality for political gain This book gives us the man behind the legend Lively and revealing anecdotes of Sir John A's political and parliamentary life are set against stories of his private joys and sorrows the murder of his brother by a drunken servant before his own eyes his rebellious youth the illness of his beautiful first wife and her addiction to opium his courtship and second marriage the tragedy of his only daughter seriously handicapped from hydrocephalus and his life long battle with alcohol Stories of patronage of political campaigns loyal supporters and bitter opponents take readers through many of the major events of nineteenth century Canada from the building of the CPR to the Riel Rebellions to name only a few

Anecdotal Life of Sir John Macdonald Emerson Bristol Biggar, 1891 The John A. Macdonald Retrospective 2-Book Bundle Ged Martin, 2014-10-29 This special 2 book bundle contains a number of perspectives on a man who was arguably Canada's most famous political leader a figure of legendary proportions in the history of Canada's birth and development Ged Martin's biography tells Macdonald's story Shocked by Canada's 1837 rebellions Macdonald sought to build alliances and avoid future conflicts Thanks to financial worries and an alcohol problem he almost quit politics in 1864 The challenge of building Confederation harnessed his skills and in 1867 he became the country's first prime minister He drove the Dominion's westward expansion rapidly incorporating the Prairies and British Columbia before a railway contract scandal unseated him in 1873 He conquered his drinking problem and rebuilt the Conservative Party to regain power in 1878 The centrepiece of his protectionist National Policy was the transcontinental railway but a western uprising in 1885 was followed by the controversial execution of rebel leader Louis Riel Although dominant nationally this popular hero had many flaws Macdonald at 200 presents fifteen fresh interpretations of Canada's founding prime minister published for the occasion of the bicentennial of his birth in 1815 Crisply written by recognized scholars and specialists the collection throws new light on Macdonald's formative role in shaping government promoting women's rights managing the nascent economy supervising westward expansion overseeing relations with Native peoples and dealing with Fenian terrorism A special section deals with how Macdonald has or has not been remembered by historians as well as the general public The book concludes with an afterword by prominent Macdonald biographer Richard Gwyn Macdonald emerges as a man of full dimensions an historical figure that is surprisingly relevant to our own times Includes John A Macdonald Macdonald at 200 **John A** Richard J. Gwyn, 2009-03-18 The first full scale biography of Canada's first prime minister in half a century by one of our best known and most highly regarded political writers The first volume of Richard Gwyn's definitive biography of John A Macdonald

follows his life from his birth in Scotland in 1815 to his emigration with his family to Kingston Ontario to his days as a young rising lawyer to his tragedy ridden first marriage to the birth of his political ambitions to his commitment to the all but impossible challenge of achieving Confederation to his presiding with his second wife Agnes over the first Canada Day of the new Dominion in 1867 Colourful intensely human and with a full measure of human frailties Macdonald was beyond question Canada's most important prime minister This volume describes how Macdonald developed Canada's first true national political party encompassing French and English and occupying the centre of the political spectrum To perpetuate this party Macdonald made systematic use of patronage to recruit talent and to bond supporters a system of politics that continues to this day Gwyn judges that Macdonald if operating on a small stage possessed political skills of manipulation and deception as well as an extraordinary grasp of human nature of the same calibre as the greats of his time such as Disraeli and Lincoln Confederation is the centerpiece here and Gwyn's commentary on Macdonald's pivotal role is original and provocative But his most striking analysis is that the greatest accomplishment of nineteenth century Canadians was not Confederation but rather to decide not to become Americans Macdonald saw Confederation as a means to an end its purpose being to serve as a loud and clear demonstration of the existence of a national will to survive The two threats Macdonald had to contend with were those of annexation by the United States perhaps by force perhaps by osmosis and equally that Britain just might let that annexation happen to avoid a conflict with the continent's new and unbeatable power Gwyn describes Macdonald as Canada's first anti American And in pages brimming with anecdote insight detail and originality he has created an indelible portrait of the irreplaceable man the man who made us Macdonald hadn't so much created a nation as manipulated and seduced and connived and bullied it into existence against the wishes of most of its own citizens Now that Confederation was done Macdonald would have to do it all over again having conjured up a child nation he would have to nurture it through adolescence towards adulthood How he did this is however another story He never made the least attempt to hide his vice unlike say his contemporary William Gladstone with his sallies across London to save prostitutes or Mackenzie King with his crystal ball gazing Not only was Macdonald entirely unashamed of his behaviour he often actually drew attention to it as in his famous response to a heckler who accused him of being drunk at a public meeting Yes but the people would prefer John A drunk to George Brown sober There was no hypocrisy in Macdonald's make up nor any fear from John A Macdonald

John A.: 1815-1867 Richard J. Gwyn, 2007 But it wasn't easy The wily Macdonald faced constant crises throughout these years from Louis Riel's two rebellions through to the Pacific Scandal that almost undid his government and his quest to find the spine of the nation the railroad that would link east to west Gwyn paints a superb portrait of Canada and its leaders through these formative years and also delves deep to show us Macdonald the man as he marries for the second time deals with the birth of a disabled child and the assassination of his close friend Darcy McGee and wrestles with whether Riel should hang

pub desc v 2 **Sir John A. Macdonald** Donald Swainson, 1989 Sir John Macdonald William Stewart Wallace, 1924

The Oxford Encyclopædia of Canadian History Lawrence Johnstone Burpee, 1926 *Rise to Greatness, Volume 3: Realm (1949-2017)* Conrad Black, 2017-05-05 Colourful comprehensive and masterfully written this is the third and final volume in a major history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a vivid revelatory account of the people and events that shaped a nation The final of three volumes spanning from the year 1949 2014 this compelling history challenges our perception of our Canada's role in the world taking on sweeping themes and recounting the story of Canada's development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country's history is a riveting tour de force by one of the best writers writing today **Finding List of the Minneapolis Public Library** Minneapolis Public Library, 1900 **General Catalogue of the Public Library of Detroit, Mich** Detroit Public Library, 1894 *A Matter of Honour* Susan Code, 1996 Macdonald Roy MacSkimming, 2010-08-21 In the grand literary tradition of Gore Vidal's novels about American political history Roy MacSkimming has conjured an extraordinary novelistic recreation of the last days of Canada's indomitable first Prime Minister Sir John A Macdonald Narrated by his private secretary Joseph Pope Macdonald opens with stirring scenes of Sir John fighting his last great election battle on issues that uncannily echo our national concerns today The year is 1891 and there is a very real fear of absorption by the United States Meanwhile a political scandal in Quebec threatens to topple Sir John's government Exhausted by his electoral victory the old leader fights to keep his iron grip over his party and life itself Joseph Pope renders his chief in intimate detail reveling the immense charm and personal magnetism that gave Macdonald such mastery over people and events As the novel moves majestically towards his final hours Sir John himself addresses the reader directly reflecting on his past and present The spellbinding narrative features a memorable cast of characters ranging from President Ulysses S Grant Louis Riel and Sir Wilfrid Laurier to Macdonald's feisty second wife Lady Agnes Macdonald and their disabled daughter Mary Convincingly grounded in the political and personal passions of the day Macdonald delivers a brilliant and exciting portrait of a young emerging nation and its greatest champion At once seductively evocative and emotionally engaging this is historical fiction at its best Being Prime Minister J.D.M. Stewart, 2018-06-16 *Being Prime Minister* sheds light on the lives of prime ministers as ordinary people examining them through a variety of experiences most Canadians share **Memoirs** Brian Mulroney, 2011-07-27 Politics was always Brian Mulroney's real love As an undergraduate in Nova Scotia he amazed his friends by getting Prime Minister Diefenbaker on the phone and he rose fast in the Tory ranks in Quebec as a young Montreal lawyer He tried for the leadership of the party in 1976 losing to Joe Clark then returned to win a rematch in 1983 The next year he ran the most successful election campaign in Canadian history winning 211 seats and taking office in September 1984 His first term in office was a stormy one marked

by the launch of the Meech Lake Accord and the Free Trade Agreement with the United States In 1988 however he was re elected after a rollercoaster campaign and his second term in office was just as controversial featuring the Meech Lake and Charlottetown Accords still a source of bitter regret for him as opportunities missed This book falls into two main sections first his rise out of a working class family in Baie Comeau Second his immersion into the world of Ottawa politics in opposition and then in power The years in power are dealt with in fascinating detail and we receive his candid accounts of backstage dealings with Trudeau Clark and other Canadian leaders and on the international scene with Reagan Thatcher Mitterrand Kohl Gorbachev Mandela Clinton and many more This big book has a huge cast of major players Brian Mulroney is determined to make this the best prime minister s memoirs this country has ever seen and a full time researcher has been helping him for three years This account of his career is colourful and forthright and a number of opponents will be sorry that they caught his attention The manuscript is full of personal touches and reflects the fact that he wrote it by hand reading it aloud for rhythm and impact Studded with entries from his private journal this book by a son brother husband and father is deeply personal and includes some surprisingly frank admissions The book establishes the scale of his achievements and reveals him as a man of great charm Memoirs will allow that little known Brian Mulroney to engage directly with the reader This book is full of surprises as we fall under the spell of a great storyteller *Life is an Adventure* R. J. Manion, 2022-08-16

In *Life is an Adventure* R J Manion explores the myriad contours of human experience through a tapestry of rich narrative and introspective prose Restored to modern readership by DigiCat Publishing this work stands as a testament to literary preservation and the enduring value of classic narratives Manion s style characterized by its eloquence and depth delves into the quintessential journey of life with both subtlety and vigor reflecting the complexities of adventure and self discovery Within this literary context the book emerges as a beacon for those yearning to comprehend the intricate dance of fate and choice in the human saga R J Manion s oeuvre is frequently reflective of a profound grappling with life s core themes a characteristic undoubtedly woven into the fabric of *Life is an Adventure* Manion having been influenced by the ebb and flow of personal and historical events imparts a narrative that feels both deeply personal and universally applicable Perhaps it is this duality underscored by keen observations and lived wisdom that prompted DigiCat Publishing to enshrine Manion s words for contemporary and future audiences *Life is an Adventure* is recommended for those who seek to engage with a work that transcends time through its exploration of universal human truths Readers who appreciate not just a narrative but an experience an odyssey of the mind and heart will find themselves at home within Manion s pages As a classic elegantly revitalized by DigiCat Publishing it beckons the modern reader to partake in the noble tradition of literary exploration ensuring the work remains a vibrant part of our collective human legacy *Literary History of Canada* Carl F. Klinck, Alfred G. Bailey, Claude Bissell, Roy Daniells, Northrop Frye, Desmond Pacey, 1976-12-15 Hailed as a landmark in Canadian literary scholarship when it was originally published in 1965 the *Literary History of Canada* is now being reissued revised and

enlarged in three volumes This major effort of a large group of scholars working in the field of English language Canadian literature provides a comprehensive up to date reference work It has already proven itself invaluable as a source of information on authors genres and literary trends and influences It represents a positive attempt to give a history of Canada in terms of writings which deserve attention because of significant thought form and use of language Volume 3 has been newly written for this edition of the History and covers the years from about 1960 to 1974 The contributors to this volume are Claude Bissell Desmond Pacey Lauriat Lane jr Michael S Cross Thomas A Goudge John Webster Grant John H Chapman William E Swinton Henry B Mayo Malcolm Ross Brandon Conron Clara Thomas Sheila A Egoff John Ripley William H New George Woodcock and Northrop Frye

A Dance Called America James Hunter, 2022-05-05 A dance was devised in eighteenth century Skye An exhilarating dance A dance a visitor reports the emigration from Skye has occasioned The visitor asks for the dance s name They call it America he s told In his introduction to this new edition of his classic and pioneering account of what happened to the thousands of people who left Skye and the wider north of Scotland to make new lives across the sea historian James Hunter reflects on what led him to embark on travels and researches that took him across a continent To Georgia North Carolina and Montana to Nova Scotia Quebec Ontario and the Mohawk Valley to prairie farms and great cities to the Rocky Mountains British Columbia and Washington State This is the story of the Highland impact on the New World The story of how soldiers explorers guerrilla fighters fur traders lumberjacks railway builders and settlers from Scotland s glens and islands contributed so much to the USA and Canada It is the story of how a hard pressed people found in North America a land of opportunity
