Six Weeks to Words of Power. (2nd Printing.). Wilfred John Funk, 1955 Six Weeks to Words of Power Wilfred John Funk, 1967 **Six weeks to words of power** Wilfred John Funk, 1971 **6 Weeks Word Power** Wilfred Funk, 1980-10-03 **Six Weeks to Words of Power** Dr Wilfred Funk, Funk, 1989-06-15 *The Anatomy of Preaching* David L. Larsen, 1989 Insight and commentary on fifteen issues that affect a pastor's effectiveness including making a sermon flow escaping predictability and using narrative effectively *Words of Power* Wilfred Funk, 1974 Words of Power Jeanne Alcott, 2014-11-11 Its another day How do you face it You can begin each day with hope in your heart and a positive attitude even in the midst of pressures and demands Allow God to encourage and inspire you with a personal word for you through Words of Power It is filled with short messages from Gods heart to your heart for every day of the year Go throughout your day empowered Maintain your cool and make wise decisions Realize your power to overcome challenges See people respond to you in a positive way Experience breakthroughs and fulfillment There are 365 devotionals one for every day of the year They are not dated so you can begin one at any time of the year You can see your goals accomplished and desires fulfilled as you read these short inspirational messages stories from people facing the same types of circumstances as you do quotes from proven leaders Spiritual Powerlines that you can confess throughout the day to keep yourself strong prayers to pray out loud that ensure God is working behind the scenes for you See this year of your life go to a higher level of what God has for you Read Words of Power by Jeanne Alcott and sense the presence of God instructing you and blessing you throughout the day Jeanne Alcott Alcott Ministries P O Box 3400 Broken Arrow OK 74013 918 459 9191 [www AlcottMinistries org](http://www.AlcottMinistries.org) *Words of Crisis as Words of Power* Marta Neüff, 2018-05-15 The volume explores crisis rhetoric in contemporary U S American presidential speechmaking Rhetorical leadership constitutes an inherent feature of the modern presidency Particularly during times of critical events the president is expected to react and address the nation However the power of the office also allows him or her to direct attention to particular topics and thus rhetorically create or exploit the notion of crisis This monograph examines the verbal responses of George W Bush and Barack Obama to pressing issues during their terms in office Assuming an interdisciplinary approach it illuminates the characteristics of modern crisis rhetoric The aim of the book is to show that elements of Puritan rhetoric and specifically the tradition of the jeremiad although taken out of their original context and modified to suit a modern multiethnic society can still be detected in contemporary political communication It will be of interest to students and scholars of presidential rhetoric political communication sociolinguistics and cultural studies *Words and Power* Bernadette Longo, 2021-07-26 When viewed through a political lens the act of defining terms in natural language arguably transforms knowledge into values This unique volume explores how corporate military academic and professional values shaped efforts to define computer terminology and establish an information engineering profession as a precursor to what would become computer science As the Cold War heated up U S federal agencies increasingly funded

university researchers and labs to develop technologies like the computer that would ensure that the U S maintained economic prosperity and military dominance over the Soviet Union At the same time private corporations saw opportunities for partnering with university labs and military agencies to generate profits as they strengthened their business positions in civilian sectors They needed a common vocabulary and principles of streamlined communication to underpin the technology development that would ensure national prosperity and military dominance investigates how language standardization contributed to the professionalization of computer science as separate from mathematics electrical engineering and physics examines traditions of language standardization in earlier eras of rapid technology development around electricity and radio highlights the importance of the analogy of the computer is like a human to early explanations of computer design and logic traces design and development of electronic computers within political and economic contexts foregrounds the importance of human relationships in decisions about computer design This in depth humanistic study argues for the importance of natural language in shaping what people come to think of as possible and impossible relationships between computers and humans The work is a key reference in the history of technology and serves as a source textbook on the human level history of computing In addition it addresses those with interests in sociolinguistic questions around technology studies as well as technology development at the nexus of politics business and human relations **New York Times Saturday Review of Books and Art** ,1970

30 DAYS TO A MORE POWERFUL VOCABULARY Dr. WILFRED FUNK & NORMAN LEWIS,1970 **The Power of a Woman's Words** Sharon Jaynes,2007-09-01 International speaker Sharon Jaynes believes that women have incredible power in their sphere of influence with the words they speak Words are one of the most powerful forces in the universe and they can be used for good or evil When God created our world He did so with words He said Let there be and it was so While our words cannot bring into existence things that are not they do have the power to build courage into a husband s life instill confidence into a child s heart fan into flames the dying embers of a friend s smoldering dreams and draw the lost to Christ This book is for every woman who desires to use her words to build up rather than tear down to encourage rather than discourage to cheer rather than jeer It is for all who desire to have more control over that mighty force called the tongue *The Book Buyer's Guide* ,1958 **The Publishers Weekly** ,1958 *Luther Life* ,1954
