(Classic Reprint) Douglas William Freshfield, 2016-11-17 Excerpt from The Exploration of the Caucasus Vol 1 I must add something here both as to the form of this work and as to its illustrations and maps According to the wisdom of the ancients a great book is a great evil and the fashion of the moment agrees with the old proverb Our libraries are invaded by a host of little volumes by more or less great men We have no shelves fitted for folios and quartos too big will doubtless be the first and most general comment on these volumes I must appeal from such first impressions to the reason of the intelligent and sympathetic reader For other critics I do not care About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [The Exploration of the Caucasus Volume 2](#)

Freshfield, 2017-11-27 Excerpt from The Exploration of the Caucasus Vol 2 We joined greedily in an excellent meal and then let our tr00p lead on up the broken slopes of neve but half transformed into ice which hid from us a still higher level of these shining tablelands The Caucasians are as clever as chamois at choosing their line of march and show a great deal of prudence in sounding in uncertain places We were soon able to take advantage of some snowy rocks between two branches of the se racs The snow on them was thick and loose and made the work exceedingly slow and laborious for those in front In our happy ignorance we thought this labour was to be our last About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
