The Ethics Of Identity:

The Ethics of Identity Kwame Anthony Appiah, 2023-10-03 A bold vision of liberal humanism for navigating today's complex world of growing identity politics and rising nationalism Collective identities such as race nationality religion gender and sexuality clamor for recognition and respect sometimes at the expense of other things we value To what extent do they constrain our freedom and to what extent do they enable our individuality Is diversity of value in itself Has the rhetoric of human rights been overstretched Kwame Anthony Appiah draws on thinkers through the ages and across the globe to explore such questions developing an account of ethics that connects moral obligations with collective allegiances and that takes aim at clichés and received ideas about identity This classic book takes seriously both the claims of individuality the task of making a life and the claims of identity these large and often abstract social categories through which we define ourselves

Life This Side of Heaven Richard Wenden, 2024-06-03 Where else would you rather be For many people today particularly in affluent lifestyle driven beachside suburbs that is their mantra and being at church and following Jesus is perhaps the furthest thing from their minds As Christians grapple with how to bring the good news to an increasingly

hedonistic and apathetic post Christian culture this book shows where we find ourselves culturally discusses why that is and suggests some ways forward including how we might reorder people s disordered loves fostering a faithful presence in our spheres of influence and seeking ways to connect meaningfully All this is a way of assisting churches in their particular cultural contexts to move from an attractional mode of thinking about ministry and church life to a mindset that enables them to carry out effective gospel ministry to their community and underlying subcultures The author hopes it will be a help for churches that have historically struggled to be missionally focused serving as an encouragement in reconsidering their approach to ministry planning so they might have a significant gospel based long term impact on individual church members and the community life of the church to bring blessing to their suburbs gospel growth to churches and glory to God
