

An engraving of a forest scene. A large, leafy tree stands in the center-left. A group of people, some in robes and some in simpler clothing, are gathered around the base of the tree, some sitting and some standing. On the right, two figures in long robes and hoods stand looking towards the group. The background shows more trees and a bright light source, possibly the moon or sun, breaking through the canopy. The overall style is that of a 19th-century book illustration.
