The Ensouled Violin (Fantasy and Horror Classics) Madame Blavatsky, 2014-12-03 Helena Blavatsky is one of the most famous occultists of all time Founder of The Theosophical Society she has developed a polarising reputation her supporters see her as a visionary and a spiritual genius her detractors as a charlatan and a fraud First published in 1892 The Ensouled Violin is one of her lesser known tales Many of the earliest occult stories particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork The Ensouled Violin Helena Petrovna

The Palgrave Handbook of Steam Age Gothic Clive Bloom, 2021-02-03 By the early 1830s the old school of Gothic literature was exhausted Late Romanticism emphasising as it did the uncertainties of personality and imagination gave it a new lease of life Gothic the literature of disturbance and uncertainty now produced works that reflected domestic fears sexual crimes drug filled hallucinations the terrible secrets of middle class marriage imperial horror at alien invasion occult demonism and the insanity of psychopaths It was from the 1830s onwards that the old gothic castle gave way to the country house drawing room the dungeon was displaced by the sewers of the city and the villains of early novels became the familiar figures of Dr Jekyll and Mr Hyde Dracula Dorian Grey and Jack the Ripper After the death of Prince Albert 1861 the Gothic became darker more morbid obsessed with demonic lovers blood sucking ghouls blood stained murderers and deranged doctors Whilst the gothic architecture of the Houses of Parliament and the new Puginesque churches upheld a Victorian ideal of sobriety Christianity and imperial destiny Gothic literature filled these new spaces with a dread that spread like a plague to America France Germany and even Russia From 1830 to 1914 the period covered by this volume we saw the emergence of the greats of Gothic literature and the supernatural from Edgar Allan Poe to Emily Bronte from Sheridan Le Fanu to Bram Stoker and Robert Louis Stevenson Contributors also examine the fin de siècle dreamers of decadence such as Arthur Machen M P Shiel and Vernon Lee and their obsession with the occult folklore spiritualism revenants ghostly apparitions and cosmic annihilation This volume explores the period through the prism of architectural history urban studies feminism hauntology and much more Horror as Poe teaches us is the soul of the plot

Ghost Stories by British and American Women Lynette Carpenter, Wendy K. Kolmar, 2015-01-28 Originally published in 1998 and covering a tradition ignored by most critics this bibliography assembles and documents a large body of supernatural fiction written by women in English from the end of the 18th century to the present These stories the work of women whose literary reputations personal histories and bodies of work vary widely challenge the narrow way in which supernatural literature has traditionally been regarded they indicate a

much richer and more complex set of literary responses to the supernatural than has been hitherto acknowledged. The writers included range from Ann Radcliffe and the Gothic novelists to Louisa May Alcott, Charlotte Gilman and Edith Wharton to such modern writers as Elizabeth Bowen, Jean Rhys, Muriel Spark and A. S. Byatt. The volume will be of interest to literary and cultural historians and of particular importance to women's studies scholars. *The Late Victorian Gothic* Hilary Grimes, 2016-03-03. Examining the automatic writing of the spiritualists' discursive technologies like the telegraph and the photograph, various genres and late nineteenth century mental science, this book shows the failure of writers' attempts to use technology as a way of translating the supernatural at the fin de siècle. Hilary Grimes shows that both new technology and explorations into the ghostly aspects of the mind made agency problematic. When notions of agency are suspended, Grimes argues, authorship itself becomes uncanny. Grimes's study is distinct in both recognizing and crossing strict boundaries to suggest that Gothic literature itself resists categorization, not only between literary periods but also between genres. Treating a wide range of authors, Henry James, Rudyard Kipling, Arthur Conan Doyle, George Du Maurier, Vernon Lee, Mary Louisa Molesworth, Sarah Grand and George Paston, Grimes shows how fin de siècle works negotiate themes associated with the Victorian and Modernist periods such as psychical research, mass marketing and new technologies. With particular attention to texts that are not placed within the Gothic genre but which nevertheless conceal Gothic themes, *The Late Victorian Gothic* demonstrates that the end of the nineteenth century produced a Gothicism specific to the period. *The Work of Robert Reginald* Michael Burgess, 1992-01-01. A bibliography of science fiction and fantasy writer, editor and publisher Robert Reginald, with an introduction by William F. Nolan and an Afterword by Jack Dann. ***The Big Book of Classic Fantasy*** Ann VanderMeer, Jeff VanderMeer, 2019-07-02. A FINALIST FOR THE 2020 WORLD FANTASY AWARD. Unearth the enchanting origins of fantasy fiction with a collection of tales as vast as the tallest tower and as mysterious as the dark depths of the forest. Fantasy stories have always been with us. They illuminate the odd and the uncanny, the wondrous and the fantastic: all the things we know are lurking just out of sight on the other side of the looking glass, beyond the music of the impossibly haunting violin through the twisted trees of the ancient woods. Other worlds, talking animals, fairies, goblins, demons, tricksters and mystics: these are the elements that populate a rich literary tradition that spans the globe. A work composed both of careful scholarship and fantastic fun, *The Big Book of Classic Fantasy* is essential reading for anyone who's never forgotten the stories that first inspired feelings of astonishment and wonder. INCLUDING Stories by pillars of the genre like the Brothers Grimm, Hans Christian Andersen, Mary Shelley, Christina Rossetti, L. Frank Baum, Robert E. Howard and J. R. R. Tolkien. Fantastical offerings from literary giants including Edith Wharton, Leo Tolstoy, Willa Cather, Zora Neale Hurston, Vladimir Nabokov, Hermann Hesse and W. E. B. Du Bois. Rare treasures from Asian, Eastern European, Scandinavian and Native American traditions. New translations including fourteen stories never before in English. PLUS Beautifully Bizarre Creatures, Strange New Worlds, Just Beyond the Garden Path, Fairy Folk and Their Dark Mischief, Seriously Be Careful, Do Not Trust.
