## **The Exoneration Of The Black Hand 1917 1953:**

**The Exoneration of the "Black Hand," 1917-1953** David MacKenzie, 1998 This story provides information about interwar royal Yugoslavia its collapse and the debate as to whether the Serbian patriotic society or Black Hand was a nationalist organization or a group of traitors This edition begins with the legacy of the Salonika Trail of 1917 Yugoslavia in the Shadow of War John Paul Newman, 2015-06-25 The Yugoslav state of the interwar period was a child of the Great European War Its borders were superimposed onto a topography of conflict and killing for it housed many war veterans who had served or fought in opposing armies those of the Central Powers and the Entente during the war These veterans had been adversaries but after 1918 became fellow subjects of a single state yet in many cases they carried into peace the divisions of the war years John Paul Newman tells their story showing how the South Slav state was unable to escape out of the shadow cast by the First World War Newman reveals how the deep fracture left by war cut across the fragile states of New Europe in the interwar period worsening their many political and social problems and bringing the region into a new conflict at the end of the interwar period **A Concise History of Serbia** Dejan Djokić, 2023-01-26 An accessible and engaging single volume history of Serbia from the Early Middle Ages to the present day **Sarajevo 1914** Mark Cornwall, 2020-09-03 In June 1914 Archduke Franz Ferdinand was assassinated in the Bosnian capital of Sarajevo This key event in 20th century history continues to fascinate the public imagination yet few historians have examined in depth the regional context which allowed this assassination to happen or the murder's ripples which quickly spread out across the Balkans Austria Hungary and Europe as a whole In this study Mark Cornwall has gathered an impressive cast of contributors to explore the causes of the Sarajevo assassination and its consequences for the Balkans in the context of the First World War The volume assesses from a variety of regional perspectives how the South Slav Question destabilized the empire's southern provinces provoking violent discontent in Croatia and Bosnia and exacerbating the empire's relations with Serbia regarded by Austria Hungary as a dangerous state It then explores the ripples of the Sarajevo event from its evolution into a European crisis to the creation of a new independent state of Yugoslavia Bringing together fresh perspectives by historians from Austria Croatia Slovenia and Serbia as well as leading British historians of Austria Hungary this book is essential reading for anyone wanting to understand the Sarajevo violence and how it shaped modern Balkan history Europe's Last Summer David Fromkin, 2007-12-18 When war broke out in Europe in 1914 it surprised a European population enjoying the most beautiful summer in memory For nearly a century since historians have debated the causes of the war Some have cited the assassination of Archduke Franz Ferdinand others have concluded it was unavoidable In Europe's Last Summer David Fromkin provides a different answer hostilities were commenced deliberately In a riveting re-creation of the run up to war Fromkin shows how German generals seeing war as inevitable manipulated events to precipitate a conflict waged on their own terms Moving deftly between diplomats generals and rulers across Europe he makes the complex diplomatic

negotiations accessible and immediate Examining the actions of individuals amid larger historical forces this is a gripping historical narrative and a dramatic reassessment of a key moment in the twentieth century **Virginio Gayda, the Yugoslav Question and the Italian Irredenta** Anthony Di Iorio, 2023-11-13 This is a study of the early writings of Virginio Gayda 1885 1944 a talented but amoral Italian journalist whose career spanned two world wars A keen observer prolific writer and propagandist during his stint as the newspaper La Stampa s special correspondent in Habsburg Vienna Gayda lent his considerable skills to promote an aggressive foreign policy No one did more than he to poison relations between the Italian and Yugoslav peoples His is the story of a respected journalist who chose an ultranationalist path to fascism and international fame Not uninfluenced by rank careerism and material reward he forsook his roots to embrace the antisemitic race laws of 1938 and Italy s disastrous partnership with Nazi Germany **1998** Massimo Mastrogregori, 2013-05-08 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors The Salonica Theatre of Operations and the Outcome of the Great War , 2005 **Yugoslavia and Its Historians** Norman Naimark, Holly Case, 2003-02-19 The goal of this volume is to bring together insights from a distinguished group of American and European scholars of Yugoslavia to add depth to our historical understanding of that country s recent struggles *Researching World War I* Robin Higham, Dennis Showalter, 2003-12-30 World War I was the greatest cataclysm Europe had ever known directly involving 61 million troops from 16 nations Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized Written by highly respected authorities this book discusses the literature on all aspects of the war making it an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature The struggle mobilized manpower from home troops from the colonies abroad and in most countries women as well as men Governments increasingly intervened in everyday life New weapons and organizational structures were developed Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized Written by highly respected authorities this book discusses the literature on all aspects of the war Dennis Showalter s opening chapter covers the controversial issue of the war s origins a complex subject that has been much debated by historians Ensuing chapters consider the literature on each of the participating countries The broader subjects of the war at sea and the war in the air are also covered Daniel Beaver s final chapter discusses the mobilization of industry and the new military technology This book is an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature *Serbian Studies* , 2002 Serbs and Russians David MacKenzie, 1996 Available for the first time in English this is the definitive

account of the practice of sexual slavery the Japanese military perpetrated during World War II by the researcher principally responsible for exposing the Japanese government's responsibility for these atrocities The large scale imprisonment and rape of thousands of women who were euphemistically called comfort women by the Japanese military first seized public attention in 1991 when three Korean women filed suit in a Tokyo District Court stating that they had been forced into sexual servitude and demanding compensation Since then the comfort stations and their significance have been the subject of ongoing debate and intense activism in Japan much if it inspired by Yoshimi's investigations How large a role did the military and by extension the government play in setting up and administering these camps What type of compensation if any are the victimized women due These issues figure prominently in the current Japanese focus on public memory and arguments about the teaching and writing of history and are central to efforts to transform Japanese ways of remembering the war Yoshimi Yoshiaki provides a wealth of documentation and testimony to prove the existence of some 2 000 centers where as many as 200 000 Korean Filipina Taiwanese Indonesian Burmese Dutch Australian and some Japanese women were restrained for months and forced to engage in sexual activity with Japanese military personnel Many of the women were teenagers some as young as fourteen To date the Japanese government has neither admitted responsibility for creating the comfort station system nor given compensation directly to former comfort women This English edition updates the Japanese edition originally published in 1995 and includes introductions by both the author and the translator placing the story in context for American readers
