Newman,1983

**Establishment Man** Peter C. Newman,1982 The Secret Mulroney Tapes Peter C. Newman,2011-05-18 The Secret Mulroney Tapes is an outrageous and intimate portrait of a Canadian prime minister as told in his own words There has never been a political book like this and there will almost certainly never be another Peter C Newman the author of books about John Diefenbaker Lester B Pearson and Pierre Elliott Trudeau as well as 2004's number one bestselling memoir Here Be Dragons Telling Tales of People Passion and Power has done it again He has written twenty two books that have sold two million copies and earned him the title of Canada's most cussed and discussed political commentator Here he holds no holds barred profile of Canada's most controversial and most reviled prime minister breaks new ground Compiled from years of candid taped conversations with Mulroney and the people closest to him while he was in power the sometimes uproarious and often disturbing interviews 7 400 pages of transcripts totalling 1 8 million words have been sealed until now Stunningly indiscreet and savagely frank Mulroney is the first prime minister to be so nakedly outspoken Yet he is also revealed as a witty Irish charmer ready with a quick line to raise a laugh no matter how impudent or profane a man as warm in private as he was defensive in the public eye Mulroney names the names and spills the beans about what really goes on in Ottawa which he describes as a sick city that runs on goddamned incest They're all married to one another They're shackled up with one another Their wives are on the payroll of the CBC It's just awful Lucien Bouchard his one time soulmate he calls bitter and profane and extraordinarily vain He writes off his constitutional foe former Newfoundland premier Clyde Wells as an unprincipled son of a bitch His disgust for the press is as monumental as his sense of being misunderstood and in his eyes the Ottawa press corps are a phony bunch of bastards who don't give him credit even when the world applauds him for being one of the three men who played the most important role in the collapse of the Berlin Wall Out of The Secret Mulroney Tapes emerges a startling picture of the politician whose reign shocked and appalled and yet also revolutionized this country No other prime minister in Canadian history aroused a stronger emotional response than Brian Mulroney This book provides Canadians with a unique insight into the bold politician who changed their country like no other **The Canadian Encyclopedia** James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock

bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada *Here Be Dragons* Peter C. Newman, 2011-10-12 The 1 national bestseller now revised and updated with a new Epilogue Now aged 75 Peter C Newman at last tells the story of his stranger than fiction life Try to keep up as we follow his many lives as a pampered child

in a Czech chateau a Jewish kid in short pants being machine gunned by Nazi fighter planes on the beach at Biarritz en route to the last ship to escape from France in 1940 as a refugee on an Ontario farm as an outsider on a scholarship at Upper Canada College as a Financial Post journalist then an author whose *Renegade in Power* made Canadian politics dramatic and disrespectfully exciting for the first time as the man who revealed the secrets of the rulers of the Canadian business world in *The Canadian Establishment* and other huge business success stories including *The Establishment Man* on Conrad Black or the millionaire who turned his back on business books and tackled Canadian history *Company of Adventurers* and other triumphs in a career where his work has dominated the bestseller lists in politics business history and current affairs In the midst of all this were his years at the Toronto Star and Maclean's where as editor he took the magazine weekly a huge accomplishment He is still a legend there where his columns continue to run He knew and wrote about every prime minister from Louis St Laurent to Paul Martin and every prominent Canadian hero or villain in between Yet his most interesting character is Peter C Newman Incredibly this central figure known to millions of Canadians sees himself as a perennial outsider In personal terms the rich little Czech boy whose nannies never stayed talks frankly about his marriages and the women he has known before his ultimate marriage to his beloved Alvy His enthusiasms from jazz to the Canadian Navy not to mention his adventures on his beloved sailboat make for a rich portrait of an astonishing character one who never stops being controversial

*The Handover* Elaine Dewar, 2017-06-13 Until recently McClelland and Stewart had been known as The Canadian Publisher the country's longest lived and best independent press Its dynamic leader Jack McClelland worked with successive provincial and federal governments to help draft policies in the 1960s and 70s which ensured that Canadian stories would for the first time in the nation's history be told and published by Canadians How smart businessmen and even smarter lawyers danced through the raindrops of the laws put into place to protect Canadian cultural institutions from foreign ownership while cultural bureaucrats looked the other way and why we should care It is the story not just of the demise of the country's best independent publisher it is about the threats internal and otherwise facing Canadian culture *The Handover* is more than just a CanLit How Done It it is essential reading for anyone interested in the telling of Canadian stories

**Canadian History: Confederation to the present** Martin Brook Taylor, Doug Owsen, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover

*When the Gods Changed* Peter C. Newman, 2011-11-22 Peter C Newman Canada's most cussed and discussed political journalist on the death spiral of the Liberal Party The May 2 2011 federal election turned Canadian governance upside down and inside out In his newest and possibly most controversial book bestselling author Peter C Newman argues that the Harper majority will alter Canada so much that we may have to change the country's name But the most lasting impact of the Tory win will be the demise of the Liberal Party which ruled Canada for seven of the last ten decades and literally made the country what it is

Newman chronicles in bloody detail the de construction of the Grits once unassailable fortress and anatomizes the ways in which the arrogance embedded in the Liberal genetic code slowly poisoned the party s progressive impulses When the Gods Changed is the saga of a political self immolation unequalled in Canadian history It took Michael Ignatieff to light the match

*Hostages to Fortune* Peter C Newman, 2016-11-01 Esteemed Canadian author Peter C Newman recounts the dramatic journey of the United Empire Loyalists their exodus from America their resettlement in the wilds of British North America and their defense of what would prove to be the social and moral foundation of Canada In 1776 tensions in the British colonies were reaching a fever pitch The citizenry was divided between those who wished to establish a new republic and those who remained steadfast in their dedication to the British Empire As the tensions inevitably boiled over into violence fault lines were exposed as every person was forced to choose a side Neighbours turned against each other Families divided Borders were redrawn The conflict was long and bloody and no side emerged unscathed But there is one story that is often overlooked in the American Revolutionary canon When the smoke from the battles had settled tens of thousands of individuals who had remained loyal to the crown in the conflict found themselves without a home to return to Destitute distraught and ostracized or downright terrorized by their former citizens these Loyalists turned to the only place they had left to go north The open land of British North America presented the Loyalists with an opportunity to establish a new community distinct from the new American republic But the journey to their new homes was far from easy Beset by dangers at every turn from starvation to natural disaster to armed conflict the Loyalists migrated towards the promise of a new future Their sacrifices set the groundwork for a country that would be completely unlike any other Neither fully American nor truly British the Loyalists established a worldview entirely of their own making one that valued steady peaceful and pragmatic change over radical revolution The Loyalists toiled tirelessly to make their dream a reality And as the War of 1812 dawned they proved they were willing to defend it with their very lives In *Hostages to Fortune* Peter C Newman recounts the expulsion and migration of these brave Loyalists In his inimitable style Newman shines a light on the people places and events that set the stage for modern Canada

**In the Realm of Hungry Ghosts** Gabor Maté, MD, 2009-04-03 1 NATIONAL BESTSELLER From the author of *When the Body Says No* and *The Myth of Normal* The definitive book for understanding the roots and behaviours of addiction Dr Gabor Maté is one of the world s most revered thinkers on the psychology of addiction His radical findings based on decades of work with patients challenged by catastrophic drug addiction and mental illness has helped reframe how we view all human development In this award winning modern classic through first person accounts riveting case studies pioneering research and compassionate argument Mat takes a panoramic yet highly intimate and compassionate look at this widespread and perplexing human ailment whether it be addiction to alcohol drugs sex money or anything self destructive He presents it not as a discrete phenomenon confined to a weak willed few but as a continuum that runs through and even underpins our society not as a medical condition but rather the result of a

complex interplay of personal history emotional development and brain chemistry Distilling cutting edge research from around the world In the Realm of Hungry Ghosts avoids glib self help remedies instead promoting self understanding as the first key to healing and wellness Blending personal stories and science with positive solutions and written in spellbinding prose it is a must read that will change how you see yourself others and the world The New Practical Guide to Canadian Political Economy Daniel Drache,Wallace Clement,1985-01-01 The New Practical Guide to Canadian Political Economy is a handy reference to the vast range of research and writing that political economists in Canada have completed to the date of publication The book is divided into twenty five subject bibliographies each one compiled and introduced by an expert in the field The overall range of subjects includes economic development in Canada Canada s external economic relations regional disparities and regional development social and economic classes women Native peoples politics and the Canadian state nationalism culture and political thought The book is indexed by author and includes a helpful shortlist of the staples in Canadian political economy Published in 1985 The New Practical Guide to Canadian Political Economy remains a useful reference to some of the classic literature of the discipline *Historical Perspectives on Canadian Competition Policy* R. S. Khemani,W. T. Stanbury,1991 This publication includes eight papers which address the following issues the beginning of Canadian competitions policy 1888 1900 the administration and enforcement of competitions policy in Canada 1889 to 1952 Canadian competition law reform 1919 and 1935 the history of price maintenance legislation in Canada the evolution of legislation adjudication and administration the case of the Competition Act a comparison of Canada s competitive environment in 1889 and 1989 and 1889 1989 and into the twenty first century Leo Leo Kolber,L. Ian MacDonald,2003 My relationship with Sam Bronfman and his sons Edgar and Charles has sometimes been compared to that of Robert Duvall as Tom Hagen the consigliere to the Corleone family in The Godfather in the sense that I was a surrogate son as well as an adviser to the father and a friend as well as a counsellor to the sons There s a certain amount of truth to that in that I was brought into the family as an outsider and became privy to its secrets Thus begins Leo Kolber s account written with L Ian MacDonald of his remarkable relationship with the Bronfman dynasty from the founding father to his sons and eventually to the dissolution of a great business empire For thirty years Leo Kolber was chairman of Cemp Investments the Bronfman family trust and Cadillac Fairview Corporation one of the largest real estate firms in North America A close adviser to the legendary Sam Bronfman and a close friend of his sons Charles and Edgar Kolber was the family s consigliere on decades of deals including the buying of MGM in the 1960s which foretold the disaster that later overtook the third generation of Bronfmans after Edgar Bronfman Jr bought sold Seagram s 25 percent interest in DuPont to buy MCA Universal Studios in 1995 a deal Kolber strongly opposed With the Vivendi merger of 2000 the empire built by Mr Sam and his sons with Leo Kolber s help was dismantled Buying DuPont was the deal of the century Kolber writes selling it was the dumbest deal of the century As for the Vivendi merger and the break up of Seagram he writes that no one would have dared propose it to Mr Sam

except perhaps over his dead body Named to the Senate by Pierre Trudeau Kolber has served there for twenty years including the last five as chairman of the Senate Banking Committee Throughout this period he was a senior bagman for the Liberal Party of Canada Formerly chairman of Claridge Inc Charles Bronfman s investment holding company Kolber also served for more than twenty five years as a director of Seagram and the Toronto Dominion Bank whose famous headquarters the six tower TD Centre was built by his Fairview Corporation in the 1960s Formerly chairman of Cineplex Odeon Theatres he was also as a longtime director of DuPont and MGM among other companies in which the Bronfmans once held an important interest Now Kolber is publishing this memoir of a life that he calls a tremendous ride With business tycoons from Sam Bronfman and Charles Bronfman to Kirk Kerkorian With famous politicians from Pierre Trudeau to Brian Mulroney and Jean Chretien With Hollywood moguls and nights out with the stars from Danny Kaye and Cary Grant to Frank Sinatra

High Financier Niall Ferguson,2012-10-25 In this groundbreaking biography based on more than 10 000 hitherto unavailable letters and diary entries Niall Ferguson returns to his roots as a financial historian to tell the story of the extraordinary Siegmund Warburg A refugee from Hitler s Germany Warburg rose to become the dominant figure in the post war City of London and one of the architects of European financial integration Seared by events in the 1930s when the long established Warburg bank was first almost destroyed by the Depression and then Aryanized by the Nazis Warburg was determined that his own bank would learn from the past and contribute to the economic recovery of Britain the unity of Western Europe and the birth of globalization Siegmund Warburg was a complex and ambivalent man as much a psychologist politician and actor manager as a banker In High Financier Niall Ferguson reveals Warburg s idiosyncracies but above all he recaptures the meticulous business methods and strict ethical code that set Warburg apart from the mere speculators and traders who inhabit today s financial world **The Canadian Who's who** ,1998 **Canadian Book Review Annual** ,1982
