The Epic Of Stickguy Chapter One Gilgamesh:

The Epic of Stick-Guy Jay Singh, 2003 As a mixture of pure adventure and tragedy the story of Stick Guy the ill drawn brain burp of Stan the Burger flipper and his futile quest for perfection transcends the barrier of time for it revolves around fundamental desires ambitions and problems common to all heroes whether super or ordinary This then is the story of Stick Guy s long and arduous journey toward perfection of his encounters with monsters and mummies dragons and demons gods and demigods and of the countless friends he earned along the way Eloquent and imaginative you have here a story more profound than the common stick figure s quest for fame and superpower for Stick Guy has a truly epic quality and scope and this version is one of the finest surviving epic poems from the Cavern of Failed Creations **The Captivity of Innocence** Andre LaCocque, 2010-04-02 In this study the third panel of a trilogy on J s tales about evil and innocence in the primeval era the author turns to Genesis 11 1 9 another parable this time on the so called Tower of Babel The Captivity of Innocence analyzes a systemic robotization of society as a way of keeping innocence behind bars contending that innocence never fails to offend never fails to stir envy and hate Here evil is not wrought by an individual like Cain or Lamech but by all the earth so that the summit of evil is now reached before Abraham s breakthrough in Genesis following chapter The present analysis uses a variety of techniques to interpret the biblical text including historical critical literary sociopolitical psychoanalytic and deconstructive approaches The inescapable conclusion is that Babel is the Kafkaesque image of our world and is a powerful paradigm of our hubristic contrivances and constructions Des Tours de Babel says Derrida in order to deny our finiteness Then innocence is trampled upon but it is not overcome Babel Babylon s fate is to crumble down and to bring up from her ashes the Knight of Faith **Gilgamesh: The Ancient Epic, Tablets 1-4** Eric Quinn, 2013-05-01 The world s oldest extended story the Epic of Gilgamesh tells the adventures of the king of the ancient city Uruk Born more divine than human Gilgamesh must accept his fate he will die To ease his isolation the gods send him a companion Enkidu and together the two heroes undertake mighty deeds Then Enkidu dies and Gilgamesh abandons his royal duties and goes in search of eternal life This volume tells the first third of the Epic up until the heroes arrival at the Cedar Mountain This new edition rendered into verse by Eric Quinn fills in the gaps still remaining in the original materials and concentrates on telling the story as a story while bringing out the Epic s hidden theme the struggle between men and women for power Full of astounding characters and situations gripping in its intensity this is a story not to be missed *The Epic of Gilgamesh* , 1992
