Lara Prescott author of *The Secrets We Kept*. Ukraine 2022. Yeva is a loner and a maverick scientist who lives out of her mobile lab. She scours the country's forests and valleys, trying and failing to breed rare snails while her relatives urge her to settle down and finally start a family of her own. What they don't know, Yeva already dates plenty of men, not for love but to fund her work entertaining Westerners who come to Ukraine on guided romance tours, believing they'll find docile brides untainted by feminism and modernity. Nastia and her sister Solomiya are also entangled in the booming marriage industry, posing as a hopeful bride and her translator while secretly searching for their missing mother who vanished after years of fierce activism against the romance tours. Together they embark on the journey of a lifetime across hundreds of miles, three angry women, a truckful of kidnapped bachelors, and Lefty, a last of his kind snail with one final shot at perpetuating his species. But their plans come to a screeching halt when Russia invades. In a stunningly ambitious and achingly raw metafictional spiral, *Endling* brilliantly balances horror and comedy, drawing on Reva's own experiences as a Ukrainian expat tracking her family's delicate dance of survival behind enemy lines. As fiction and reality collide on the page, Reva probes the hard truths of war: What stories must we tell ourselves to survive? To carry on with the routines of life under military occupation? And for those of us watching from overseas, can our sense of normalcy and security ever be restored, or have they always been a fragile illusion? *Endling* is a tour de force from an author who weaves a story of love, loss, humor, and hope that only she can tell.
