The War Behind the Wire John Lewis-Stempel, 2014-01-30 The last untold story of the First World War the fortunes and fates of 170 000 British soldiers captured by the enemy On capture British officers and men were routinely told by the Germans For you the war is over Nothing could be further from the truth British Prisoners of War merely exchanged one barbed wire battleground for another In the camps the war was eternal There was the war against the German military fought with everything from taunting humour to outright sabotage with a literal spanner put in the works of the factories and salt mines prisoners were forced to slave in British PoWs also fought a valiant war against the conditions in which they were mired They battled starvation disease Prussian cruelties boredom and their own inner demons And of course they escaped Then escaped again No less than 29 officers at Holzminden camp in 1918 burrowed their way out via a tunnel dug with a chisel and trowel in the Great Escape of the Great War It was war with heart breaking consequences more than 12 000 PoWs died many of them murdered to be buried in shallow unmarked graves Using contemporary records from prisoners diaries to letters home to poetry John Lewis Stempel reveals the death life and above all the glory of Britain's warriors behind the wire For it was in the PoW camps far from the blasted trenches that the true spirit of the Tommy was exemplified

Changing Self-Destructive Habits Matthew D. Selekman, Mark Beyebach, 2014-09-25 For the first time in one volume self harm substance abuse eating disordered behavior gambling and Internet and cyber sex abuse five crippling self destructive behaviors are given a common conceptual framework to help with therapeutic intervention Matthew Selekman and Mark Beyebach two internationally recognized therapists know first hand that therapists see clients who have problems with several of these habits in varying contexts They maintain an optimistic positive solution focused approach while carefully addressing problems and risks The difficulties of change the risk of slips and relapses and the ups and downs of therapeutic processes are widely acknowledged and addressed Readers will find useful hands on therapeutic strategies and techniques that they can use in both individual and conjoint sessions during couple family and one on one therapy Detailed case

examples provide windows to therapeutic processes and the complexities in these cases Clinical interventions are put in a wider research context while research is reviewed and used to extract key implications of empirical findings This allows for a flexible and open therapeutic approach that therapists can use to integrate techniques and procedures from a variety of approaches and intervention programs

Australia's Greatest Escapes Colin Burgess,2020-07-22 Australia's greatest escape stories from two world wars Australia's Greatest Escapes is a collection of stories about the most hazardous aspect of the prisoner of war experience escape Here is all the adventure suspense and courage of ordinary Australians who defied their captors men who tunnelled to freedom crawled through stinking drains or clawed a passage beneath barbed wire in a desperate attempt to flee captivity They were willing to risk the odds and even death in the loneliest war of all the fight to be free Each possessed in spades the noble qualities of boldness resourcefulness cunning determination and mateship we have come to admire about our Australian service men and women under adversity Featuring stories of Australian POWs from all theatres of war including one who fled a German work camp during World War I another involved in a mass tunnel escape from a notorious Italian camp and an airman who brazenly attempted to steal a German fighter and fly it back to England We also re live the tragic saga of the Sandakan death marches in which six Australian escapers became the only survivors from 2000 POWs and follow the perilous journeys to freedom undertaken by Australian infantrymen following the appalling massacre of their fellow soldiers on the Japanese held island of Ambon

Philosophical Romanticism

Nikolas Kompridis, 2006-09-27 Philosophical Romanticism is one of the first books to address the relationship between philosophy and romanticism an area which is currently undergoing a major revival This collection of specially written articles by world class philosophers explores the contribution of romantic thought to topics such as freedom autonomy and subjectivity memory and imagination pluralism and practical reasoning modernism scepticism and irony art and ethics and cosmology time and technology While the roots of romanticism are to be found in early German idealism Philosophical Romanticism shows that it is not a purely European phenomenon the development of romanticism can be traced through to North American philosophy in the era of Emerson and Dewey and up to the current work of Stanley Cavell and Richard Rorty The articles in this collection suggest that philosophical romanticism offers a compelling alternative to both the reductionist tendencies of the naturalism in analytic philosophy and deconstruction and other forms of scepticism found in continental philosophy This outstanding collection will be of interest to those studying philosophy literature and nineteenth and twentieth century thought

Values Guide Decision-Making for Results

Stanley Remple, 2025-05-29 Strong business leadership built on a value based foundation has the power to drive profit while improving the lives of business leaders employees and even those in the community But a business leadership model must also reflect cultural context which is why author Stanley Remple argues that a cookie cutter individualistic Western approach doesn't serve the needs of Chinese business leaders Enter Leadership Wisdom for Businesses in China a powerful four book series that examines value based business leadership specifically within the Chinese cultural and social environment and offers a framework to promote individual and collective potential while creating a successful and competitive business In Book Three Values Guide Decision Making for Results Remple explores the importance of ensuring

all decision making is results based and dives into four business leadership responsibility areas that contribute to business success strategic direction complementary partnerships leadership development and governance accountability With a focus on technical tools creating and using a three year business plan is examined along with decision making processes to ensure all strategic action is aligned with performance objectives Case examples of successful Chinese businesses are also used to illustrate how these tools work within a cultural context Much more than a theoretical overview of business leadership this series offers a roadmap and solid tools for developing both self leadership and business leadership within a whole company Supported by a Chinese project team consisting of researchers educators writers and editors business leaders and other stakeholders this culturally relevant series has been written for both new and experienced business leaders and entrepreneurs leadership consultants and trainers and post secondary leadership programs in China However stakeholders in the West will also find great value in this comprehensive exploration of value based leadership The other volumes in the Leadership Wisdom for Business Success in China series are Book One Confronting the Business Leadership Crisis Book Two Developing a Value Based Business Book Four Cultural Factors Define Implementation Strategies Also available in Mandarin

The Escaping Habit Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Escaping Habit has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Escaping Habit has opened up a world of possibilities. Downloading The Escaping Habit provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Escaping Habit has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Escaping Habit. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Escaping Habit. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Escaping Habit, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Escaping Habit has transformed the way we access information. With the convenience, cost-effectiveness,

and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
