Religious Rivalries and the Struggle for Success in Caesarea Maritima Terence L. Donaldson,2000-05-11 We know how the story of the Roman Empire ended with the triumph of Christianity and the eventual Christianization of the Roman Mediterranean But how would religious life have appeared to an observer at a time when the conversion of the emperor was only a Christian pipe dream And how would it have appeared in one particular city rather than in the Roman Empire as a whole This volume takes a detailed look at the religious dimension of life in one particular Roman city Caesarea Maritima on the Mediterranean coast of Judea Caesarea was marked by a complex religious identity from the outset Over time other religious groups including Christianity Mithraism and Samaritanism found a home in the city where they jostled with each other and with those already present for position influence and the means of survival Written by a team of seasoned scholars and promising newcomers this book brings a new perspective to the study of religion in antiquity Along with the deliberate goal to understand religion as an urban phenomenon Religious Rivalries and the Struggle for Success in Caesarea Maritima studies religious groups as part of the dynamic process of social interaction spanning a spectrum from coexistence through competition and rivalry to open conflict The cumulative result is a fresh and fascinating look at one of antiquity s most interesting cities

Hall,2017-12-12 WHEN confronted with a problem involving the use of the reasoning faculties individuals of strong intellect keep their poise and seek to reach a solution by obtaining facts bearing upon the question Those of immature mentality on the other hand when similarly confronted are overwhelmed While the former may be qualified to solve the riddle of their own destiny the latter must be led like a flock of sheep and taught in simple language They depend almost entirely upon the ministrations of the shepherd The Apostle Paul said that these little ones must be fed with milk but that meat is the food of strong men *Secret Teachings of All Ages* Manly Palmer Hall,2005-02-09 Manly Palmer Hall wrote this book at age twenty one and self published it later in his mid twenties The book is pure conceptual truth without bogging ourselves down with the details Great read for anyone who likes Joseph Campbell and wishes to follow up on the Power of Myth and get into the right hand occult [Beck on Mithraism](#) Roger Beck,2020-11-25 Roger Beck a world authority on Mithraism brings together his major writings on the Mysteries of Mithras in the context of the culture and religions of imperial Rome In these studies he opens new vistas on myth making ritual symbolism the role of astrology in the cult recently discovered Mithraic monuments and artefacts and the emergence of Mithraism and Christianity concurrently in the first century Beck offers new introductions to his thematically framed groups of writings and adds six entirely new essays published here for the first time These essays link his research to contemporary studies in cognitive science of religion and anthropology of religion This collection will appeal particularly to scholars exploring contemporary aspects in anthropology of religion astronomy and astrology cults and myths images and symbols as well as traditional scholars of Greco Roman antiquity and Christian origins *The Secret Teachings Of All Ages* Manly P Hall,1973 *The Journal of the Bombay Branch of the Royal Asiatic Society* ,1918 **Ancient Mysteries And Modern Masonry** Charles H. Vail,2013-10-24 The purpose of these lectures is to consider the origin and nature of the Ancient Mysteries and Modern Masonry and to show the relation which they bear one to the other Freemasonry deals largely with the morals and symbols of the Mysteries of Antiquity and originally was one of the channels of Ancient Wisdom There were a few among the founders of Modern Masonry who possessed the Royal Secret or at least had a knowledge of its existence and if the key has been lost the Mason as Heir apparent of the Old Wisdom should be foremost in the search for its recovery All agree that the Masonic symbols and traditions are of the greatest antiquity and can be traced to the far East to the earliest civilization from which time and place they have spoken in nature s language to all peoples of the earth We are more and

more convinced that this picture language of our ritual contains a most complete philosophy a knowledge embracing the eternal verities of the universe and that these symbols were designed by the Initiates of old to preserve and convey that Ancient Wisdom to the present and future generations Though empires and dynastic continents have appeared and passed away these ancient symbols hewn in rock cut temples and monuments have served to convey the Great Secret from ages past and will continue its record as long as this part of the universe remains

The Holy Grail Arthur Edward Waite, 2006-01-01 The Grail legend is the centerpiece of Arthurian literature and this classic work by the renowned scholar Arthur Edward Waite ranks among the most informative and profound books ever written on the subject While the myths surrounding the Holy Grail are seemingly in harmony with orthodox religion Waite reveals that beneath their pious surface they are as subversive as any other form of mysticism illustrating the symbolic nature of doctrinal teachings no more intended for literal interpretation than is any fiction With this informative study Waite restores the full and true meaning of the knightly quests for honor and adventure as journeys of the soul
