Small Lofts:

Small Lofts Alejandro Bahamon, 2005-08-23 Design solutions that show how to get the best out of small loft living *Small Lofts* presents more than twenty five residences ranging in size from 175 to 2 000 square feet Each converted space demonstrates how creativity and imagination can transform factories attics and dance halls into functional and beautiful lofts The homes in *Small Lofts* all presented in stunning full color photographs cover four continents and are located in both urban and rural areas showcasing the diversity and style found in loft design across the world today For the dreamer who loves contemporary design *Small Lofts* proves that you can make effective use of space without sacrificing style *Small Lofts* Oriol Magrinya, 2017-02-01 When we think of a loft we usually think of large open spaces with clearly visible remnants of their industrial origin converted into homes Distinguished by their high level of modernity and noteworthy contrasts they tend to reflect the personalities of their owners more than any other type of construction But what happens when there is limited space Is it possible to have a loft with all its characteristics in a space that measures less than 120 square meters This book contains dozens of examples of lofts from all over the world They demonstrate that even with severe space limitations it is possible to achieve maintain and even enhance the purest possible essence of a post industrial New York loft Of course this requires the optimum combination of artistic sensibility and architectural ingenuity *Small Strawbale* Bill Steen, Athena Swentzell Steen, Wayne J. Bingham, 2005 A thorough guide to building with strawbale and other natural materials this guide includes an eclectic sampling of houses studios meditation spaces outbuildings and landscape walls ***Small Lofts*** Aurora Cuito, 2003-03-04 A visual cornucopia of design solutions *Small Lofts* presents over twenty five loft residences ranging in size from 172 to 1 920 square feet None of the spaces featured were originally designed as loft dwellings but the creativity and imagination of the architects transformed factories attics and dance halls into functional and beautiful lofts suitable for modern living The spaces in the book cover four continents and are present in both urban and rural areas showcasing the diversity and style found in loft design across the world today *The Lofts of SoHo* Aaron Shkuda, 2024-06-19 A groundbreaking look at the transformation of SoHo American cities entered a new phase when beginning in the 1950s artists and developers looked upon a decaying industrial zone in Lower Manhattan and saw not blight but opportunity cheap rents lax regulation and wide open spaces Thus SoHo was born From 1960 to 1980 residents transformed the industrial neighborhood into an artist district creating the conditions under which it evolved into an upper income gentrified area Introducing the idea still potent in city planning today that art could be harnessed to drive municipal prosperity SoHo was the forerunner of gentrified districts in cities nationwide spawning the notion of the creative class In *The Lofts of SoHo* Aaron Shkuda studies the transition of the district from industrial space to artists enclave to affluent residential area focusing on the legacy of urban renewal in and around SoHo and the growth of artist led redevelopment Shkuda explores conflicts between residents and property owners and analyzes the city's embrace of the once illegal loft conversion as an urban

development strategy As Shkuda explains artists eventually lost control of SoHo s development but over several decades they nonetheless forced scholars policymakers and the general public to take them seriously as critical actors in the twentieth century American city San Francisco's Soft Lofts Kevin Orth,1994 **Small Lofts** ,2016-10-10 **Remodeling Tiny Lofts** Patricia Martínez,2019-09 The loft which is essentially an urban construction is an ideal way of converting one s own home to a unique space that reflects and extends the personality of those who dwell there The intention of this book is to demonstrate that not only is it possible but also that often these compact solutions can stand on their own in comparison with the enormous lofts of London or Manhattan And even though most of them are small all of them demonstrate how it is possible to convert what could be a small apartment into a spacious loft This is achieved by using great care in the design Back cover Inside the Loft Pasquale De Marco,2025-07-22 Inside the Loft is the definitive guide to loft living providing you with everything you need to know to create the perfect loft home Whether you are a first time loft buyer or a seasoned loft dweller this book will provide you with valuable information and inspiration In Inside the Loft you will learn about the history of lofts the different types of lofts and the benefits and challenges of loft living You will also get expert advice on designing a loft for functionality and style and how to maximize the natural light and space in your loft One of the most important aspects of loft living is the interior design In Inside the Loft you will find tips and inspiration for creating a loft that is both stylish and functional We will cover everything from choosing the right furniture to maximizing natural light Of course no loft is complete without a well equipped kitchen In Inside the Loft we will provide you with ideas for designing a kitchen that is both beautiful and efficient We will also cover the latest trends in loft kitchen appliances and storage solutions No matter what your lifestyle a loft can be the perfect place to call home Whether you are a single professional a couple or a family you will find that loft living has something to offer you Inside the Loft is the essential guide to loft living providing you with everything you need to know to create the loft of your dreams If you like this book write a review Making the Most of Small Spaces Stephen Crafti,2002 This publication also features some of Australia s top photographers including Max Dupain and John Gollings and showcases some brilliant designs by architects such as Form Follows Function Neometro and Stanic Harding Architecture Interiors This book visits a number of extraordinary homes from the apartment to the townhouse Those settled in the suburban house on the quarter acre block will be intrigued by the smaller spaces emerging in our cities From lofts nestled into warehouse spaces to the townhouses hidden in lane ways the localities as intriguing as the spaces themselves With a move to smaller and more flexible spaces architects and designers are pushing the parameters of available space Stephen Crafti is a well known author and journalist and this is his third book for the Images Publishing Group This publication also features some of Australia s top photographers including Max Dupain and John Gollings and showcases some brilliant designs by architects such as Form Follows Function Neometro and Stanic Harding Architecture Interiors SELLING POINTS Written by an expert in the field Features exceptional photographs by some of Australia s top photographers
