The Practice of the Church Life according to the God-ordained Way Witness Lee, 1996-03-01 The practice of the God ordained way in its four steps should be our experience The first step is to fulfill the New Testament priesthood of the gospel To preach the gospel is to get sinners saved to be members of the Body of Christ The second step is to nourish and feed the new believers in the home meetings The third step is to perfect the saints through the group meetings The fourth and last step of the God ordained way is prophesying in the church meetings for the building up of the church consummating in the organic building up of the Body of Christ We should endeavor to build up the local church Eventually this building up will

consummate in the building up of the Body of Christ The Ministry, Vol. 12, No. 02 Various Authors, 2008-02-01 This issue of The Ministry contains a complete record of the nine messages given during the 2007 International Training for Elders and Responsible Ones in Mexico City Mexico October 4 6 2007 The general subject of the training was Knowing and Caring for the Church This knowing is a knowing by revelation and by the experience of life We need to know the Lord to know God s economy the divine dispensing and to know the church Our care for the church is limited by our knowing of the church and our behavior and proper conduct in the church as the house of God is determined by our knowing of the church This is a set principle The burden in these messages is that we must first know the church in order to care for the church If we do not know the church we cannot care for the church in a proper way Therefore we need to be those who know the church in the way that God knows the church and then we need to care for the church in the way that God cares for the church Our knowing the church according to revelation and the experiences of life brings in the proper caring We must care for the church according to the revelation the vision and the experiences of life that have constituted our inner knowing of the church Therefore our knowing of the church which is progressive must increase We also include letters from Romania concerning the Lord's move there
