## **The Extreme Animorphs 25:**

*The Extreme (Animorphs #25)* K. A. Applegate, 2017-07-25 Marco and the other Animorphs have managed to find out where the Yeerks are planning to build their next ground based Kandrona That s a good thing But the location is supposed to be somewhere near the North Pole That s a bad thing The Animorphs know that the Yeerks are a cold blooded species but this is a little nuts Who wants to be near the North Pole without Arctic morphs and wearing spandex Even so the kids know that if the Yeerks succeed with their plan Earth is pretty much done for And Marco and the other Animorphs aren t quite ready to give up the fight **Animorphs #25** K.A. APPLEGATE, 1999 *The Extreme* , **The Diversion (Animorphs**

**#49)** K. A. Applegate, 2017-09-26 The Yeerks are finally starting to realize that the Andalite bandits are probably not aliens at all That maybe they ve been dealing with humans all along And no one especially the newly appointed Visser One is happy about this revelation When Tobias and the other Animorphs realize that the Yeerks are about to find them it s by accident But that doesn t make the discovery any less serious Because in a war one side wins and one side loses *The Solution*

*(Animorphs #22)* K. A. Applegate, 2017-07-25 David the newest Animorph is not what he appears His need to control the other Animorphs is all he thinks about And the things he does are starting to break up the group Rachel and the others know that time is running out The newest battle against the Yeerks is the most important one yet And it s not one that will wait Winning this fight could mean slowing down the invasion But no one knows what to do with David Because the newest Animorph is more than just a little problem He s deadly *The Ellimist Chronicles (Animorphs)* K. A. Applegate, 2018-03-27

He is called the Ellimist A being with the ability to alter space and time A being with a power that will never be fully understood He is the reason Elfangor came to Earth He is the reason the Earth now has a fighting chance And though his actions never seem quite right or wrong you can be certain they are never ever what anyone expects This is the beginning and the middle of the story A story that needs to be told in order to understand what might happen to the future The future of the Animorphs The future of humanity The future of Earth He is called the Ellimist And this is his story *The Deception*

*(Animorphs #46)* K. A. Applegate, 2017-09-26 The Animorphs have managed to contact the Andalite home world but the battle is far from over Visser Two has arrived on Earth and he s not happy about the state of things He decides the best way to take over Earth is to have the humans destroy each other exhausting their weapons in the process He s going to start World War III Ax and his friends know that Visser Two means business There are only two ways to keep him from destroying everything they know Find a way to stop the war or find a way to stop him forever *The Threat (Animorphs #21)* K. A.

Applegate, 2017-07-25 There is a new Animorph And he s arrived just in time because the Yeerks are preparing their biggest takeover ever Their ultimate target the world s most powerful leaders all gathered together in one place What better way to get into the minds of humans Literally At first David joins the fight with a vengeance But there s definitely something wrong Because he s starting to break the rules taking risks that could get them all captured Or killed The Animorphs don t know

what to do There was a time when the Yeerks were their greatest enemy but that s about to change **The Revelation (Animorphs #45)** K. A. Applegate,2017-09-26 Things were already really weird Fighting aliens Battling to have Earth And still trying to be normal Marco and the other Animorphs are almost used to it But things are changing The Yeerk invasion of Earth started out passively secretly But now everything seems to be stepped up Even Marco s father is talking about some top secret project at his job Something about discovering Zero space Marco doesn t even know whether his father is a Controller But he does know he s not going to let the Yeerks win this one They ve already got his mother And Marco will do anything it takes to save his father Anything **The Experiment (Animorphs #28)** K. A. Applegate,2017-07-25 The Yeerks have decided to try a little experiment They ve decided that if they can develop a way to make people more willing to be infested they can speed up Earth s invasion So the Yeerks try to invent a substance that will take away the human ability to make a decision A substance that will eliminate free will Now the Animorphs are not only faced with trying to slow down the Yeerks invasion but they also have to put an end to the genetic testing on a small group of humans This time there s only one chance to stop the Yeerks And if anything goes wrong it s all over **The Capture (Animorphs #6)** K. A. Applegate,2012-03-01 The wildly popular books by K A Applegate are back The Animorphs return in this update of the classic series It was bad when Jake found out his brother was one of them A Human Controller A slave But that was nothing compared to this When the Animorphs decide to visit the Yeerks new base it seems simple But then they get caught and Jake falls just for a moment into the Yeerk pool Now they re out and his friends can t see it To them he s just like normal But Jake is screaming for help His worst fear has finally come true He s become the enemy **The Hidden (Animorphs #39)** K. A. Applegate,2017-08-29 The Yeerks have discovered and repaired a damaged Helmacron ship They know of its morph seeking capabilities and they plan to use the ship to capture the Andalite bandits And to find Elfangor s blue cube The one that gave the kids the ability to morph Cassie and the other Animorphs are in a pretty bad situation They can t leave the cube in one place they can t morph without being discovered and they have to keep moving It looks like this may be a battle the Visser can t lose **The Sacrifice (Animorphs #52)** K. A. Applegate,2017-09-26 The war between the Yeerks and the Animorphs is still raging There are no more secrets but there are plenty of lies The kids are fighting harder than they ever thought they could And they re about to make the biggest decision they ve ever had to face A decision that may eventually break them all Ax and the Animorphs know that destroying the Yeerk pool would give them a huge chance to take back Earth And they ve figured out a way to do it But there s no way to destroy the pool without also destroying the innocent humans caught by the Yeerks But there s no more time to think about it There s only yes or no **The Journey (Animorphs #42)** K. A. Applegate,2017-08-29 Sometimes your worst problems are the ones you can t actually see Like the Helmacrons These less than an inch high aliens are back and they want the morphing cube more than ever Obviously Rachel and the other Animorphs can t let them take the cube But when Rachel tries to stop the Helmacrons from stealing it Marco gets in the way

and ends up with tiny aliens well up his nose Rachel and the others can't let the Helmacrons stay inside Marco's head They're armed and could cause serious damage So the Animorphs come up with a plan to evict the Helmacrons from their new residence But it involves a shrinking ray and the obvious Marco's nose **The Alien (Animorphs #8)** K. A.

Applegate,2012-09-01 The wildly popular books by K A Applegate are back The Animorphs return in this update of the classic series Ax is an Andalite an alien stranded on a strange planet he's sworn to defend even though it's not his own Since the Animorphs rescued him he's fought at their side and in that time they've come to consider Ax a friend But deep inside Ax knows he isn't their friend He can't ever be Andalites must always hold themselves apart even from their allies As the Animorphs past actions start resulting in deaths of innocent people however Ax's loyalty is called into question Now he must decide whether to reveal the reason for his estrangement the shameful secret of his people *The Test (Animorphs #43)* K.

A. Applegate,2017-08-29 Tobias and the other Animorphs have seen things so bizarre that no sane person would believe their story No one would believe that aliens have taken over the Earth and are in the process of infesting as many humans as possible No one could believe the battles and missions and losses these six kids have had to deal with And it's not over yet Tobias has been captured by the same human Controller that nearly tortured him to death once before She claims that now she's a part of the Yeerk peace movement That she just needs a favor Tobias isn't sure what to believe but he knows that if the Animorphs don't find him soon what he believes won't matter anymore **The Unexpected (Animorphs #44)** K. A.

Applegate,2017-08-29 The Animorphs have been split up before And they've had to fight battles without one another But this time is very different Not only is Cassie totally alone she's managed to find herself in Australia In the rural Outback The other Animorphs don't even know she's there Cassie doesn't have any idea where she's going or if she can even survive the rugged terrain But she does know she has to get to a town or village and contact her family and friends Because she just realized that there's someone else who is also new to the Outback Visser Three **The Forgotten (Animorphs #11)** K. A.

Applegate,2017-06-27 There's been an accident Someone crash landed a Yeerk Bug fighter and the Yeerks have been trying to cover it up quickly When Tobias spots it before they get the chance the Animorphs decide to steal the ship to show the world that Earth has been invaded That's when things go terribly wrong Before they know it Jake and the other Animorphs find themselves in another place Another time And there's no way home *The Weakness (Animorphs #37)* K. A.

Applegate,2017-08-29 When Jake has to leave town for a family thing the other Animorphs and Ax figure life will pretty much be normal until he gets back But when Tobias discovers Visser Three's newest feeding place the kids decide they have to check it out But there's no assigned leader Now Rachel Tobias Cassie Marco and Ax have a problem Who will be the best one for the job Because being in charge isn't just guts and glory It's about making decisions that will mean the difference between life and death *The Change (Animorphs #13)* K. A.

Applegate,2017-06-27 Tobias has gotten used to his new life He's a red tailed hawk with the mind of a kid It was difficult when he first became trapped in his morph but he's started to

come to terms with things After all how many kids actually get the chance to fly But now Tobias is about to make a very difficult choice a choice that the other Animorphs know nothing about And it could mean the difference between living the rest of his life as a hawk and being human
