## **The Face Of Christ In The Old Testament:**

**The Face of Christ in the Old Testament** Georges Augustin Barrois, 1974-01 Old Testament theology from an Orthodox perspective      Preaching Christ from the Old Testament Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament      **The Face of Christ** Dr. H.S. Ryu, Table of Contents Christ and His Church is going to govern God's universe through all eternity God is going to recover and restore Overcomers will govern the universe throughout eternity Jesus Christ is the Ruler of the kings of the earth All things were created in Christ through Christ for Christ Why was Jesus born to die The grace of God leads all the way through With Christ character is power Jesus is the Son of Man The heavenly mind and nature of Christ The Character of Jesus Christ leads to the Throne The story of Jesus Only perfect goodness is good enough for God May we grow and take over the place of Satan the ruler of this world and rule with Christ The Church is here to show the character of Christ Christ insists on maintaining our first love for Christ Seeing Christ is a profound experience May we recover our first love for Christ      *The Chinese Face of Jesus Christ:* Roman Malek, 2017-07-05 This volume provides an annotated bibliography of the Western and Chinese literature on Jesus Christ in China It is a sequel to the interdisciplinary collection on the manifold faces and images of Jesus throughout Chinese history from the Tang dynasty 618 907 to the present time The present bibliography broadens and deepens the above mentioned subject matter and also points out aspects which have been addressed in the contributions and anthologies of the previous volumes of *The Chinese Face of Jesus Christ* but which have not been treated thoroughly Another aim of this bibliography is to initiate and enable further research particularly in China It includes bibliographical data from the beginning of the introduction of Christianity to China until the year 2013 occasionally also until 2014 A list of Key References enables the reader to identify important works on main topics related to Jesus Christ in China Some examples of book covers and title pages are included in the section of illustrations Other volumes of the collection *The Chinese Face of Jesus Christ* are in preparation Vol 3c will present longer quotations from the sources listed in the present bibliography Vol 4b will contain a general index with glossary and Vol 5 will deal with the iconography of Jesus Christ in China      **Christ in the Old Testament** Douglas Van Dorn, 2019-11-05 Few subjects are as important yet ignored or misapplied as the one addressed in this book Jesus Christ is the absolute center and focus of the totality of God's word Many people confess this belief since Jesus himself taught it Luke 24:27 John 5:39 Christians have done well to see this on one or two levels Yet truly understanding just how primary he is as an actor even in the Old Testament is something few have considered In this revised and expanded edition of *From the Shadows to the Savior*

2015 Douglas Van Dorn helps us see the light of Christ that emerges from the dark hallways of Scriptures that so many find outdated unintelligible and irrelevant for today's Church. Learn how Christ is found in such things as prophecy, typology, and the law. Then come in for a deeper study of how the Person himself is actually present, walking, speaking, and acting, beginning in the very first book of the Bible. Learn how words such as Word, Name, Glory, and Wisdom are all ideas that the Scripture itself attaches to Christ, who in the OT is called The Angel of the LORD. Then see if such ideas don't radically change the way you think about all of God's word in this truly life-changing summary of Christ in the Old Testament. This edition contains three new chapters: Christ the Power, Christ the Face, and Christ the Shepherd. Has been reworked to make sections even clearer, contains new resources and study questions. It is the perfect book for a study guide on Christ in the Old Testament. A certain kind of delight comes over the Christian when he or she discovers glorious truths in the Bible that were somehow missed or misinterpreted throughout one's life. I experienced this many times in reading Pastor Van Dorn's insightful work. Surely Christ is found throughout the Old Testament, and his ministry precedes his achievements through the Incarnation. Douglas Groothuis, Ph.D., Professor of Philosophy, Denver Seminary, Author of Christian Apologetics: A Comprehensive Case for Biblical Faith. **The Face of Old Testament Studies** David W. Baker, Bill T. Arnold, 2004-10. Leading scholars provide an overview of current issues in Old Testament studies.

The Glory of God in the Face of Jesus Christ David K. Bernard, 2019-05-21. There is now a substantial scholarly consensus for the emergence of a high or divine Christology very early and from a Jewish context, but the questions of how and why need further study. Within the framework of traditional Jewish monotheism, Paul and other early Christians used the language of deity to describe Jesus. To investigate their view of Jesus, the author examines Paul's discourse in 2 Cor 3:16-4:6, employing insights from rhetorical criticism and Oneness Pentecostal Christology. He explains how early Christians proclaimed the deity of Jesus within their monotheistic Jewish context. He then identifies socio-rhetorical reasons for and practical consequences of the monotheistic deification of Jesus.

**The Chinese Face of Jesus Christ: Volume 3a** Roman Malek, 2022-11-12. This collection in five volumes tries to realize the desideratum of a comprehensive interdisciplinary work on the manifold faces and images of Jesus in China, which unites the Sinological mission, historical, theological, art historical, and other aspects. The first three volumes (vols L 1-3) contain articles and texts which discuss the faces and images of Jesus Christ from the Tang dynasty to the present time. In a separate volume (vol L 4) follows an annotated bibliography of the Western and Chinese writings on Jesus Christ in China and a general index with glossary. The iconography, i.e., the attempts of the Western missionaries and the Chinese to portray Jesus in an artistic way, will be presented in the fifth volume of this collection (vol L 5). Finding Jesus in the Old Testament David Limbaugh, 2015-11-09. A New York Times Bestseller. In *Finding Jesus in the Old Testament*, David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ's arrival through all thirty-nine Old Testament books. The key to the secrets of the Old Testament, Limbaugh argues, is the crucial New Testament encounter between the risen Jesus and

two travelers on the road to Emmaus With that key and with Limbaugh as a deft guide readers of Finding Jesus in the Old Testament will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ's arrival Limbaugh takes readers on a revealing journey from Genesis through Malachi demonstrating that a consistent message courses through every one of the Old Testament's thirty nine books the power wonder and everlasting love of Jesus Christ Previously published under the title The Emmaus Code     **The Divine Face in Four Writers** Maurice

Hunt,2017-06-29 A comparative study that explores the influence of Christian and Classical ideas about the divine face in the writing of four major writers in Western literature     *On the Way to Jesus Christ* Joseph Ratzinger,2010-10-21 Jesus Christ is as popular as ever Films books and news articles ask Who was Jesus Christ Even outside of Christianity he continues to appeal to people And yet for so many the popular Jesus is not the Jesus of Christianity The popular Jesus makes no demands and never challenges people He accepts everyone and everything under all circumstances On the Way to Jesus Christ is a series of meditations that Pope Benedict XVI wrote while he was Prefect for the Congregation of the Doctrine of the Faith The true Jesus he writes is the Jesus of the Gospels who is quite different demanding and bold The Jesus who makes everything okay for everyone is a phantom a dream not a real figure The Jesus of the Gospels is certainly not convenient for us But it is precisely in this way that he answers the deepest question of our existence which whether we want to or not keeps us on the lookout for God for a gratification that is limitless for the infinite We must again set out on the way to this real Jesus This book also examines whether Jesus Christ is the only savior and the Church's responsibility to evangelize It concludes with reflections on Jesus' Presence in the Holy Eucharist and the Catechism of the Catholic Church's presentation of the Christian mystery as seen through the Catechism's dynamic view of Sacred Scripture On the Way to Jesus Christ is for anyone believer or nonbeliever who wants better to understand the true Jesus the Jesus of the Gospels the Christ of Christianity     **The holy Bible, tr. from the Lat. vulgate, the Old Testament, first publ. by the English college at Douay; and the New Testament, first publ. by the English college at Rheims.
