Children and Everyday Life in the Roman and Late Antique World Christian Laes,Ville Vuolanto,2016-11-10 Children and Everyday Life in the Roman and Late Antique World explores what it meant to be a child in the Roman world what were children s concerns interests and beliefs and whether we can find traces of children s own cultures By combining different theoretical approaches and source materials the contributors explore the environments in which children lived their experience of everyday life and what the limits were for their agency The volume brings together scholars of archaeology and material culture classicists ancient historians theologians and scholars of early Christianity and Judaism all of whom have long been involved in the study of the social and cultural history of children The topics discussed include children s living environments clothing childhood care social relations leisure and play health and disability upbringing and schooling and children s experiences of death While the main focus of the volume is on Late Antiquity its coverage begins with the early Roman Empire and extends to the early ninth century CE The result is the first book length scrutiny of the agency and experience of pre modern children

Subject Guide to Books in Print ,1997 The Hypotyposis of the Monastery of the Theotokos Evergetis, Constantinople (11th-12th

Centuries) R. H. Jordan, Rosemary Morris, 2016-03-03 This book forms part of the Evergetis Project which aims to investigate all surviving texts associated with the Monastery of the Theotokos Evergetis founded in 1049 near Constantinople A book length introduction sets out the historical significance of the house for the development of Byzantine monasticism and discusses its administration liturgy and way of life An English translation of the Hypotyposis the monastery's foundation document is provided accompanied by detailed notes Previous scholarship on the authorship of the Hypotyposis and the evolution of the text is discussed and linguistic analysis used to suggest that traces of the original foundation document by Paul Evergetinos can be identified within it The Hypotyposis was widely used as a model for later Byzantine and Slavonic typika and the precise relationship of these documents one to the other is demonstrated in detail The volume also includes prosopographical material on the known patrons of the monastery a discussion of its library English translations of later Greek and Latin texts referring to the monastery and a suggested reconstruction of Paul Evergetinos original foundation document
