## **The Eternal Son Of The Father:**

*The Eternal Son of the Father* W. R. Dronsfield, 1992      **Celestial Filiation; Being a Vindication of the Preexistence of the Lord Jesus Christ**, 1833      **All Authority** Joey Shaw, 2016-02-01 Everybody who follows Jesus will encounter a myriad of authorities that directly challenge the authority of Christ These other authorities may be parents teachers bosses presidents institutions religions or ideologies In order to stay firm in devotion to Jesus we must believe that He has supreme authority over all Not partial authority not most authority all authority On the basis of his authority he commissioned his people to go and make disciples among every people group on earth This is an impossible commission if it were not for the promise that he is with them forever The doctrine of the supreme authority of Christ not only upholds the work of the church it is the central message that the church preaches Jesus is Lord is good news Joey Shaw is the International Field Office Director for the Austin Stone Community Church and a regular contributor at Verge Joey and his family live outside the United States where they serve unreached peoples for the glory of Christ      [A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: St. Augustin: On the Holy Trinity. Doctrinal treatises. Moral treatises](#) Philip Schaff, 1887

*The Seraphic Gospel* Rev John Thwaytes, 2011-12 Very few people understand how badly the Old and New Testament accounts have been doctored by the narrow nationalism of the Hebrews that infected even the Apostles Thanks to the Fifth Epochal Revelation given in the Urantia Book it is now possible to read the original teachings of Jesus translated into modern English by superhuman beings mainly midwayers half physical half spiritual beings rectifying the many errors that have crept into our Christian belief systems This unique and groundbreaking book The Seraphic Gospel takes a precise and exhaustively researched look at this phenomenon offering new knowledge and insight into the Old and New Testament Publisher's website <http://sbpra.com> RevJohnThwayte      **Tending the Fire That Burns at the Center of the World** David F. White, 2022-07-29 Tending the Fire at the Center of the World engages the central question of Christian formation that is what kind of knowing is most likely to awaken and sustain Christian faith This book seeks to reclaim aesthetics beauty and creativity as the church's most native theological way of knowing and being which participates with God's own glory and creativity This book traces the prominence of aesthetics up until the dawn of the Enlightenment including recent theologians who reclaim aesthetics for theology and formation The book elaborates the aims and techniques of aesthetic approaches to teaching and learning in the church Finally this book cautions against overly determined rationalisms and moralisms that do not retain a sense of wonder delight and openness in the church's teaching liturgy and proclamation In this view the church does not simply regurgitate familiar texts political tropes or flattened doctrines but breaks into the world as Christ's body a parable a song a flash mob interrupting business as usual giving new expression to acts of care repentance forgiveness joy and communion awake to the beauty of God's gifts and inviting our worship      **The Glory of the Blessed Son** Christina N. Larsen, 2025-06-12 Adding her distinctive voice to lively conversations about the work and legacy of Jonathan Edwards Larsen shows that Edwards thinks

boldly about the freedom of the Father and the Son within their blessed fellowship in the Spirit She identifies profound insights into the relationship between the divine being and the divine economy by focusing on Edwards's understanding of the Son as he undertakes the work of ad extra glorification the work by which God is externally blessed through God's communication to creatures In addition to careful analyses of the covenantal and evocative registers in which Edwards describes the fittingness of the Son's redemptive mission Larsen concludes by drawing resources from Edwards's Christology that speak to key issues of freedom and aesthetics in Reformed thought today *Holy Trinity, Perfect Community* Leonardo Boff, 2000 Why be concerned with the Trinity What does it mean to say I believe in the Father the Son and the Holy Spirit In this accessible work Leonardo Boff takes up the ancient doctrine of the Trinity showing its meaning and relevance for Christian faith today In a series of short chapters Boff unpacks the mysteries of the Trinity spelling out the difference it makes to believe that God is communion rather than solitude Instead of an image of God as solitary ruler standing aloof above a static universe belief in the Trinity means that at the root of everything there is movement there is an eternal process of life of outward movement and love While comprehensive in his treatment of the theological and anthropological dimensions of the Trinity Boff is especially interested in the social implications In the Trinity we find a program of liberation to the infinite degree difference and distinction equality and perfect communion The Holy Trinity is among other things the image of the perfect community At the same time in the Trinity we find the best image of the church not a hierarchy of power but a community of diverse gifts and functions Thus comprehension of the Trinity in which God comes out to meet us in the full realization of our yearnings empowers our efforts for a better world and a more faithful church Book jacket Jacket

*The Urantia Revelation* Malcom Locke, 2010-09-15 This book presents a digest of what The Urantia Book says the gist of it the main outlines of the story As such The Urantia Revelation The Structure and Meaning of the Universe Explained will serve as an introduction and guide to The Urantia Book or as simplified and accessible substitute for those wishing to know what was revealed in the fifth epochal revelation on Planet Earth There is hardly anything more interesting **The British Study Edition of the Urantia Papers Book [eReader PDF]** Edited by Tigran Aivazian, 2011-01-01 The British Study Edition of the Urantia Papers is based on the standard SRT text but uses the metric system and adds a critical apparatus of textual variants and study notes **Homilies on the Gospel of John; Homilies on the First Epistle of John;**

**Soliloquies** Saint Augustine, **Obedience from First to Last** Edmund Fong, 2020-03-18 Obedience from First to Last explores the theological significance of the obedience of Jesus Christ in Karl Barth's theology It does this via a threefold consideration of first the nature of Jesus incarnate obedience second the relation of that obedience to the obedience of the second triune person of the eternal Son and third the effects Jesus obedience has on our own obedience Barth not only affirms the pivotal role Jesus obedience has within the economy of salvation but by equating that obedience with that of the eternal Son's Barth gives Jesus obedience a pre eminent place within the immanent being of Godself The obedience of Jesus

Christ is seen to have a co participatory role in God s determination of his own divine being that arises from the primordial act of divine election This notion bears on our understanding of freedom and obedience as divine freedom is expressed in divine obedience so it is with human freedom and human obedience **The Spiritual Magazine, and Zion's Casket** ,1849

*The Resurrected God* John L. Drury,2014 An examination of the resurrection of Christ and its relationship to the doctrine of the Trinity in the mature work of Karl Barth particularly across the three parts of volume IV of the Church Dogmatics It argues that for Barth the subject and basis of Christ s resurrection is the triune God **The Lutheran Quarterly** ,1889

**The Son-Father Relationship and Christological Symbolism in the Gospel of John** Adesola Joan Akala, 2014-07-31  
This volume examines Johannine symbolism within the lens of Jesus relationship with the Father After demonstrating that the Gospel narrative symbolically portrays Jesus as the Son of God who is relationally inseparable from his Father the study shows how the Son Father Relationship SFR is at the center of the network of Christological symbols in the Gospel of John Using an innovative narrative framework this book unveils the creative and symbolic introduction of the SFR in the Prologue Jn 1 1 18 its development through the words and actions of Jesus teaching ministry within the Johannine narrative and its culmination in the Prayer Jn 17 the SFR motif then concludes in the remainder of the Gospel This narrative framework reveals how the SFR shapes the literary style and theological strategy of the Gospel and acts as an integrative force by giving structure and cohesion to the Gospel s symbolic system Two key features presented in this book are a theory of symbolism and a network of symbols The specially formulated Theory of Johannine Symbolism explains the theoretical and theological underpinnings of the Gospel s symbolic network called John s Christological Symbology Through the symbolic network the author of the Gospel fulfills the theological purpose stated in Jn 20 31 that hearer readers believe in Jesus the Christ as the Son of God and thereby experience eternal life
