Student Companion to Eugene O'Neill Steven F. Bloom Ph.D., 2007-06-30 Eugene O'Neill is the only American dramatist ever to have received the Nobel Prize for Literature. He wrote over 50 plays; a number are virtually unknown by the general public; several are considered classics of the American stage; all of them demonstrate in one way or another how O'Neill challenged the conventional boundaries of the drama of his time and thereby paved the way for modern American theatre. This volume will provide guides to eight of O'Neill's plays that are most often studied in schools and colleges: *The Hairy Ape*, *Anna Christie*, *The Emperor Jones*, *Desire Under the Elms*, *Ah Wilderness*, *The Iceman Cometh*, *Long Day's Journey Into Night*, and *A Moon for the Misbegotten*. More than almost any other author in any fictional genre, O'Neill's works are highly autobiographical. The love-hate relationships he had with the members of his own family resonate throughout his dramatic works. The son of an alcoholic and a morphine addict, he struggled with chemical dependency throughout his life but determined to be an artist or nothing, he eventually gave up drinking and fulfilled his artistic ambitions, transforming the traumatic experiences of his life into compelling drama. O'Neill's drama provides insights into the complexities of human behavior and raises questions about the forces both external and internal that shape human lives. [The Cambridge Companion to Eugene O'Neill](#) Michael Manheim, Cambridge University Press, 1998-09-24 Specially commissioned essays explore the life and work of Eugene O'Neill from his earliest writings to *Long Day's Journey Into Night*. [Critical Companion to Eugene O'Neill, 2-Volume Set](#) Robert M. Dowling, 2009 This study explores the personal, historical, and artistic influences that combined to form such dark and influential American masterpieces as *The Iceman Cometh*, *The Emperor Jones*, *Mourning Becomes Electra*, *Hughie*, and arguably the finest tragedy ever written by an American, *Long Day's Journey into Night*. **Critical Companion to Eugene O'Neill** Robert M. Dowling, 2009 This study explores the personal, historical, and artistic influences that combined to form such dark and influential American masterpieces as *The Iceman Cometh*, *The Emperor Jones*, *Mourning Becomes Electra*, *Hughie*, and arguably the finest tragedy ever written by an American, *Long Day's Journey into Night*. **The Theatre of Eugene O'Neill** Kurt Eisen, 2017-11-16 Named a Choice Outstanding Academic Title of the Year 2018, *The Theatre of Eugene O'Neill* offers a new, comprehensive overview of O'Neill's career and plays in the context of the American theatre. Organised thematically, it considers his modernist intervention in the theatre, offers readers detailed analysis of the plays, and assesses the recent resurgence in his reputation and new approaches to staging his work. It includes a study of all his major plays: *The Emperor Jones*, *The Hairy Ape*, *The Iceman Cometh*, *Long Day's Journey Into Night*, *A Moon for the Misbegotten*, and *Desire Under the Elms*, besides numerous other full-length and one-act dramas. Eugene O'Neill is generally credited with inventing modern American drama in a time of cultural ferment and lively artistic and intellectual

change Yet O'Neill's theatrical instincts were always shaped by American stage traditions that were inextricable from his sense of himself and his own national culture This study shows that his theatrical modernism represents not so much a break from these traditions as a reinvention of their scope and significance in the context of international stage modernism offering an image of national culture and character that opens new possibilities for the stage while remaining rooted in its past Kurt Eisen traces O'Neill's modernism throughout the dramatist's work his attempts to break from the themes plots and moral conventions of the traditional melodramatic theatre his experiments in stagecraft and theme and their connection to traditional theatre and his European modernist contemporaries the turn toward direct and indirect self representation and his critique of the family and of American pipe dreams and the allure of success The volume additionally features four contributed essays providing further critical perspectives on O'Neill's work alongside a chronology of the writer's life and times

Eugene O'Neill and the Reinvention of Theatre Aesthetics Thierry Dubost, 2019-07-01 The plays of Eugene O'Neill testify to his continued search for new dramatic strategies The author explores the Nobel Prize winner's attempts at creating a new Modern play He shows how moving away from melodrama or the problem play O'Neill revisited the classical frames of drama and reinvented theater aesthetics by resorting to masks the chorus acoustics silence or immobility for the creation of his dramatic works

A Study Guide for Eugene O'Neill's "Ile" Gale, Cengage Learning, 2016 A Study Guide for Eugene O'Neill's *Ile* excerpted from Gale's acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs

Eugene O'Neill Stephen A. Black, 2002-01-01 Stricken with guilt and grief when his father mother and brother died in quick succession Eugene O'Neill mourned deeply for two decades This critical biography presents an understanding of O'Neill's life work and slow grieving

The Ecological Eugene O'Neill Robert Baker-White, 2015-09-25 The dramas of Eugene O'Neill often called America's first serious playwright exhibit an imagining of the natural world that enlivens the plays and marks the boundaries of the characters' fates O'Neill's figures move within purposefully animated natural environments ocean dense forest desert plains the rocky soil of New England This new approach to O'Neill's dramas explores these ecological settings as crucial to his characters' ability to carry out their conscious and unconscious desires O'Neill's career is covered from his youthful one acts to the middle years experimental dramas to the mature tragedies of his late period Special attention is paid to the connection of ecology and theological quest and to O'Neill's persistent evocation of an exotic natural other Combining an ecocritical approach with an examination of Classical and philosophical influences on the playwright's creative process the author reveals a new less hermetic O'Neill

Eugene O'Neill Harold Bloom, 2007 A collection of essays about the works of Eugene O'Neill

The Biography Book Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E's Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one
