Smile Jim Davidson,2015-06-04 On 2 January 2013 just a day before Jim Davidson was due to enter the Celebrity Big Brother house he found himself behind far more serious locked doors when he was arrested by the Yewtree detectives over alleged sex offences Twelve months later the public voted to crown Jim Davidson as the winner of the latest series of Celebrity Big Brother Finally with all charges dropped and no further action being taken and with the public offering him their staunch support Jim can finally look back on his year from hell Facing a series of damaging false allegations Jim was forced to fight not just for his reputation and his career but for his freedom too Mounting legal costs and a deepening sense of injustice saw Jim sink to the lowest point of his career as the Yewtree investigation threatened to ruin him both financially and emotionally Finally after months of pain came the words he and his supporters had been waiting to hear No Further Action Now with the public s approval Jim reflects on this painful period with the regular dose of wit and humour that have made him so successful Searingly honest No Further Action pays tribute to those who stood by him and takes a wry look at what life is like under investigation in the public eye YOU CAN T FAIL TO BE MOVED BY THIS STORY Daily Express *Hate to Love You*

Jenn Bennett,2021-06-29 Hate to love romance takes center stage in Jenn Bennett s contemporary novels Alex Approximately and Starry Eyes now together in one incredible package that s perfect for fans of Jenny Han and Morgan Matson When the guy you re meant to be with is your worst enemy things can get a little complicated Especially for Bailey in Alex Approximately after she falls for a sensitive film geek she only knows online as Alex It also just so happens that Bailey is moving to California to the same coastal town as her online crush and yet she is too afraid to tell Alex she s moved to his hometown Or that she s landed a job where she s being tormented daily by her coworker smart alecky yet irritatingly hot surfer boy Porter Roth But what Bailey doesn t know is that Porter isn t just any local surfer dude Porter Roth is Alex approximately Trapped in the wilderness with the boy who broke your heart isn t an ideal situation for anyone And in Starry Eyes it was definitely not what Zorie had planned for a camping trip Abandoned by her friends with only her ex boyfriend Lennon for company the two have no choice but to hash out their issues via witty jabs and insults as they try to make their way to safety But as the duo travels deeper into California s rugged backcountry secrets and hidden feelings surface Turns out the magic of the twinkling stars might be the key to getting Zorie and Lennon back together or the last straw to tear them apart for good Jenn Bennett s popular hate to love romances are here to prove that sometimes the one person you can t stand is actually the person of your dreams you just might not know it yet *White Rose* ,1871 **Joe Longthorne -**
