Ever since I was young sitting in a passenger seat I used to wonder what makes loving couples move from the spectrum of love to that of hate I kept on seeing the transformation of saints into sinners What is it with love that makes lovers want to demolish the ones they have vowed to love I battled with this for quite a while until I realized the importance of understanding love rage I am a firm believer that there are many divorced people and even worse those who ve ended up taking the lives of their loved ones who did it because love rage got the best of them in the wrong way It is through this transition from love to hate that I hope the pages of this book will paint a vivid picture of love The Essence of Love Phyllis Lane,2002-11
