Empereur, 1987 **A Companion to Anglican Eucharistic Theology** Brian Douglas, 2011-11-25 Anglican eucharistic theology varies between the different philosophical assumptions of realism and nominalism Whereas realism links the signs of the Eucharist with what they signify in a real way nominalism sees these signs as reminders only of past and completed transaction This book begins by discussing the multifomity of the philosophical assumptions underlying Anglican eucharistic theology and goes on to present case extensive study material which exemplify these different assumptions from the 20th Century to the Present By examining the multiformity of philosophical assumptions this book avoids the hermeneutic idealism of particular church parties and looks instead at the Anglican eucharistic tradition in a more critical manner Context and Text Kevin W. Porter,2007-01-24 First Published in 2007 Routledge is an imprint of Taylor Francis an informa company **Current Studies on Rituals** ,2024-11-25 **The Eucharistic Prayer at Sunday Mass** Richard E. McCarron,2008-04-28 Down in the valley God asked the prophet Ezekiel a mighty question Mortal can these dry bones live Ezekiel 37 3 Today this question is being posed once more to those who are charged with the preparation and celebration of the Sunday liturgy the assembly that celebrates the ministers from within that assembly who prepare and serve and those ordained as priests or bishops who preside We have come a long way since the early days of the conciliar reform of the liturgy Assemblies respond and sing the word is proclaimed with dignity and reverence careful attention is given to environment and season and all come to the communion table Many assemblies strive to realize fully week after week the vision of the Council that the eucharistic liturgy be seen heard felt and smelt as the summit toward which the activity of the church is directed the source from which all its power flows This is critical work if we are utterly convinced that the preeminent manifestation of the church is present in the full active participation of all God s holy people in these liturgical celebrations But many still know liturgical assemblies that are but shadows of who they are called to be and celebrations are slivers of what they could be Many stand at the brink of the valley and behold dry bones And when we come to the eucharistic prayer named the central prayer of the Sunday liturgy we behold very dry bones indeed The question is put forth Can these dry bones live We have come to realize that liturgy is something people do something people live The eucharistic

prayer is more than its words It is a way of praying and living What lies in the ritual book must be enfleshed when we gather We come together and breathe life into our rituals and their words We can do this because we have first been sealed in the Spirit the one who aids us in our weakness to pray that the very Spirit intercedes with sighs too deep for words Romans 8 26 from Chapter 1
