In Prose and Verse Thomas Milner,1874      **A Critical Dissertation on the Book of Job** Charles Peters,1757      **A Critical Dissertation on the Book of Job. Wherein the account given of that book by the author of the Divine Legation of Moses demonstrated, &c. i.e. W. Warburton is particularly considered, etc** Charles PETERS (Rector of St. Mabyn, Cornwall.),1757      **John Calvin's Bible Commentaries On Habakkuk, Zephaniah, Haggai** John Calvin, Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation The two first Prophets HABAKKUK and ZEPHANIAH lived before the Captivity and the other HAGGAI began his prophetic office about sixteen years after the return of the great body of the people from Babylon by the permission given them by King Cyrus      **Commentary on the Minor Prophets** John Calvin, Commentaries on Hosea Joel Amos Obadiah Jonah Micah Nahum Habakkuk Zephaniah Haggai Zechariah Malachi For hundreds of years John Calvin s Commentaries have been admired and relied upon for their deep insights into Scripture Charles Spurgeon told his students It would not be possible for me too earnestly to press upon you the importance of reading the expositions of that prince among men John Calvin Of all commentators I believe John Calvin to be the most candid He was no trimmer and pruner of texts He gave their meaning as far as he knew it His honest intention was to translate the Hebrew and the Greek originals as accurately as he possibly could and then to give the meaning which would

naturally be conveyed by such Greek and Hebrew words he laboured in fact to declare not his own mind upon the Spirit's words but the mind of the Spirit as couched in those words And even Arminius himself admitted Next to the perusal of the Scriptures which I earnestly inculcate I exhort my pupils to peruse Calvin's commentaries for I affirm that he excels beyond comparison in the interpretation of Scripture and that his commentaries ought to be more highly valued than all that is handed down to us by the Library of the Fathers so that I acknowledge him to have possessed above most others or rather above all other men what may be called an eminent gift of prophecy *Calmet's Great Dictionary of the Holy Bible: Calmet's great dictionary ... K-Z* Augustin Calmet, 1813 Large Concordance to the Bible of the Last Translation Allowed by Authority Clement Cotton, 1635 **Calvin's Complete Commentary on the Bible** Calvin, John, All 46 of the original volumes are included in this one volume There are two linked indexes in this volume a main index at the front of this volume that will take you to the beginning each of the books of the bible and another index at the beginning of each book there is a linked scripture index leading to the particular subject John Calvin is considered as the first truly great scholar of the Reformation Indeed he has even been seen by some to be one of history's greatest Christian biblical scholars He had an incredible command of the Bible and his interpretations were not based on just one or two passages He combined pastoral insight with solid exegesis to form a strong interpretation of the scriptures However some of his views on the prophetic interpretation such as in the book of Daniel are controversial He put forth a purist view and believed that the prophecies in the book of Daniel applied solely to the history between the time of the prophet Daniel 530 BC and Jesus first coming 30 AD Nevertheless John Calvin was a force to be reckoned with and is considered to have a unique insight which enabled him to find the true meaning of the Bible Dutch theologian Jacobus Arminius after whom the anti-Calvinistic movement Arminianism was named states that Next to the study of the Scriptures which I earnestly inculcate I exhort my pupils to peruse Calvin's Commentaries which I extol in loftier terms than Helmich himself a Dutch divine 1551-1608 for I affirm that he excels beyond comparison in the interpretation of Scripture and that his commentaries ought to be more highly valued than all that is handed down to us by the library of the fathers so that I acknowledge him to have possessed above most others or rather above all other men what may be called an eminent spirit of prophecy His Institutes ought to be studied after the Heidelberg Catechism as containing a fuller explanation but with discrimination like the writings of all men During his life Calvin produced commentaries on 48 books of the Bible a total of 45 published volumes He intended to put out a complete commentary of the Bible but his death prevented this The books of Judges Ruth 1-2 Samuel 1-2 Kings 1-2 Chronicles Ezra Nehemiah Esther Job Proverbs Ecclesiastes Song of Solomon 2-3 John and Revelation were unfortunately not completed He did however write a two-volume commentary of the Harmony of the Gospels Matthew Mark and Luke as well as a separate commentary for the gospel of John Likewise he also wrote a two-volume series on the Harmony of the Law Exodus Leviticus Numbers and Deuteronomy Calvin's own exegesis of the original text allowed him to bring out a unique and pleasing

interpretation He begins each section of scripture with his own translation of the text and then further expounds upon it point by point making it an excellent resource for ministers and teachers alike After more than 400 years Calvin s commentaries are still a relevant and essential tool for Christians
