The Eternal Security Of The Born Again Believer:

Eternal...the Believer , **Saved and Sure, Safe and Secure** John David Martin,2020-11-09 Have you ever found yourself involved in a conversation about the idea of once saved always saved one that turned into a religious argument Saved and Sure Safe and Secure seeks to demonstrate from the Scriptures that a born again Christian once saved can have assurance that he or she is saved and safe for eternity Writing in simple terms and plain language in order to communicate Bible doctrine to the average person author John David Martin affirms the doctrine of eternal security of believers in Christ and addresses common objections to the teaching of once saved always saved Whether you believe in eternal security or think you can lose it Pastor Martin hopes to help you strengthen your faith and challenge your thinking on the subject Many religious people who believe in God and profess to know Christ as their personal Savior still struggle with doubts concerning their salvation If you are worried you can put your fears to rest this study can help Aiming to encourage and uplift believers this theological study explores the topic of eternal security analyzing the biblical truths that teach and reinforce the certainty of this concept The Eternal Security of the Born-Again Believer Curtis Hutson,2000-08 *Eternal Security Proved!*

Phillip Evans,2008-04-30 Clear proof from the Bible that once you are saved by placing trust in Christ as your Savior you can never be lost again Difficult passages from Scripture are tackled head on and explained with clarity Do you sometimes doubt your salvation If you do then know that this is not a product of living by faith This is why the fear that you can lose your salvation is a hindrance to your Christian walk If the doctrine of unconditional security is true then to disbelieve it is to disbelieve God God has given us the truth in His Word It is up to us to know it and apply it so that we can live the victorious Christian life as our Lord and Savior Jesus Christ intends us to *Eternal Security: Is it Biblical?* Dr. Phil Berry,2011-01-12

The Life Principles Study Series Charles F. Stanley,2008-02-19 Revised and updated Dr Charles Stanley s well loved Life Principles study guide series has taken on new life through refreshed content Small groups and individuals who want a Bible study that s spiritually sound and practical will find a wealth of ideas to help them understand and apply the Scriptures to the real world *Eternal Security* Charles F. Stanley,1990-08-27 Do you ever find yourself wondering Is it actually possible to know beyond the shadow of a doubt that I am going to heaven If you say that my salvation is eternally secure and that I can never lose it does that mean that I can commit any sin and still go to heaven How can an understanding of eternal security make a difference in my Christian life With the wisdom and skill of a man who has personally wrestled with these questions internationally known pastor and bestselling author Charles Stanley addresses the age old issue of grace vs works in this compassionate straight forward book With questions at the end of each chapter Eternally Secure is an excellent choice for individual or group study I know from experience that until you settle once and for all the question of whether or not you are eternally secure joy will elude you Therefore it is my prayer that God will use this book in your life and that in the very near future you will be able to face life with the confidence that comes through knowing you are eternally secure Charles

Stanley Previously published in hardcover 0840790953 **Perspectives on Eternal Security** Kirk R. MacGregor, Kevagh Mattis, 2009-05-07 Eternal security or personal assurance of final salvation constitutes the single most important matter of practical theology in the Christian tradition For the past twenty centuries no other doctrine has exerted such a direct impact on the lives of lay Christians driving their daily actions guiding their permanent choices and shaping their psychology From the New Testament period onward a diversity of views on biblical interpretation anthropology and divine sovereignty have produced numerous models of eternal security However due to the early modern fracturing of Protestant thought along Reformed and Arminian lines today most evangelicals equate eternal security with Calvin's perseverance of the saints In an ecumenical vein this collection of essays aims to remedy the knowledge gap by bringing a breadth of biblical historical and philosophical perspectives to bear on the question of eternal security These essays comprise the first print anthology from the online theological journal Testamentum Imperium an international forum founded and edited by Kevagh Mattis featuring scores of first rate articles from Christian thinkers worldwide on the topic of eternal security This book therefore analyzes Calvin's model of perseverance alongside views on eternal security ranging historically from Clement of Rome to contemporary developments in philosophical theology and process theology Furthermore this book explores and strengthens the biblical roots of eternal security through an illuminating host of thematic studies on whole books and exegetical studies on particular passages Hence this volume will profit all who are interested in the scriptural foundations and historical outworkings of eternal security **The Eternal Security of the Believer** M.L. Moser, 2013-12-05 This pamphlet was compiled by Bro Moser who was a Baptist minister for nearly half a century It has proven to be a blessing to countless souls He discusses 100 reasons along with 100 supporting scriptures on proving eternal security Kept for Jesus Sam Storms, 2015-02-28 Can Christians lose their salvation This question has perplexed and at times distressed believers for centuries and it is still often asked today When faced with their sin and shortcomings many Christians are tempted to conclude that they've strayed too far and that God no longer loves them In Kept for Jesus pastor Sam Storms addresses common concerns that Christians have related to their eternal security offering hope and assurance from the Bible Examining every New Testament passage that speaks to this important issue this book charts a biblical course between those who say that Christians can lose their salvation and those who carelessly declare Once saved always saved This pastoral book will equip pastors church leaders and laypeople with biblical answers for anyone questioning their salvation *Eternal Security Of The Believer - H.A. Ironside* H.A. Ironside, 2015-06-06 The author asks then answers this important question Once we have been justified by faith who is there what power is there that can separate from the love of Christ H A Ironside was an able Bible teacher whose gift was to make God's Word easy to understand In this book he looks at the controversial subject which has divided Christians can believers be lost or are they eternally secure He looks at the difficult Bible verses and also presents the positive teaching that once a person is saved he or she is saved forever *Bread for Believers* Curtis

Hutson,2000-08 *Eternal Security* ,1974 Eternal Insecurity or Eternal Security James McClain,2018-07-24 Is it possible for a person to know with certainty that they have a future with God in Heaven Some hold the position that no one can know the answer to that question until they pass on from this life In a sincere search for an accurate answer guesswork will not provide the kind of clarity we seek It has to be one of the most serious questions if not the most serious question we each need the answer for Either a person can know that assurance or they cannot If we can know we have a home in Heaven then how If we cannot have that assurance then why not Is it too much to hope for that a person could have the promise of eternal peace with God As Believers we rejoice that the Lord Jesus promised His followers peace not as the world gives and that one of the fruits of the Holy Spirit is a continuing ministry of peace while we His people are here on earth Could it not be considered Biblically normal for a Believer to enjoy the comforting assurance of eternal life even as the Lord promised His followers abundant life while on earth If not it certainly appears that Believers are missing out on peace comfort joy happiness security and a source of fervor for a life of service to the Lord I believe the Lord wants the best for His people and that the Bible teaches we will never perish and never thirst again Perhaps the most challenging question a professing Believer especially a new convert has to deal with is whether or not a Christian could ever go to hell It is shocking to find that there is such unsettled belief about such an eternally serious question I was raised in a church that taught a person who professed Christ could be truly redeemed saved born again and then later in their Christian walk turn away be deceived away rebel sin away their faith and end up lost and undone and headed for separation from God It s as if what they are advocating is OK Jesus your sacrificial blood was sufficient to get me saved but if I m going to make it to heaven someday I have to be faithful read my Bible every day pray regularly witness to others daily win others to Christ regularly attend every church service and church sponsored event coming or going in effect saying Christ s Work needs supplemented I now believe that this doctrinal position is blasphemy When Jesus cried out from His cross It is finished He wasn t talking about His ordeal of suffering He was talking about His Sacrificial Work of Redemption nothing to be taken from It nothing added to It He alone accomplished it Heb 1 3 Anything mankind would offer could try to take away from His Glory The good works that a Believer does Bible reading witnessing praying etc are done because we are saved not in order to be more assured of making it to Heaven someday Nothing human could ever supplement the atoning Work of the Lord Jesus Christ a ministry only HE has Heb 1 3 **Believers' Eternal Security** Oppong Kyekyeku,2021-10-20 How do you understand the concept of eternal salvation through Christ Jesus Can a believer lose his or her everlasting salvation given by God due to circumstance Are you afraid of losing your eternal salvation of grace through faith in Jesus since you believed Is there anything you can do to secure your everlasting salvation without losing it The answers to these questions and beyond are what this book is all about Believers eternal security is only based on eternal salvation through faith in Christ Jesus which guarantees our freedom in Christ because of the grace pertaining to salvation we cannot lose But regrettably many believers are still under oppression

of fear for uncertainty of their eternal salvation They believed that they must hire security personnel to protect or hold their eternal salvation like an egg or work hard to secure it otherwise it will fall on the rock and break away for them to lose it which in fact is completely a delusional threat from the deceiver who is the devil that always contradicts the true Word of God Nowhere in the New Testament scriptures can you find such theory or doctrine it is totally and deliberately manmade fearmongering danger and confusing premature believers For if in fact you truly believed in Christ and have received salvation God who can never lie and can never change His mind has given it to you then it s eternal it s everlasting it s forever and it has no end You can never ever lose it irrespective of whatever happens Eternal salvation is and will never be partial to lose it halfway since God who promised believers is impartial Don t believe any garbage more than the true living Word of God Believer s eternal security is confidently never losing the everlasting salvation received from God through Christ Because eternal salvation is not a reward to the righteous but a gift to the guilty Amen **Eternal Security** Philip Berry,2009-12 Eternal security is real It is something that can be experienced here and now And in Eternal Security Is it Biblical longtime pastor and author Philip Berry shows you how as a Christian you can walk with Christ and gain the assurance of eternal life In this thought provoking discussion Berry presents doctrinal truths about Christian life and provides a lesson on learning how to read and understand the Bible Eternal Security Is it Biblical teaches you about the need for salvation how to know for sure you are saved and what it means to be adopted into the family of God With the use of scriptures Berry delves into the doctrines of salvation grace adoption predestination election and assurance as they relate to eternal life Whether you are a new Christian or a more mature believer in Christ Eternal Security Is it Biblical shows you how as a Christian you should follow with Christ and have the promise of eternal life which was and is pledged by Jesus Christ

Getting the Gospel Right - A Balanced View of Salvation Truth Carl Gordon Olson,2005-11 A revised and abridged edition of *Beyond Calvinism and Arminianism An Inductive Mediate Theology of Salvation* in Which theologian missiologist Olson gives the fruit of a 25 year theological pilgrimage His inductive focus on Scripture results in a middle view of salvation truth thus resolving polarized extremes This edition is much more readable and accessible for most Christians The exegetical methodology emphasizes context word studies and grammar of all relevant passages with extensive support for eternal security and refutation of deterministic concepts of salvation In the foreword Dr Tim LaHaye refers to the incredible distribution of the academic edition which sold out in 3 years A revised academic edition is forthcoming in 2006 Safe in Christ: the Great Doctrine of Eternal Security John W. Waiters,2010-08-20 What does it mean to be Safe in Christ Author Rev John W Waiters sheds light on trusting fully in Christ the Rock and being wary of the peril of ignorance through this great doctrine of eternal security Each believer is a priceless jewel secured in Gods own hand And they shall be mine saith the Lord of hosts in that day when I make up my jewels and I will spare them as a man spareth his own son that serveth him Malachi 4 17 He calls upon all of you both Christian believers and non believers to stand in faith with Christ to accept and embrace

Christ and to be Safe in Christ This enlightening and encouraging book offers you a chance to know Christ learn what Christians should be and discover a way to eternal peace With four compact chapters that discuss what it is to fall from grace why some people are still confused the scriptural proof that true Christians will never be lost and the falling that Christians do this book gives you a better grasp of yourself your being your soul your faith and your salvation This will hopefully bring you a five beam light One beam to help scatter the darkness that hinders the Lords prophet second beam to enlighten the people third beam to reveal the thickets of confusion as it points out the safe path around them fourth beam to spotlight the will and Word of God and the fifth beam to show the love of God for sinners who himself is the unshakeable hope of saints 7 Reasons Why You Should Read the Book 1 HOW TO BE SAFE 2 HUMAN SOULS AT RISK OF PERISHING 3 NO SECURITY OUTSIDE OF CHRIST 4 THE MOST COSTLY TRAGEDY 5 GODS GREAT LOVE FOR A LOST WORLD 6 GOD USES A HOUND DOG 7 DEVIL IN THE HOUSE

False Doctrines in the Christian Church Mel Heath, 2008-02 Today as we look around us we see a world that seems to be making huge steps of progress in every arena thanks to the age of technology Everything is better and faster However when we take a closer look at the facts that can easily be found on the web we find that the moral fabric of society is declining at an alarming rate The cities of our nation are rapidly becoming as evil and profane as Sodom and Gomorrah What should be of greater concern is that the Christian Church all those that profess to be followers of JESUS CHRIST is seen by nonbelievers as being no different than the world around them More than three quarters of the population of the United States claims JESUS as their LORD yet this nation is morally bankrupt What has happened to the Christian Church The purpose of this book is to help us take a closer look at what ALMIGHTY GOD has said about what the problem really is There is not much of any real importance that can or should be said about myself although I would like everyone to know that before I met JESUS I was the perfect picture of the chief sinner that the apostle Paul claimed to be As I look upon my past I know Paul would not have had a chance for the title if his life before CHRIST was compared with my own Glory be to GOD who empowers and inspires a wretched man s soul to do good For anyone to know more about me would bring them little gain however to know the one who can empower and inspire anyone who truly wants to change to become reconciled to our HEAVENLY FATHER is of the highest gain

The Quest For Truth Michael Dedivonai, 2012-08-30 This book is for the reader who takes interest in an age old issue that remains contemporary with every succeeding generation When how and why we are here are questions that have caused countless generations of thinkers and laymen alike to intuitively seek at the very least the semblance of an answer to questions that have become more of an outlook than a science and in turn spring up among the problems of modern life as opposed to allowing for a resolution to that which was intended to clarify instead of further complicate Free from the shackles and bias imposed by the various schools of religious scientific and philosophical thought the examinations offered herein are rooted in systematic analyses of the scientific philosophical ethical social and finally the religious which in turn allows for the explanation and justification of concepts that

enable the reader to adopt a perspective relevant to the distinctions of absolute truth and relativistic assumptions Our age is accurately referred to as the age of advancement and technology and for good reason The rapid pace of progression over the last century in the life sciences has contributed to a broadened understanding of knowledge itself and its relation to the psychological and sociological aspects of our existence As a result of the significant expansion of the sciences the desire for an understanding of self and simply of why has in many ways been diluted thus negating the never ending questions that once tugged at man's conscious in the middle of the night for thousands of years Today's amazing achievements have laid the foundation for a whole series of newer problems and questions that threaten mankind as never before The medical and biological sciences have enabled us to have a life expectancy beyond that of prior generations however coupled with that are the problems of population explosion which in the not too distant future will give rise to serious concerns We have the ability to harness the power of the atom yet along with it comes the ability to destroy all that we hold sacred Taking into consideration the advanced age we live in how does one account for the remarkable complexity extant throughout the known universe Is one to assume that our consciousness coupled with our overwhelming sense of purpose can be attributed solely to random chance alone The law of causation deals with the need for a preceding event leading to the outcome and despite the fact that this scientific age has left its handprint on every facet of life today it has failed to satisfy the innate question of simply why
