## **The Enigma Of Suicide:**

November of the Soul George Howe Colt, 2006-02-21 Written with the same graceful narrative voice that made his bestselling National Book Award finalist *The Big House* such a success George Howe Colt's *November of the Soul* is a compassionate compelling thought provoking and exhaustive investigation into the subject of suicide Drawing on hundreds of in depth interviews and a fascinating survey of current knowledge Colt provides moving case studies to offer insight into all aspects of suicide its cultural history the latest biological and psychological research the possibilities of prevention the complexities of the right to die movement and the effects on suicide's survivors Presented with deep compassion and humanity *November of the Soul* is an invaluable contribution not only to our understanding of suicide but also of the human condition

*The Enigma of Suicide* George Howe Colt, 1991

*The Noonday Demon* Andrew Solomon, 2014-09-16 The author offers a look at depression in which he draws on his own battle with the illness and interviews with fellow sufferers researchers doctors and others to assess the complexities of the disease its causes and symptoms and available therapies This book examines depression in personal cultural and scientific terms He confronts the challenge of defining the illness and describes the vast range of available medications the efficacy of alternative treatments and the impact the malady has on various demographic populations around the world and throughout history He also explores the thorny patch of moral and ethical questions posed by emerging biological explanations for mental illness He takes readers on a journey into the most pervasive of family secrets and contributes to our understanding not only of mental illness but also of the human condition

**The Sealed Box of Suicide** Colin Tatz, Simon Tatz, 2019-09-23 This unique book explores suicide as more than just a manner of death It challenges the myths beliefs dogma and customs of suicide from the earliest theories It offers fresh insights into dark spaces World wide suicide deaths are three times greater than homicides and are increasing Current approaches to stem this epidemic are not working or have very limited success Mental health interventions theories about a suicide or a depression gene and the ever increasing dispensing of antidepressants have not lessened the stark statistics The authors attempt to understand the soul of the suicide addressing the social economic political historical geographic and cultural contexts in which suicide occurs The social order is indelibly connected to settings places circumstances relationships occupations climate and milieu Most of the 36 diverse categories of self motivated deaths defy a one size fits all approach Recognising contexts and looking outside the confines that have imprisoned thinking about suicide could well be more effective in alleviating or mitigating suicide than years searching for a possible vaccination against such death The book is an appeal to move beyond the medical model of suicide Written in a very accessible style it is of interest to social scientists philosophers professionals and researchers in public health medical and behavioural sciences and lay persons alike A critical stimulating and moral tale of suicide that provides a new look Michael J Kral PhD School of Social Work Wayne State University Michigan USA a major breakthrough and a step in the right direction in addressing the problem of suicide

Said Shahtahmasebi PhD Research Director the Good Life Research Centre Trust Christchurch New Zealand informed understanding of suicide s multiplicity and historical instability Jennifer White PhD School of Youth and Child Care University of Victoria British Columbia Canada *Contemporary Perspectives on Rational Suicide* James L. Werth,2013-06-17 This text brings together spokespersons from several different disciplines who can present their arguments for or against rational suicide as a viable concept and consequently a realistic option The pros and cons of the discussion format bring the readers to search for their beliefs and the final decision of acceptance or rejection of the concept is left to each individual reader

**National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1992 Marsha Norman Linda Ginter-Brown,2014-04-08 This collection of ten original and one reprinted essays provides an in depth examination of one of America s foremost contemporary playwrights Established critics as well as younger scholars examine well known works such as *Getting Out* *night Mother* *The Laundromat* and the adaptation of *The Secret Garden* Lesser known plays such as *The Holdup* *Sarah* and *Abraham* *Traveler in the Dark* and *Loving Daniel Boone* are also discussed This casebook includes an interview with Norman commenting on her work and her place in American theater as well as a review of *night Mother* by drama critic Robert Brustein The essays analyze Norman s works in comparison to the works of other playwrights and examine the mother daughter relationships of the characters as well as Norman s sense of a woman s place within a patriarchal culture *The Barbarian Temperament* Stejpan Mestrovic,2013-07-23 This scintillating book by one of the most interesting young sociologists currently working in the USA is a provocative and timely contribution to the debate on civilization modernity and postmodernity The author argues that modernity never jettisoned barbarism Instead barbarism was repackaged in modern and postmodern traditions and cultures *Suicide as a Cultural Institution in Dostoevsky's Russia* Irina Paperno,2018-09-05 In the popular and scientific imagination suicide has always been an enigmatic act that defies and yet demands explanation Throughout the centuries philosophers and writers journalists and scientists have attempted to endow this act with meaning In the nineteenth century and especially in Russia suicide became the focus for discussion of such issues as the immortality of the soul free will and determinism the physical and the spiritual the individual and the social Analyzing a variety of sources medical reports social treatises legal codes newspaper articles fiction private documents left by suicides Irina Paperno describes the search for the meaning of suicide Paperno focuses on Russia of the 1860s 1880s when suicide was at the center of public attention *The Therapist's Encounters with Revenge and Forgiveness* Mary Sherrill Durham,2000-01-01 Mary Sherrill Durham explores the concepts of vengeance revenge fantasies and the granting or withholding of forgiveness as they are manifested to the therapist during treatment She also examines potential for the therapist patient relationship to become a re enactment of an abusive or controlling situation *The Varieties of Suicidal Experience* Thomas Joiner,2024-02-13 Seemingly disparate phenomena murder suicide suicide by cop suicide terrorism amok most spree killings death row volunteering and even physician assisted suicide share a commonality

All are at bottom suicidal in their origin and motive      **Rational Suicide?** James L. Werth Jr.,2016-02-04 The idea that suicide may be an acceptable rational option is rarely presented in professional literature However recent events and developments forcefully demonstrate that mental health professionals can no longer ignore the possibility that people can make a rational decision to die After introducing the concept of rational suicide the book explores the changing views of suicide over the centuries Common arguments against rational suicide are examined and rebutted      The Virgin Suicides Justin Wyatt,2018-06-27 Based on the best selling novel by Jeffrey Eugenides The Virgin Suicides is director Sofia Coppola's evocative debut feature of young love sex loss and family pressures in mid 1970s America Acclaimed by both critics and audiences on release the film is now viewed as a remarkable and bold feature by a significant female director addressing many issues related to youth female sexuality and family This book helps readers understand the film's significance and the stylistic and storytelling choices made by director Coppola The analysis of the film occurs around three interlocking arguments the unusual structuring absence in the film the intricate manner through which music is used in the drama communication and character creation and the film's careful and specific referencing of advertising in the 1970s the decade of the film's narrative The film's enigmatic structure and unique storytelling devices and their relationship to female adolescence sexuality and ideology are also considered in depth Without solving the mysteries of the film the book is designed to uncover the reasons why the film continues to fascinate viewers so many years after its release      *Essential Papers on Suicide* John T. Malsberger,Mark Goldblatt,1996-08 An exploration of the motivations characteristics and psychology of suicide Why do people take their own lives How can clinicians best plan and carry out intelligent treatment of desperate patients who are giving up on themselves Suicide its motivations characteristics and psychology are explicated in these papers by the most experienced and renowned experts on the subject A definitive volume *Essential Papers on Suicide* features the work of Ernest Jones Kate Friedlander George Murphy R H Wilkinson S Gassner and J Kayes Joseph C Sabbath Robert E Litman Milton Rosenbaum Charles Swearingen Avery D Weisman Mervin Glasser Egl Laufer Moses Laufer and Myer Wohl Donald A Schwartz Don E Flinn and Paul F Slawson Aaron T Beck Maria Kovacs and Arlene Weissman Marieberg Lil Traskman and Peter Thoren Stuart Asch John T Malsberger Alex D Pokorny Erna Furman Cynthia R Pfeffer Robert Plutchik Mark S Mizruchi and Robert Lipkins Myrna M Weissman Gerald L Klerman Jeffrey S Markowitz and R Oullette Jan Fawcett William A Scheftner Louis Fogg David C Clark Michael A Young Don Hedeker and Robert Gibbons among others

**The Inevitable** Katie Engelhart,2021-03-02 A remarkably nuanced empathetic and well crafted work of journalism The Inevitable explores what might be called the right to die underground a world of people who wonder why a medical system that can do so much to try to extend their lives can do so little to help them end those lives in a peaceful and painless way Brooke Jarvis The New Yorker More states and countries are passing right to die laws that allow the sick and suffering to end their lives at pre planned moments with the help of physicians But even where these laws exist they leave many people

behind *The Inevitable* moves beyond margins of the law to the people who are meticulously planning their final hours far from medical offices legislative chambers hospital ethics committees and polite conversation It also shines a light on the people who help them loved ones and sometimes clandestine groups on the Internet that together form the euthanasia underground Katie Engelhart a veteran journalist focuses on six people representing different aspects of the right to die debate Two are doctors a California physician who runs a boutique assisted death clinic and has written more lethal prescriptions than anyone else in the U S an Australian named Philip Nitschke who lost his medical license for teaching people how to end their lives painlessly and peacefully at DIY Death workshops The other four chapters belong to people who said they wanted to die because they were suffering unbearably of old age chronic illness dementia and mental anguish and saw suicide as their only option Spanning North America Europe and Australia *The Inevitable* offers a deeply reported and fearless look at a morally tangled subject It introduces readers to ordinary people who are fighting to find dignity and authenticity in the final hours of their lives

**The Routledge Handbook of Victorian Rebels** Brenda Ayres, 2025-02-19 Although history records that the British nineteenth century was obsessed with order conventionality and conformity there were many Victorians from all walks of life across lines of class race and gender who resisted social mores and sometimes the laws themselves in a variety of ways and to varying degrees Some expressed dissension through music art literature and social protest Others were more subtle like manipulative wives who gained what they wanted while seemingly remaining docile and submissive Some rebellion fermented into social and political movements The revolt of still others was extremely executed by serial killers criminals and suicides Contemporary readers can learn from these rebels and discern what values and ways that were uniquely Victorian should be retained and those that should be rejected after having observed their outcomes To that end this collection of essays offers a study for both novice and expert on Victorian rebels

[The Good Euthanasia Guide](#) Derek Humphry, 2005 *The Good Euthanasia Guide* is a where to and why book which complements the how to of *Final Exit* It contains an annotated list of every right to die group in the world and a unique account of the assisted suicide laws in almost every country a filmography and a bibliography Dr Jack Kevorkian's life and work are reported in three chapters

**Death and the American South** Craig Thompson Friend, Lorri Glover, 2015 *Death and the American South* is an edited collection of twelve never before published essays featuring leading senior scholars as well as influential up and coming historians The contributors use a variety of methodological approaches for their research and explore different parts of the South and varying themes in history

**The Last and Greatest Battle** John Bateson, 2015 In *The Last and Greatest Battle* the first book devoted exclusively to the problem of military suicides John Bateson brings this neglected crisis into the spotlight

*People v. Kevorkian; Hobbins v. Attorney General*, 447 MICH 436 (1994), 1994 99759
