The Expendables The Venom Of Argus:

The Expendables: The Venom of Argus Edmund Cooper, 2011-09-29 The Expendables had struck it lucky at last After grappling with the revolting Death Worms of Kratos the deadly Rings of Tantalus and the weirdly anachronistic military society of Zelos their fourth mission looked an easy one Argus was an earth type planet with one major continent comfortably covered with vegetation But that was before The Expendables encountered the deadly harpoon tree or the low lying plant which grasped greedily at anyone who dared to set foot on it or the hornets that paralyzed their victims so as to enjoy their food in peace Worst of all the lurking horrors of Argus was the deadly hallucinogenic pollen which turned quiet Santa Maria crew members into vicious maniacs

The Expendables Edmund Cooper, 1976 *The Expendables: The Rings of Tantalus* Edmund Cooper, 2011-09-29 First they went to Kratos and faced the Deathworms Then they went on to Tantalus and tried to fathom the Rings which could only have been fabricated with the help of highly sophisticated machinery And then they discover an alien spaceship orbiting the planet in strict silence and incommunicability When they finally boarded the vessel it was obvious that it had been derelict for centuries as a result of some dreadful battle Meanwhile down below the enigmatic Rings lay waiting to deal with intruders as they did the deadly vampire tree Once again Commander James Conrad and his team of Expendables faced their mission to find planets suitable for colonization The second of a new series of books The Rings of Tantalus seems guaranteed to further launch Richard Avery as a very special writer of modern science fiction novels And there are more to come

The Expendables: The Deathworms of Kratos Edmund Cooper, 2011-09-29 The Expendables were criminals offered pardons in exchange for exploring alien worlds But their mission takes them to Kratos where the local lifeform is giant slimy and hostile

The Expendables: The Wargames of Zelos Edmund Cooper, 2012-12-14 Zelos seemed an ideal planet for colonization Possessing one large continent and numerous archipelagos it had a climate and vegetation comfortably like that of Earth Captain James Conrad and his crew of Expendables started on their initial reconnaissance of the planet For the first time they found human beings already in residence But this was a society remote from anything they had ever before experienced For the Emperor of this strange world controlled his domain through the great annual War Games Only the fittest could survive and only they were allowed to procreate Through this death control the population was limited to twenty thousand There was only one way the Expendables could get permission to establish a colony on Zelos Risking their own lives they must compete in the dreaded War Games And somehow they must win

The Slaves of Heaven Edmund Cooper, 2011-09-29 Welcome to Heaven said the voice The acquisition programme is entirely for females but the occasional enterprising male does not displease us Berry Chief of his clan knew his people could survive the dangers of the forest and when winter came he made them build barricades against raiders from other clans But no barricades were strong enough to hold against the Night Comers huge silver beings of horrifying strength who carried away the womenfolk and were drastically lowering the human population Were the Night Comers men monsters or gods Berry

believed they were men and when the inevitable night came when the women of his clan were seized he managed to follow He followed them to a huge tapering column of metal which took him away from the world he had known to an island in the sky called heaven And there Berry realised that he had to defeat the Lords of Heaven if the people on Earth were to survive

The Cloud Walker Edmund Cooper,2011-09-29 The Civilizations of the First and Second Man have been destroyed by the products of their own technology Now the world is emerging from a new dark age into the dawn of a second Middle Ages Britain is dominated by a Luddite Church and by the doctrine that all machines are evil Into this strange world comes Kieron an artist s apprentice who is inflamed by a forbidden dream to construct a flying machine which will enable man to soar through the air like a bird

Seahorse in the Sky Edmund Cooper,2011-09-29 At first he thought it was all part of some crazy nightmare But it wasn t Russell Grahame M P was one of a handful of passengers flying from Stockholm to London One moment flying peacefully in the sky the next lying in an un Earthly green coffin Grahame was the first to emerge from this strange resting place But for him as well as for the others it had been only the ecliptical experience Soon all were to find themselves lost in a bizarre world of Mediaeval knights Stone Age warriors and gremlins caught unalterably in the weirdest cocoon of Time

Jupiter Laughs Edmund Cooper,2011-09-29 What happened on Judgement Day Do we have Martian ancestors Will we blow up the world In this collection of his best SF stories Edmund Cooper gives his own inimitably entertaining answers to these and other such intriguing questions From The Death Watch to The Brain Child Cooper considers possible scenarios Sometimes he is serious sometimes satirical Sometimes he is uncomfortably close to the truth

Ferry Rocket Edmund Cooper,2015-07-30 Philip Shane journalist for the London Sunday Sentinel and undercover agent for the British Government sets out at the Prime Minister s request to investigate the death of key scientists on the moon His fellow travellers are Claire Scott daughter of Sir Fabian Scott pioneer of Lunar City Professor Denis Quarles a one man Investigating Commission Gaff Midley a psychiatrist the Ferry Rocket Commander and crew At Woomera firing base for the Ferry Rockets in the year AD 2050 Shane is drugged and sabotage occurs On the Commonwealth Space Station 1079 miles above the Earth the Ferry Rocket Commander is killed Who is responsible and why

Who Needs Men? Edmund Cooper,2013-05-20 IT WAS EXTERMINATION DAY THE REMAINING MEN WERE TO BE HUNTED DOWN Rura Alexandra Madam Exterminator had recently graduated into a 25th century world where men had become biologically less important where women could reproduce as they wished by cloning and parthenogenesis Her task was simple in theory if not in practice to wipe out the last few thousand men who had taken refuge in the Highlands of Scotland But an ambush near Lock Lomond led to rape and the killing of her fellow exterminators And Diarmid MacDiarmid the last remaining rebel chieftain proved too much of a fascination

A World of Difference Edmund Cooper,2012-11-30 This collection contains one long novella The Firebird which some critics regard this as Edmund Cooper s finest work Two stories were written especially for the collection and the remaining stories were written and published over a number of years in various magazines but have

not been collected together before in book form The theme of all the stories is fantasy Edmund Cooper is fascinated by worlds of the imagination as much as the real world which he sometimes satirises in his books In this collection there are elements of tragic fantasy and also of humorous and satirical fantasy Here are the best of his fantasy stories in one volume This book contains the following Introduction The Firebird Jahweh The Diminishing Dragon The Snow Crystals Second Chance I Am a Ghost **The Uncertain Midnight** Edmund Cooper,2011-09-29 They called him the Survivor a 20th Century man reborn in 2113 After a devastating atomic holocaust mankind had now turned to the machine to solve his problems Which led to the androids descended from the robot they were hardly distinguishable from real humans By the year 2113 they ran society leaving man to a life of leisure It was into this world that John Markham emerged after spending 146 years of suspended animation in an underground deep freeze unit But his new lease of life was likely to be a short one A man with his outdated ideas could be very dangerous a fact the androids realized only too well Prisoner of Fire Edmund Cooper,2012-11-30 Vanessa Smith looked like any normal seventeen year old girl But Vanessa wasn't normal at all She possessed extraordinary telepathic powers and in the 1990s telepathy was the ultimate weapon in psychological warfare Vanessa along with other gifted children was virtually a prisoner at Random Hill Residential School developing her abilities for Government exploitation So when she escaped Vanessa became a political embarrassment Questions were asked by the Opposition It was vital for the Prime Minister the ruthlessly dictatorial Sir Joseph Humbolt that everything that marked Vanessa's existence should be erased And orders were given that she should be hunted down using telepaths like herself and destroyed Voices in the Dark Edmund Cooper,2011-09-29 At ten thirty in the morning the skies over London were clear Then an arrow formation of five bright points became visible They appeared to be moving at an amazing speed in tight circles They were spiralling down to about five thousand feet and at that altitude their nature was easily discernable They were the things most of us had discussed and dismissed at one time or another Flying Saucers Giant saucers smooth and lustrous and blinding more than a hundred yards in diameter They hung over the city in a neat formation **All Fools' Day** Edmund Cooper,2014-06-30 Summer 1971 A marvellous spell of weather idyllic in its warmth But new sun spots had appeared and with their appearance came a significant increase in the suicide rate The wonderful summer continued for a decade simultaneously Radiant Suicide reached endemic proportions the only people to escape its effects being the supposed transnormals the obsessionals the eccentrics and the psychopaths These were to be the only remnants of the ancient homo sapiens **Five to Twelve** Edmund Cooper,2011-09-29 The twenty first century is drawing to an end Earth's social structure has undergone a complete reversal women dominate society and men have been reduced to the status of manipulated objects Into this world comes Dion Quern a self styled troubadour who refuses to conform to the social norm But he discovers that women are superior to men in both bodily strength and number And how can one man hope to change a whole society *Kronk* Edmund Cooper,2012-12-14 The Day Gabriel Chrome a failed book sculptor contemplating suicide

on the Thames Embankment stumbled on the suicide bid of the naked Camilla Greylaw was a day of hopeful redemption for a corrupt and violent world For the lovely form that he chanced to preserve was the sole carrier of a contagious venereal disease A bug which could inhibit the aggressive instinct rendering total placidity in all humans At once Gabriel s life has new meaning and purpose To save mankind becomes his hardened ambition But mankind seems far from hope Seed of Light Edmund Cooper,2012-12-14 TEN MEN AND WOMEN ESCAPED IN THE STARSHIP THE ONLY HOME THEY WOULD KNOW FOR GENERATIONS THE SEED FROM WHICH THEY WOULD BUILD A NEW RACE The Solarian was a hundred metres high and at its broadest point twenty metres in diameter It was designed to carry an initial crew of ten people five men and five women with provisions for subsequent children Yet in that vast hull every cubic metre of space was indispensable for the ship was a self contained world required to support human life independently for centuries No member of the crew male or female could regard themselves as a separate entity an individual personality But each person was a part of a total life unit a dedicated nucleus that might one day expand into a tribe that might phoenixlike bring forth a new human race **A Far Sunset** Edmund Cooper,2011-09-29 The year is 2032 A D The Gloria Mundi a star ship built and manned by the new United States of Europe touches down on the planet Alatair Five Disaster strikes leaving only one apparent survivor an Englishman named Paul Marlow whose adventures in the lair of the strange primeval race known as the Bayani leads him firstly to their God the omnipotent and omniscient Oruri and eventually to an unlimited power that is so great it must include an in built death sentence The forces that have remained static for centuries overcome both the forces of the future and the quest for unlimited knowledge
