make money consistently in the market are making it from the beginner traders who have visions of grandeur and dollar signs rolling around in their eyes like some old cartoon If you want to make it in this business I would listen to the advice in 10 Secrets to Get Rich from Stock Trading very carefully I am going to share with you information that professional real money traders don t want you to know about Magic Mind Secrets for Building Great Riches Fast Tyler Gregory Hicks.1980 Popular Science, 1969-08 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better How to Earn Over \$50,000 a Year at Home How to get Rich from Trading Josef Argent, New people getting into financial market trading most of the time have not done their research and have no idea they are entering a business where there are people in the live market who will walk over dead bodies to make money They are entering a business where the smart money in the business are looking to drain your trading capital account on a daily basis and most of the time they do because new people come into the business unprepared or at best under prepared as well as underfunded and have not developed a trading edge before they enter the market with real money How to get Rich from Trading is meant to expedite your learning curve which can sometimes be long and costly You can Google this or that information however it would take you many years to learn what I am going to tell you in this book before you could invest any of your hard earned real money in the live markets and have a chance making real money trading in the financial markets of the world and some of the information in the book is specific to it and can t be found anywhere else The best part about the method of trading in this book is that it can be used in any tradable liquid market on any time frame you wish to work in and anyone can learn it fast and make money right away with once they master learning how to use it properly How to get Rich from Trading gives you the first steps needed to end up in the group of traders that achieves consistent low risk profits on a daily basis the professionals and the smart money If you are not ready to take that step yet then you may end up part of the group called the sheeple of the herd that provides those profits and make up the 97% of traders who lose all of their money from not being prepared to work in this brutal and harsh business While that may seem like a harsh statement I think it s important to point out the a few of the harshest realities of how the markets work right up front so you know what s at stake when your hard earned money is at risk in the live market it is the sole purpose of this book Ask yourself this question do I want to be the one who pays or do I want to be the one who gets paid The Illustrated Weekly of India, 1975
