Henry Handel Richardson Vol 2 Edited By Clive Probyn and Bruce Steele, 2013-07-17 The publication of Henry Handel Richardson s correspondence will be a major event in Australian scholarly publishing It will be the first time any Australian literary writer has had his her correspondence published in its entirety The letters of Henry Handel Richardson deposited in the National Library of Australia in Canberra and in the Mitchell Library in Sydney were opened in March 1996 to unrestricted access after a fifty year period of closed access The executrix of the HHR estate has determined however that none of the letters may be published in whole or in part until after Probyn and Steele s edition of the complete correspondence has been released At present there are approximately 1800 unpublished manuscript letters to and from HHR of which at least 1000 are in her own hand They form a correspondence between Australia England Germany Italy and the USA for the period 1874 to 1946 Within the total number there are two quite distinct and major sub groups the first 1910 14 being a collection of both sides of the correspondence between HHR and the French translator of Maurice Guest Paul Solanges the second 1911 46 letters between HHR and Mary A Kernot of Melbourne As well as the letters held in the National and Mitchell libraries the editors possess an entire sequence of letters from William Heinemann to HHR and her husband John George Robertson detailing the publication history of *Ultima Thule* the final volume of *The Fortunes of Richard Mahoney* the trilogy which cemented her international reputation They are adding to the collection almost monthly but have reason to believe that about 90% of the extant letters are now in their possession The letters as might be expected shed much new light on HHR s biography her artistic methods her personal life her friendships and antagonisms her response to Australian readers and to expatriation and her efforts to maintain a literary life apart from her personal life The series includes HHR s earliest letter her student days in Leipzig the publication of Maurice Guest *The Getting of Wisdom* *The Fortunes of Richard Mahoney* *The End of a Childhood* and *The Young Cosima* and her experience of life in wartime England

Some of the most vivid letters describe her schooldays the biographical context for *The Getting of Wisdom* her memories of the Australian bush her relationship with Vance and Nettie Palmer her meetings with Miles Franklin her views on contemporary writing and life in wartime England In particular the letters to and from Solanges are packed with information about the writing the autobiographical roots and the meaning of Maurice Guest The letters to Kernot provide constant linkages between life in England and Australia during the most formative period for modern Australian literature including the negotiations for HHR's Nobel Prize nomination *Catalogue* Maggs Bros,1928 *The Spectator* ,1914 A weekly review of politics literature theology and art **Exhibits in ARL Libraries** ,1986 *One Man Talking: Selected Essays of Shao Xunmei, 1929-1939* Paul Bevan,Susan Daruvala,2023-07-19 Shao Xunmei poet essayist publisher and printer played a significant role in the publication and dissemination of journals and pictorial magazines in Shanghai during the 1920s and 1930s His poetry has been translated by several prominent scholars through the years but remarkably few of his essays have received the same attention and this is the first collection of his prose writings to be published in English Shao has been described by a phalanx of scholars as the most seriously underestimated modern cultural Chinese figure This collection of his writings joins several recent publications that aim to raise Shao's literary and historical profile It will appeal to a broad swathe of readers interested in the transnational and transcultural dimensions of twentieth century experience that have become so important for contemporary scholarship The essays in this book some of which were selected by the writer's daughter Shao Xiaohong include long essays such as *One Man Talking* and *A Year in Shanghai* as well as several shorter essays on subjects as diverse as the caricatures of Miguel Covarrubias woodblock printing and pictorial magazines all of which were published in Shao's own magazines Although his essays may be less well known than those of other writers of the same period without his unique and valuable contribution the literary artistic and poetic worlds of twentieth century Shanghai would have been very different indeed *The Bookseller and the Stationery Trades' Journal* ,1927 *Catalogue* Maggs Bros,1987 *The New Statesman* ,1929 *Artwork* ,1929 **Chaucer's Pardoner's Prologue and Tale** Marilyn Sutton,2000-01-01 The Chaucer Bibliography series aims to provide annotated bibliographies for all of Chaucer's work This book summarizes 20th century commentaries on Chaucer's Pardoner's Prologue and Tale *Accessions* Victoria and Albert Museum.
