Small Business Big Savings:

Small Business, Big Success Cynthia Kay, 2024 An invaluable resource for those starting a new business or veterans looking for a better way this book offers unconventional but proven strategies to run a better small business It also provides a roadmap for owners looking to expand their small business by doing more business with Big Business **Cool Companies** Joseph J. Romm, 2014-04-08 Cool Companies turns on its head the idea that measures to avert global warming and climate change will pile massive costs on to the industrial sector It shows how the smartest companies have been able to make money through the improvements that reduce their greenhouse gas emissions Industry is going to have to adjust to the new tax and regulatory regimes being introduced around the world aimed at reducing emissions and meeting internationally agreed targets The more far sighted companies have recognised the opportunities this offers Joseph Romm shows how successful they have been in taking them Romm profiles more than 50 companies and describes their experiences in the context of their corporate strategies All are leaders in their sectors and many are household names such as Xerox Toyota BP now BP Amoco DuPont Compaq and 3M They grasped early on the strategic importance of cutting emissions By working to do so through increased efficiency new technologies and improved processes they have cut their energy costs and boosted their productivity often dramatically improvements which translate straight down to the bottom line The message is clear Cool Companies those prepared to overhaul their policies and innovate are much more likely to thrive in the new climate for business while those which have to be dragged backwards into the future will face higher costs and tougher competition

Small Business, Big Life Louis Barajas, 2007-04-29 Your business can earn more for your family while you have a fulfilling life All too often small business owners settle for less than the best life has to offer thinking they have to choose between financial success and family time Do you want financial success Then you d better be prepared to sacrifice you family life Do you want more quality time with loved ones They you can forget about taking your samll business to the next level Renowned financial planner Louis Barajas knows you can have both You don t have to choose between giving up successful finances and abandoning your family Written for ordinary folk who have more dreams than education capital or resources Small Business Big Life will show you how to build a business that creates both money and meaning and that provides a legacy for you and your family What is Barajas secret Whether in his East Los Angeles office or on the road speaking as an author and small business expert Louis Barajas teaches his clients a unique integrated approach to balancing the professional and the personal The book contains Four Cornerstones for a Big Life Five Steps of Building a Small Business Big Life 22 Temptations of a Business Owner Let Louis Barajas show you how to make your business work for you and not the other way around Small Business Big Life is not just a plan for financial success it s a blueprint for a truly fulfilling life
