Caram,2018-06-08 It is very evident from Scripture that women are and always have been very much involved in the plan and purposes of God in

the earth Women have been the instruments of God in the past and He still uses them today to accomplish His ministry to a lost and dying world This book will examine the lives of many of the women found in Scripture considering the special characteristics which caused them to be recorded in the Bible s sacred pages Sermon Outlines on Great Doctrinal Themes (Wood) Charles R. Wood, The Sermon Sucking Black Hole David R. Mains, 2015-05-12 Very little communication takes place between most pastors priests and their congregants regarding the weekly sermon homily This lack of constructive dialogue has resulted in Sunday messages that are not only out of touch with where parishioners are living but for the most part what s said isn t remembered much beyond the church parking lot Dr Mains contends that people in the pew can best judge when a sermon is helpful to them and when it isn t So why not include them in the process of both preparing and evaluating sermons Not preaching the sermons but again preparing and evaluating them He makes these changes sound so simple and practical that you can t help but wonder Why weren t these ideas implemented years ago Most people in the pew don t realize how integral they are to finding a solution to this problem But the pulpit pew combination can be an incredibly powerful team so let s begin to work together to help solve this mystery of what s happening to sermons This is not a negative book or one that only points out problems Instead it s a positive practical and encouraging read that should fill you with hope for not only your local congregation but churches everywhere *Dialogue with Deity* Raymond Grant, 2017-09-14 THERE are many aspects about the person of God that we are so curious about and wish we knew Some of those questions that ramble about in the hallways of our mind will only be satisfied in eternity However there is one thing for certain that can be known from the get go God is a talker He is an eloquent communicator and He loves to dialogue with His creation From the first book of the Bible onward God verbalizes His will expectations and love with mankind This book examines with excitement every instance in Genesis where God talked to man or man talked to God It is discovered that those occurrences greatly resemble contemporary social issues we face today and that dialogue contains pertinent wisdom for us as well and so we pray we learn from them how to dialogue with Deity RAYMOND GRANT is an essayist exegete and evangelist who has spent 30 years as a chaplain s assistant and teacher of Apologetics and Philosophy He has degrees in theology American Divinity School and education University of Portland His works include ghost writing co authoring books on church administration commentaries text books and evangelistic tracts He resides in Portland Oregon *Heart's Cry, Revised Edition* Jennifer Kennedy Dean, 2011-06-01 The human heart cries out for many reasons But the deepest cry is one of yearning to be filled with God s presence and power Whether we re praying help me to forgive or show me Your will our hearts long to connect with God Jennifer Kennedy Dean will help you learn how to listen for God s answer to your heart s cry In this book she shares principles of heart changing prayer These principles are not easy steps to making God do what you want but rather they enable you to live fully in God s power giving Him your heart to change as He sees fit The book is made up of 12 chapters each including discussion questions and a meditation and reflection guide A leader s guide is also included

in the back to make the book useful for group study **Larry Dexter and the bank mystery : or, Exciting days in Wall Street** Raymond Sperry,2025-04-24 In Larry Dexter and the Bank Mystery or Exciting Days in Wall Street Raymond Sperry crafts a gripping narrative that intertwines the intrigue of a financial heist with the adventurous spirit of youth The story follows the young protagonist Larry Dexter as he navigates the perilous waters of Wall Street uncovering secrets and facing challenges that test his intellect and courage Sperry s literary style seamlessly blends suspense and youthful exuberance portraying the bustling environment of early 20th century finance with vivid detail and dynamic dialogue This work not only serves as an engaging adventure story but also captures the essence of its time reflecting the economic aspirations and cultural milieu of an era on the brink of modernity Raymond Sperry an adept storyteller with a keen understanding of the financial realm drew inspiration from the burgeoning American economy of the early 1900s His background in literature and economics provided him with the perspective necessary to address both the excitement and the ethical dilemmas inherent in the business world Sperry s own experiences coupled with a commitment to portraying youthful determination likely influenced his decision to frame Larry Dexter s escapades within such a pivotal context This book is highly recommended for readers who are not only seeking adventure but also wish to gain insight into the formative years of American finance Sperry s blend of suspenseful storytelling and keen social commentary makes Larry Dexter and the Bank Mystery a timeless tale that resonates with anyone interested in the intersection of economy and youth A Word from Home Ardis Dick
