The Enlightened Judgments ,1999-09-02 The first English translation of a selection of legal documents from Sung Dynasty China this work provides a fascinating look at the legal social and economic history of that era Enlightened Judgments, The, Ch'ing-ming Chi ,1999-08-26 The first English translation of a selection of legal documents from Sung Dynasty China this work provides a fascinating look at the legal social and economic history of that era The Burden of Female Talent Ronald Egan,2020-10-26 Widely considered the preeminent Chinese woman poet Li Qingzhao 1084 1150s occupies a crucial place in China s literary and cultural history She stands out as the great exception to the rule that the first rank poets in premodern China were male But at what price to our understanding of her as a writer does this distinction come The Burden of Female Talent challenges conventional modes of thinking about Li Qingzhao as a devoted but often lonely wife and later a forlorn widow By examining manipulations of her image by the critical tradition in later imperial times and into the twentieth century Ronald C Egan brings to light the ways in which critics sought to accommodate her to cultural norms molding her talent to make it compatible with ideals of womanly conduct and identity Contested images of Li including a heated controversy concerning her remarriage and its implications for her devotion to her first husband reveal the difficulty literary culture has had in coping with this woman of extraordinary conduct and ability The study ends with a reappraisal of Li s poetry freed from the autobiographical and reductive readings that were traditionally imposed on it and which remain standard even today Justice in Print: Discovering Prefectural Judges and Their Judicial Consistency in Late-Ming Casebooks Ka-Chai Tam,2020-08-31 In Justice in Print Discovering Prefectural Judges and Their Judicial Consistency in Late Ming Casebooks Ka chai Tam argues that the prefectural judge in the judiciary of the Ming dynasty 1368 1644 became crucial to upholding justice in Chinese society In light of two late Ming casebooks namely the Mengshui zhai cundu by Yan Junyan and the Zheyu xinyu by Li Qing Ka chai Tam demonstrates that the late Ming judges handled their cases with a high level of consistency in judicial reasoning and practice in every type of case despite their differing regions and literary styles Equipped with relative institutional independence and growing professionalism they played an indispensable role in checking and guaranteeing the legal performance of their subordinate magistrates *Heaven Has Eyes* Xiaoqun Xu,2020-10-13 In Heaven Has Eyes Xiaoqun Xu provides a comprehensive yet concise history of Chinese law and justice from the imperial era to the post Mao era Xu addresses the evolution and function of law codes and judicial practices throughout China s long history and examines the transition from traditional laws and practices to modern ones in the twentieth century **The Beef Taboo in China** Vincent Goossaert,2025-02-28 Praise for the French edition It will no longer be possible to discuss Chinese civilization without referring to this work the foundation for a new vision of culture and religiosity in China Scholars working on the comparative social role of food culture will also find something to draw on here Archives de sciences sociales des religion This book repays careful reading on many counts including its ambitious scope its wealth of vivifying detail and

its judicious analysis It should be required reading for all those interested in traditional Chinese society and culture and their modern transformations as well as those concerned with the history of food taboos in different contexts They will be richly rewarded Journal of Song Yuan Studies The Beef Taboo in China explains how and why around the turn of the second millennium the Chinese determined that cattle should not be slaughtered or eaten This taboo remained prevalent until the beginning of the twentieth century and is still observed by some today Goossaert situates this prohibition within evolving Chinese attitudes toward animals and meat and juxtaposes the taboo with vegetarianism and other forms of meat ethics He argues that the emergence of this specific practice must be understood in several contexts notably a new agricultural economy and ecology in early modern times that protected plow cattle and marginalized pastures a sacrificial reform that eliminated beef as the standard offering to gods and spirits and the development of Daoist rituals cults and moral theology that tabooed beef and made this observance a linchpin of Chinese civilization Battlefronts Real and Imagined D.
