Murder on the Reservation Ray B. Browne,2004-06-30 In *Murder on the Reservation* Ray B Browne surveys the work of several of the best known writers of crime fiction involving Indian characters and references virtually every book that qualifies as an Indian related mystery Browne believes that within the genre of crime fiction all people are equal and the increasing role of Indian characters in criminal fiction proves what an important role this genre plays as a powerful democratizing force in American society He endeavors to both analyze and evaluate the individual work of the authors and at the same time provide a commentary on the various attitudes towards race relations in the United States that each author presents Some Indian fiction is intended to right the wrongs the authors feel have been leveled against Indians Other authors use Indian lore and Indian locales as exotic elements and locations for the entertaining and commercially successful stories they want to write Browne s analysis includes authors and works of all backgrounds with mysteries of first class murder both on and off the reservation

Shaman or Sherlock? Gina Macdonald,Andrew F. Macdonald,2001-11-30 Fictional depictions of Native American concepts of justice crime and the investigation of crime are explored in this original work *Shaman or Sherlock* explores depictions created by Native American authors themselves as well as those created by outsiders with mainstream agendas The most successful of these writers fuse authentic Native American culture with standard genre conventions thus providing an appealing empathetic view of little understood or underappreciated groups as well as insight into issues of cross cultural communication Dealing with such significant concepts as acculturation regional diversity and assimilation this unique study evaluates over 200 detective stories Though the crime novel began in Europe as a manifestation of Enlightenment rationality and scientific methodology the Native American detective story moves into the realm of the spiritual and intuitive often incorporating depictions of non material phenomena *Shaman or Sherlock* explores how geographical and tribal differences degrees of assimilation and the evolution of age old cultural patterns shape the Native American detective story

Black Camelot William L. Van Deburg,2008-04-15 In the wake of the Kennedy era a new kind of ethnic hero emerged within African American popular culture Uniquely suited to the times burgeoning pop icons projected the values and beliefs of the Civil Rights and Black Power movements and reflected both the possibility and the actuality of a rapidly changing American landscape In *Black Camelot* William Van Deburg examines the dynamic rise of these new black champions the social and

historical contexts in which they flourished and their powerful impact on the African American community Van Deburg manages the enviable feat of writing with flair within a standardized academic framework covering politics social issues and entertainment with equal aplomb Jonathan Pearl Jazz Times A fascinating thorough account of how African American icons of the 1960s and 70s have changed the course of American history An in depth even tempered analysis Van Deburg s witty lively and always grounded style entertains while it instructs Publishers Weekly

Native American Mystery Writing Mary Stoecklein,2019-04-04 Though mystery crime and detective fiction are some of the most popular genres in the world little scholarship currently exists regarding Native American writers and how they add new dimensions to this widely read literary form Rather the majority of scholarship examines the depiction of Native characters from the perspective of non Native authors Native American Mystery Writing Indigenous Investigations analyzes how Native authors use the genre to foreground centuries of settler colonial crimes and comment upon the ways in which these acts continue to impact Native individuals and communities today Considering fourteen novels and two made for TV films this book surveys a spectrum of settler colonial crimes the Osage oil murders sexual assault against Native women missing and murdered Indigenous women the California mission system suppression of spiritual beliefs theft of land children and cultural items and of course murder Examination of these texts shows how Native authors working with the mystery crime and detective fiction formats are able to entertain readers while also sending strong social cultural and political messages that argue for strengthened tribal sovereignty and illustrate the resilience of Indigenous peoples all in order to promote discussions about creating a more just system for Native Nations
