Harrington,2013-03-19 The extraordinary story of a renaissance era executioner and his world based on a rare and overlooked journal In a dusty German bookshop the noted historian Joel F Harrington stumbled upon a remarkable document the journal of a sixteenth century executioner The journal gave an account of the 394 people Meister Frantz Schmidt executed and the hundreds more he tortured flogged or disfigured for more than forty five years in the city of Nuremberg But

the portrait of Schmidt that gradually emerged was not that of a monster Could a man who practiced such cruelty also be insightful compassionate even progressive In *The Faithful Executioner* Harrington teases out the hidden meanings and drama of Schmidt s journal Deemed an official outcast Meister Frantz sought to prove himself worthy of honor and free his children from the stigma of his profession Harrington uncovers details of Schmidt s life and work the shocking but often familiar crimes of the day the medical practice that he felt was his true calling and his lifelong struggle to reconcile his craft with his religious faith In this groundbreaking and intimate portrait Harrington shows us that our thinking about justice and punishment and our sense of our own humanity are not so remote from the world of *The Faithful Executioner* *A Day in a Working Life* Gary Westfahl,2015-04-21 Ideal for high school and college students studying history through the everyday lives of men and women this book offers intriguing information about the jobs that people have held from ancient times to the 21st century This unique book provides detailed studies of more than 300 occupations as they were practiced in 21 historical time periods ranging from prehistory to the present day Each profession is examined in a compelling essay that is specifically written to inform readers about career choices in different times and cultures and is accompanied by a bibliography of additional sources of information sidebars that relate historical issues to present day concerns as well as related historical documents Readers of this work will learn what each profession entailed or entails on a daily basis how one gained entry to the vocation training methods and typical compensation levels for the job The book provides sufficient specific detail to convey a comprehensive understanding of the experiences benefits and downsides of a given profession Selected accompanying documents further bring history to life by offering honest testimonies from people who actually worked in these occupations or interacted with those in that field *Defiled Trades and Social Outcasts* Kathy Stuart,2000-05-04 This book presents a social and cultural history of dishonourable people unehrliche Leute an outcast group in early modern Germany Executioners skinners grave diggers shepherds barber surgeons millers linen weavers sow gelders latrine cleaners and bailiffs were among the dishonourable by virtue of their trades This dishonour was either hereditary often through several generations or it arose from ritual pollution whereby honourable citizens could become dishonourable by coming into casual contact with members of the outcast group The dishonourable milieu of the city of Augsburg from the sixteenth to the eighteenth centuries is reconstructed to show the extent to which dishonour determined the life chances and self identity of dishonourable people The book then investigates how honourable estates interacted with dishonourable people and how the pollution anxieties of early modern Germans structured social and political relations within honourable society **DUMAS - The Greatest Works of the Father and the Son** Alexandre Dumas,Alexandre Dumas fils,2023-11-13 In *DUMAS - The Greatest Works of the Father and the Son* readers are invited to explore an exquisite tapestry of narrative mastery from two of the most celebrated figures in literary history Alexandre Dumas and his son Alexandre Dumas fils This anthology showcases a range of themes from adventure to romantic entanglements set against the vibrant backdrop of 19th century
