Sexual Acts Flugel, John Carl Flugel, René Guyon, 1934 The Ethics of Sex and Genetics Warren T. Reich, 1998 This single volume reference provides information answers and context for the often difficult questions arising from today's perception of sex and reproduction Among the topics covered are abortion AIDS lifestyles public health fertility genetics sexual ethics and prostitution The Ethics of Sexual Acts Rene Guyon, 2001-06-01 It is not unreasonable to assume that in a future society less benighted by the shadow of past ages Guyon will rank among the immortal emancipators of the human race His valiant efforts may eventually accomplish in the sphere of sex what the advanced thinkers of Voltaire's day achieved in the realm of political freedom The present volume contains many building stones upon which to rear a happier world the world of tomorrow although it may take generations before the edifice is completed Unquestionably The Ethics of Sexual Acts was years ahead of its time when it was first published in 1934 During the years since 1934 scientific and statistical workers have produced a body of evidence that shores up Guyon's conclusions The day for Guyon to reach his proper audience would seem to have arrived The scientific study of sexual phenomena and of the relations between the sexes has long been hampered by the censorship that has weighed so heavily on sex It is only since the dawn of the twentieth century that the question has been seriously raised as to whether the anti sexual moralists have not been the victims of some strange delusion The reader must not lose sight of the fact that this volume is essentially a physiological or to use the current expression a psycho physiological study He must expect in the following pages to find observations drawn without restriction from all physiological phenomena which are capable of throwing light upon our subject About the Author Rene Guyon was born at Sedan France in 1876 He studied at the University of Paris which awarded him a Doctor of Law degree in 1902 Primarily a jurist he began his writing career with treatises on French legal problems He has also written fiction and poetry Between 1924 and 1931 he published three examinations of materialistic philosophy in the fields of metaphysics biology and psychology Then came Osiris Deionysus Prometheus and Eros a tetralogy of inquiry into the soundness and value of human conventions and traditions During these active years Guyon was collecting material for his magnum opus Etudes d'ethiques sexuelles ten volumes of which the present book is the first volume He also traveled widely visiting much of Europe North Africa the Sudan Siberia China Indo China Malaya and Indonesia Invited by the Siamese government to draft and codify a new legal system he rose to chairmanship of the commission which finished its labors in 1919 Thereafter he became legislative adviser to the Ministry of Justice in Bangkok and a justice of the Siamese Supreme Court *Sexuality Difference and the Ethics of Sex Education* Joseph A. Dioria, 2001 The Meaning of Sex Dennis P. Hollinger, 2009-06-01 Our culture is not only sex crazed but also deeply confused about sex and sexual ethics Unfortunately Christians seem equally confused and the church has tended to respond with simplistic answers The reason for this confusion is that the meaning of sex has been largely lost Dennis Hollinger argues that there is indeed a God given meaning to sex This meaning found in the Christian worldview provides a framework for a biblical sexual ethic that adequately addresses the many contemporary moral issues

The Meaning of Sex provides a good balance between accessible theology and engaging discussion of the practical issues Christians are facing including premarital sex sex within marriage homosexuality reproductive technologies and faithful living in a sex obsessed world *The Ethics of Sex Selection* Sithara Batcha,2004 **The Palgrave Handbook of Sexual Ethics** David Boonin,2022-02-08 The Palgrave Handbook of Sexual Ethics is a comprehensive collection of recent research on the ethics of sexual behavior representing a wide range of perspectives It addresses a number of traditional subjects in the area including questions about pre marital extra marital non heterosexual and non procreative sex and about the nature and significance of sexual consent sexual desire and sexual activity as well as a variety of more recent topics including sexual racism sexual ableism sex robots and the metoo response to sexual harassment Each chapter defends a substantive thesis about the topic it addresses and the handbook as a whole thereby provides a strong foundation for future research in this important and growing field of inquiry **Theology & Ethics of Sex** Sakae Kubo,1980-01-01 The Ethics of Sex. Translated by John Doberstein Helmut Thielicke,1964 Are the Lips a Grave? Lynne Huffer,2013-10-08 Lynne Huffer's ambitious inquiry redresses the rift between feminist and queer theory traversing the space of a new post moral sexual ethics that includes pleasure desire connection and betrayal She begins by balancing queer theorists politics of sexual freedoms with a moralizing feminist politics that views sexuality as harm Drawing on the best insights from both traditions she builds an ethics centered on eros following Michel Foucault's ethics as a practice of freedom and Luce Irigaray's lyrical articulation of an ethics of sexual difference Through this theoretical lens Huffer examines everyday experiences of ethical connection and failure connected to sex including queer sexual practices sodomy laws interracial love pornography and work life balance Her approach complicates sexual identities while challenging the epistemological foundations of subjectivity She rethinks ethics beyond good and evil without underestimating as some queer theorists have done the persistence of what Foucault calls the catastrophe of morality Elaborating a thinking feeling ethics of the other Huffer encourages contemporary intellectuals to reshape sexual morality from within defining an ethical space that is both poetically suggestive and politically relevant both conceptually daring and grounded in common sexual experience Dirt, Greed, and Sex Louis William Countryman,1988 This new revised edition of the landmark 1988 text includes updated text and notes throughout taking advantage of recent studies of sexual ethics and where appropriate criticizing them A new chapter engages the presumed ethic of creation that has become a major theme among more conservative thinkers and writers in biblical ethics A concluding chapter on sex is thoroughly rewritten and offers a positive statement of a New Testament sexual ethic **Sex** Sir Patrick Geddes,John Arthur Thomson,1914 **The Philosophy of Sex** Raja Halwani,Jacob M. Held,Natasha McKeever,Alan Soble,2022-02-28 With twenty five essays seven of which are new to the eighth edition this best selling volume examines the nature morality and social meanings of contemporary sexual phenomena Topics include sexual desire and activity masturbation Sexual orientation asexuality transgender issues Zoophilia rape casual sex and promiscuity love

and sex polyamory sexual consent sexual perversion sexual ethics objectification BDSM sex and technology sex and race and sex work Updated and new discussion questions offer students starting points for debate in both the classroom and the bedroom *Love, a Treatise on the Science of Sex-attraction* Bernard Simon Talmey,1915
