The Expansion Of God:

The Expansion of God Leslie G. Howard, 1928, 城市 神学 城市 *The Essential City of God* Gregory W. Lee, 2025-04-01 Augustine is the most influential thinker of Western Christianity and City of God is arguably his greatest work After the sack of Rome in 410 many Romans despaired about the future of the empire Critics of Christianity blamed the devastation on the empire's conversion to the faith City of God is Augustine's monumental response to these challenges developed through analysis of Roman society engagement with classical philosophy and extended commentary on Scripture These sprawling discussions yield Augustine's theology of the two cities according to which all people are divided into two communities according to their ultimate loves whether of God or of self Christians are called to love eternal goods over temporal goods even as they seek the peace of the earthly city The length and complexity of City of God make its argument difficult to follow even for specialists This resource abridges Augustine's work and makes it accessible for a wide readership The selections focus on his social and political thought while indicating the larger shape of his work They are accompanied by explanatory notes essays on critical and complex topics and an outline of the entire text These aids will enable readers to experience Augustine's work for themselves The Essential City of God retrieves ancient wisdom for the modern world offering an enduring vision for faithfulness and hope in times of social instability

The Leeser Bible TOV Rose, 2012-04-23 Rabbi Isaac Leeser 1806-1868 of Philadelphia was responsible for the first Jewish translation of the Bible made for American Jewry Leeser's considerable learning in matters biblical and rabbinic derived in major measure from the fine research then flowering in Germany and his translation of the Bible became in a short time the standard Bible for English speaking Jews in America I originally put this edition together edited it and published it as a gift to my own father who loves this Bible version *Life-study of John* Witness Lee, 2023-09-26 Although the language of the Gospel of John is simple this book is deep and profound In this life study Witness Lee shows that the Bible is a book of life and building and that the Gospel of John also is focused on life and building The Gospel of John reveals that in Christ the Word of God is life that He came that man may have life and that He Himself is life Furthermore this Gospel shows that Christ is the bread of life that He has the water of life that He gives life to man and that He even lives in man as life The Gospel of John also unfolds the divine building In 1:14 we see that Christ in the flesh was the tabernacle for God's habitation among men on earth In 2:19-21 Christ's human body was also the temple of God on earth Through His death His body in the flesh was destroyed and in His resurrection He raised up His mystical body the church to be the enlarged temple of God This is God's building in the universe Furthermore this Gospel reveals that the believers are to be built up to be the Father's house the dwelling place of the Triune God This is adequately and fully disclosed in John 14 According to that chapter all the

believers will be built together as God's eternal habitation with many abodes. Thus as the Lord's last prayer in John 17 indicates, all His believers must be built up into one. The first section of the Gospel of John, composed of the first 13 chapters, is on the coming of the Lord Jesus to bring God into man and to declare God to man. The second section, composed of the last eight chapters, is on the Lord's going in death and coming back in resurrection to bring man into God and to abide in and with man for God's building.

God's Empire Hilary M. Carey, 2011-01-06

In *God's Empire*, Hilary M. Carey charts Britain's nineteenth-century transformation from Protestant nation to free Christian empire through the history of the colonial missionary movement. This wide-ranging reassessment of the religious character of the second British empire provides a clear account of the promotional strategies of the major churches and church parties which worked to plant settler Christianity in British domains. Based on extensive use of original archival and rare published sources, the author explores major debates such as the relationship between religion and colonization, church-state relations, Irish Catholics in the empire, the impact of the Scottish Disruption on colonial Presbyterianism, competition between Evangelicals and other Anglicans in the colonies, and between British and American strands of Methodism in British North America.

The Voice of God's Rock David KOLZION, 2005-02

Author David Kolzion, a refugee from Galang, Indonesia, immigrated to Australia over ten years ago. *The Voice of God's Rock* tells of his efforts to learn and accept new ideas as he embarked on a spiritual journey that spans three countries and thirty years. In this, the fifth and final edition of his story, Kolzion asks such speculative questions as: Is God able to raise up His children out of rocks for Abraham? For ten years, Kolzion studied the ancient Hebrew Scripture, the Book of the People, and he details his long and arduous process to reach understanding. By telling the fascinating tale of his immigration from a refugee camp in Indonesia to a boat that carried him to Australia, Kolzion shares the spiritual experiences that led up to his eventual departure from traditional Christianity. By openly sharing his journey, which explores the God of Abraham, Isaac, and Jacob, he encourages the reader to actively question their own religious beliefs. *The Voice of God's Rock* will certainly spark lively spiritual discussions throughout the world, as readers learn that through their own studies, they may also teach others to seek new spiritual ideas.

The Ministry, Vol. 09, No. 04 Various Authors, 2005-04-01

This issue of *The Ministry* contains the first group of eight messages given during the 2004 fall term of the Full-time Training in Anaheim, California. The general subject for this line of messages is the intrinsic significance of the Lord's recovery for the building of the church as the house of God and the city of God. The word recovery means a restoration or a return to a normal condition after damage or loss has been incurred. The principle of recovery is to bring us back to the beginning, Matt 19:8, to God's beginning, back to what is normal in God's eyes. We do not want to be in an abnormal situation of division, confusion, or denominationalism, or in a situation filled with idols and impurities. We want to be recovered back to the enjoyment of Christ as our all-inclusive good land, so that we can be filled with Him in His unsearchable riches and be built up to be the living temple, the house of the living God, 1 Tim 3:15. This is the Body of Christ for His

expression We also want to be built up as the kingdom of God to represent God for His dominion on this earth as pictured by the city of Jerusalem God s recovery begins with our exercised spirit God wants to recover the spirit of man for His economy We can exercise our spirit to contact God worshipping God in our spirit with Christ as our reality Thus we are here to build up the church as the house of God and the kingdom of God Last of all we include a report concerning the Lord s move in the French speaking world and an update concerning the distribution of the ministry in Poland

God and Christ Stopford Augustus Brooke,1894

God and the Spiritual Tsunami Kjell Axel Johanson,2018-06-22 God is clearly at work today There is a cultural political and religious metaphorical tsunami gathering power under the surface of ordinary world events and when it is fully released it will turn the world as we now know it upside down Thousands upon thousands of Muslims Buddhists Hindus and nominal Christians become followers of Jesus Christ every day and the effects are enormous The premises of this book are There is a God and the belief in God is a moral and not an intellectual question God created mankind out of his goodness as his representatives on Earth Since God is by nature good and generous the essence of sin is to doubt this goodness and walk away from him God nonetheless continues to seek man in order to bless him and he has an encompassing plan to accomplish that purpose He began this purpose through his covenant with Abraham and is fulfilling it through Jesus Christ Contemporary evidence of this purpose can be seen clearly in what he is doing right before us We see it in the nation of Israel through the growth of the church and the persecution of the church

Kabbalah and the Art of Being Shimon Shokek,2013-10-23 This new approach introduces Kabbalah as a spiritual Jewish way of living a practical wisdom for living creativity and well being and not merely a religious phenomenon or esoteric theology Professor Shokek suggests that the Kabbalistic theme of Creation is the central ingredient in the spiritual teachings of Jewish mysticism He skilfully reveals the core questions that emerge from the wisdom of the Jewish sages opening up a lively avenue of debate in this increasingly popular area of study

apostolic church The orthodoxy of the church is the church according to the teaching and practice of the apostles What is orthodox is the New Testament apostles vision revelation teaching practice direction and ministry In the mid 1940s Watchman Nee gave the messages published in The Orthodoxy of the Church In the preface to the English edition Witness Lee writes What we urgently need today is to come back to the orthodoxy of the beginning and stand firmly on the ground of locality The Collected Works of Watchman Nee vol 47 p 6 In The Orthodoxy of the Church Watchman Nee is one with the Lord to identify what is not normal and what is degradation he also identifies what is the orthodoxy of the church the apostolic church as revealed in the New Testament In this issue we will see from Revelation 2 and 3 that only the church in Philadelphia returned to the orthodoxy of the church We may already have some knowledge about this subject However we need to be in fear and trembling lest we would have confidence in our knowledge and understanding and think that there is nothing new to see gain or experience To have such an attitude is to have the spirit of the Laodiceans who boasted and said I am wealthy and have become rich and have need of nothing Rev 3 17 In principle the elders and responsible brothers are the messengers representing the church are responsible for the church have a heart to care for the church and recognize that they are under the Lord s direct authority concerning the church The Spirit speaks to the churches the Son of Man however speaks to the messengers The entire book of Revelation is the revelation of the person of Jesus Christ and not the revelation of locusts beasts or so many other things It is the revelation of Jesus Christ through Jesus Christ and concerning Jesus Christ If we are to return to the orthodoxy of the church we cannot merely return to teachings and practices we must return by way of the person Jesus Christ the One who knows the situation of every local church and of every messenger of every local church If we have an increasing vision of what is most on God s heart for His eternal satisfaction the bride the wife the New Jerusalem we will be beside ourselves in the Spirit In the first three chapters of Revelation we can see how the Lord cares for the churches Even in His awesome majesty He must judge them in order to gain them In the final two chapters the Lord Jesus sent His angel for the particular purpose that all His dear churches would see the final vision of 22 16 From the beginning to the end the Lord cares for the churches This word should at least give us a heart to see what John saw and to treasure and care for it The Reports and Announcements section at the end of this issue contains the winter 2016 mass distribution update a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe **Seek Ye First the Kingdom of God** Nathaniel Rock, 2005-08 The recurring theme of God emerges in the form of the Kingdom of God In this poignant work Rock delves into this issues which modern day Christianity has abandoned Christianity
